JOHN W. SUTTLE — MAN OF GOD

1872 -

This copy of the Minutes is dedicated to John W. Suttle —

As a Preacher of the Word: One who preached fearlessly, and yet in love, the "unsearchable riches of Christ"; one who has inspired about sixty-five "preacher boys" to follow him in the proclamation of the Gospel.

As a Pastor: In his sixty-five years of active service he has ministered to his flock in times of joy and sorrow, and has exercised uncommon common sense in his counsel. He has preached more than 30,000 sermons, baptized 10,000 converts, and conducted approximately 4,000 funerals and has married 2,000 couples.

As a Denominational and Civic Servant: Among other contributions in this sphere one could name service as Moderator of this Association for 40 years, as President of the State Convention, on its General Board, and numerous other Committees. He has been in the forefront of all efforts to better the community where he lived, serving in Civic Clubs and other enterprises.

As a Person: He is a living example of the faith he preached, radiant, outgoing, with a richly developed sense of humor, firm and yet kind, a devoted husband and father, a prince in Israel."

PLEASANT RIDGE BAPTIST CHURCH

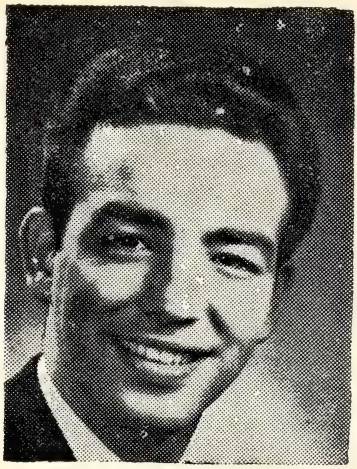
Route 3, Shelby N. C.

The Church was constituted in 1915 with a membership of 26 male and 29 females, a total of 55 members. This church was accepted as a member of the Kings Mountain Baptist Association September 24, 1915 in its 65th session at New Hope Baptist Church. The Messengers were Mr. J. B. McSwain and Mr. J. J. Sperling.

The Night Session of the One Hundred-Fifth Annual Meeting was held with the Pleasant Ridge, October 20, 1955. The One Hundred-Tenth Sessions were with the Church October 20-21, 1960.

The Pleasant Ridge Baptist Church congregation lost its building by fire in December 1957. They have worked earnestly, faithfully and sacrificially in constructing a beautiful, spacious and serviceable building on the same site in which the Sessions of the Association were held.

The Pastors that have served the Church since its organization were B. Monroe Bridges, Isaiah D. Harrill, W. G. Camp (two times), Jesse Blalock, Albert R. Hastings and the present pastor, James Stamey.



REV. JAMES STAMEY

The Pleasant Ridge Baptist Church extended a call to James Stamey in 1957 to come as pastor of the Church. He and his family came from Wheatley, Kentucky and the Southern Seminary. The congregation and pastor Stamey have worked faithfully in the erection of a new building and are to be congratulated on a task well done.

Rev. James Stamey, Pastor.

Mr. T. Z. Walker, Superintendent of the Sunday School.

Mr. Max McSwain, Baptist Training Union Director.

Mrs. Shelton McSwain, President of the Woman's Missionary Union.

Mr. Hix O. Gettys, Brotherhood President.

Mr. A. Dillard Carroll, Chairman of R.A. Committee.

Mr. Wyvon A. Jones, Church Treasurer.

Mr. R. K. Jones, Church Clerk.

Mrs. James Stamey, Minister of Music.

1. A Committee on Committees, consisting of five messengers, appointed as prescribed in Article 8. It shall be the duty of this committee to appoint the following committees which shall report at the annual meeting at which appointed.

   a. Committee on Place and Preacher, consisting of three members, the duty of which shall be to recommend to the Association churches at which the next session shall meet and preachers that will preach at the next session. This committee shall serve from appointment until a new committee is appointed at the ensuing annual association meeting, and, in the event of a church having to rescind its invitation or a preacher's being unable to deliver a designated sermon due to sickness, death, or other providential circumstances, or his removal from a church in the Association, will make provision for such substitution as may be necessary subject to the approval of the General Board.

   b. A Committee on Resolutions, consisting of three members, the duty of which shall be to draw up and present to the Association suitable resolutions of appreciation and expression on sentiments on any matter chosen by the committee or referred to by the Association. This committee shall serve from appointment until a new committee is appointed at the ensuing associational meeting.

SECTION C. The Committee on Committees will appoint the following committees which will serve throughout the year and which shall report at the next annual session of the Association.

1. A committee on Order of Business, which shall consist of five

members including the Vice-Moderator who shall be chairman. It shall be the duty of this committee to report a suggested order of business as soon as feasible after the opening of the Association. When adopted, its report shall become the order of the Association and cannot be changed except by majority of the body.

Those to be nominated shall include general officers of the following organizations: Baptist Training Union, Sunday School, Brotherhood, Music Organization, and members of the Missions Council.

   This Committee shall also nominate an Ordination Advisory Committee, consisting of five members, the duty of which shall be to examine all candidates for ordination who shall be referred to it by churches of the Association. Upon concluding such examination, this Committee shall notify the church requesting the examination as to the results thereof and shall make a full report concerning the same at the next meeting of the General Board.

The first meeting shall be convened by the Moderator within ten days following the annual associational meeting at which the council was elected. At the first meeting a Chairman, Vice-Chairman, and Secretary shall be selected and the council shall divide itself into such committees as seem necessary to provide a well rounded and worthy associational mission program and emphasis. It shall have at least the following committees:

(1) Administration and Finance. This committee shall have general oversight of the work of the associational missionary and shall report to the Association in Annual Session and to the General Board as deemed necessary by the Committee. In case of a vacancy occurring in the office of associational missionary, this committee shall bring recommendations to the General Board as to replacement. This committee shall also make an associational budget to be presented to the Association providing for financing the work for the coming year.

(2) Missionary Planning. This committee shall survey communities in need of Baptist work and ministry; seek to enlist churches to sponsor work in such communities; give guidance and assistance in proper location and organization of new Baptist work; provide information for and make recommendations to the Association to missionary needs which might be met by cooperative efforts; provide information to the State Mission Board which might be helpful in meeting missionary needs; consult with churches anticipating membership in the Association and make recommendations to the Association in matters of this kind; and to review requests coming from churches for loans and church assistance funds, as to their validity.

(3) Institutional and Interracial. This committee shall seek to enlist churches to have a worthy part in ministry to folks in our public institutions, and to be of service as friend and brother in Christ to people among us of other races.

3. We believe Jesus Christ as revealed in the New Testament to be the Son of God and the divine Saviour of all who truly accept Him as such.

4. We believe in the personality of the Holy Spirit, and in His abiding presence with the spirit of all the elect of God, in His quickening presence with the spirit of the unregenerate moving to repentance and faith, in His witnessing presence with the spirit of the regenerate, in His comforting and guidance throughout life, in His sustaining presence in the experience of death, and in His continuing presence in the life to come.

5. We believe salvation is attained through spiritual regeneration in the act of repentance and acceptance of Jesus as Saviour.

6. Sincere spiritual redemption was made available by the death, burial and resurrection of Jesus, we believe that every regenerate person should symbolize his own salvation by being buried with Him in baptism.

7. We believe that a local church modeled after the New Testament order is a company of regenerate persons voluntarily joined together for the purpose of extending God's Kingdom on earth.

8. We believe that each church should from time to time, as a congregation, celebrate the Lord's Supper as a memorial to Him.

9. We believe in the ultimate triumph of God's Kingdom over all opposing powers, and that every regenerate soul shall have a share in that triumph.

"THE COOPERATIVE PROGRAM"

The Cooperative Program is a plan through which every Baptist church in the Southern Baptist Convention and every individual who is a member of one of these Baptist Churches may support the world ministry committed unto them by the Lord Jesus in the Great Commission. "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world." Matthew 28: 19-20.

Some one has suggested that, "The Cooperative Program is the love of God in action; the hands of Christ at work." Churches as well as individuals that participate in the Cooperative Program may enjoy the thrilling experience of preaching the Gospel to the lost multitudes in forty-four different countries where our 1,454 Missionaries are serving. At the same time have the experience of sharing in the ministry of our various institutions at home and abroad as they minister to the body, the mind and the soul. This is the only program known whereby an individual or a local church may perform such a tremendous task.

Southern Baptists have discovered through years of experience, that the Cooperative Program provides the most practcial way of meeting all needs with the least effort and the lowest cost to produce the greatest results.

The Minutes of the Kings Mountain Association reveal that each year the gifts to World Missions through the Cooperative Program have increased. However, the increase has fallen short of the two percent of the offering plate dollar as suggested by our Baptist Leaders. Another revelation of the minutes is that a number of our churches each year do not give any amount through the Cooperative Program. For example, in 1958 the churches of this Association gave $118,082.00 but there were four churches which did not take part. In 1959 the gifts increased to $144,779.00 and seven of the churches did not participate in the giving.

Through June 30, 1960, or the first half of this year the gifts were $78,-183.44 which suggest an increase but there were fourteen of the churches which had not shared in the giving.

Surely the love of God constrains us and world conditions challenges us as pastors and church leaders to work toward the goal of planning and adopting an adequate budget in each of our churches. In this budget we will want to place a definite percent to be given through the Cooperative Program for World Missions. With prayer and dedication we can have one hundred percent of the churches in the Kings Mountain Association supporting the lifeline of World Missions, the Cooperative Program.

Aaron C. Phipps

STATE MISSIONS

State Missions is the missionary effort on the part of N. C. Baptists to reach the unsaved for Christ and to teach, enlist, and train the saved in giving, living and serving through the churches and throughout the world. There are 4,600,000 people in the state. About 2,100,000 of these above the age of eight are affiliated with some kind of church. 2,000,000 above the age of eight are unchurched. We have about 900,000 Baptist church members in North Carolina. Perhaps 40 percent of these are enlisted and are being taught and trained in Christian giving, living and serving. This means that 60 percent of our church constituency is not dedicated in the Christian profession. In this undeveloped area the churches have their primary challenge. The above interpretation of the purpose and challenge of State Missions demand a varied program of mission activity.

Our people need to be trained and taught. Therefore, five of the most important phases of our State Mission work are promoted through the Sunday School, Training Union, Church Development and Music Departments, and Brotherhood.

Over 60 percent of the people in North Carolina are lost and need the Saviour. State Missions provide a Division of Evangelism. We face a tremendous challenge in evangelism.

A growing population demands new and stronger churches. State Missions provide a necessary and important ministry through aid on some church buildings and the purchase of sites for new churches. North Carolina is a coming state. By 1980 our total population is expected to reach 6,300,000. Dr. Douglas M. Branch says we need 600 new Baptist Churches **now.**

A more highly developed and intelligent congregation demands a better trained pastor. Pastor's Schools are provided through State Missions to meet this growing demand. Many pastors are receiving better

training at Fruitland. Refresher courses are offered from time to time at Mars Hill for the benefit of all pastors.

The Colored Races in our midst constitute a large percentage of our population. State Missions seek to minister in a limited degree to the Negroes and Indians. We should do more, not because the Catholics are winning them, but because we should. Ours is the major denomination in North Carolina, and, therefore, they are largely our responsibility. The program of interracial cooperation is a program of cooperation of the Baptist State Cnvention, The General Baptist State Convention of North Carolina, (1,700 Negro Baptist Churches, with a membership of 325,000) and the Home Mission Board of the Southern Baptist Convention.

The Department of Church Architecture works in cooperation with The Department of Church Architecture of the Sunday School Board, Nashville, Tenn. Last year these departments served 1,025 churches in North Carolina through counsel and guidance in planning for beautiful and adequate church and educational buildings.

Our Church and Denominational Leaders of tomorrow need to be taught and trained in cooperation and loyalty now. State Missions promote a Baptist Student Program among the 24,000 sons and daughters from our Baptist Homes who are attending 58 Colleges and Universities and 80 Professional Schools. These young men and women constitute a great potential leadership for all areas of tomorrow's world.

Other areas of need constantly challenge the resources of State Missions, namely: The Christian Action League, P. O. A. U., The Silent People, Summer Student Work, Student Aid, Ministry through Correctional Institutions.

What are the sources of support whereby State Missions can function effectively and fruitfully in all these phases of work? Here they are:

From The Cooperative Program	$137,000
From Home Mission Board	9,000
Hoped for - W. M. U. Week of Prayer	80,000
Hoped for S. S. and Churches	120,000

Will you as an individual and your Church and Sunday School do your best so that the first part of the Great Commission might be obeyed and that these rich ministries might be continued to the extent that next year North Carolina and the world might have many more Christians and be more Christian? Dr. A. V. Washburn in his recent book Outreach for the Unreached says, "The light that burns the brightest at home shines the farthest."

Respectfully submitted,

Dennis M. Larkins

HOME MISSIONS

Southern Baptists support a missionary force of more than 2,000 on home mission fields according to Courts Redford, Atlanta, executive secretary of the Home Mission Board. In addition there were 470 student summer missionaries. These missionaries reported 44,649 professions of faith in 1959.

The Annie Armstrong Offering and the Cooperative Program provided $4,151,389.58 for home mission work during 1959.

A major emphasis of home mission work, which is active in all states, has been seven programs outlined by Redford as: evangelism, church loans, chaplaincy, pioneer and associational missions, city missions, National Baptist, and language group missions.

At the end of 1959, 74 city mission programs were in operation. Seattle, Wash., became the fourth major city to be included in Southern Baptists' "Big Cities" program with the appropriation of $100,000.00 for church sites.

The 30,000 Movement is progressing toward the 1964 goal. More than 10,000 new churches and missions had been started by May 1960. 1959 was a year of evangelism. Southern Baptists alone baptized 430,000 and reported 1½ million church members signing soul-winning commitment cards and a record-breaking number taking soul-winning study courses. The Division of Evangelism will give increased emphasis on personal soul-winning and Christian growth.

Let us continue our out-reach by the great arm of Home Missions.

Respectfully submitted,
D. Boyd Cannon

FOREIGN MISSIONS

For the calendar year of 1959 the Foreign Mission Board received from all sources of Southern Baptist States a total of $15,985,116. Of this amount, nearly 7,000,000 came from the Lottie Moon Offering.

The Foregin Mission Board continues to define its work from the Great Commission. From this concept, the primary work of the Foreign Mission Board is the sending of missionaries to foreign lands.

An Advance Program was started in 1948 when there were 625 missionaries under appointment. At the close of 1959, there were 1,381 serving in 44 countries. The goal of the mission board is to have 2,000 serving by the close of 1964.

The program of work the missionaries engage in is as follows:

1. Evangelism and church development.
2. Schools, including kindergartens through senior colleges and theological seminaries. There are 1,002 schools with 151,276 students.

3. Medical work, including hospitals, clinics, and dispensaries ministering to more than 260,000 patients each year.

4. Publication work in which more than 14,000,000 pieces of printed materials are annually made available in many languages.

Under these divisions are many subdivisions and varieties of work. The concept of the Foreign Mission Board being that everything that is needed in the work here is needed in the work there.

The Board has projected for this current year a program that will slightly exceed $20,000,000 dollars. There is no knowledge of where $3,000,000 of this amount will come from. One can well suppose that many prayers are going up around our world right now for the Lottie Moon Offering this year. Then, of course, the major source of income is from the Cooperative Program. A world-wide ministry is a tremendous thing. The figures already cited in this report can seem great or small according to our vision of the world. This is the supreme task of the church.

The Iron Curtain, International tension, and unconcern on the part of many christians make this world-wide task difficult. Our missionaries work with their lives dedicated to the faith that all men must have opportunity to hear the good news of God.

May we then offer this summation to the report.
Foreign Missions is:

1. Living the christian life. This is the basis of foreign missions for any christian society. The church in this nation that becomes thoroughly dedicated to God will be heard about around our world. When a group of christians live the christian life to please Jesus Christ, the word will spread behind the Iron Curtain.

2. Foreign Missions is education. We must know before our hearts ache to spread the glad tidings.

3. Foreign Missions is giving. The cost in money is much.

4. Foreign Missions is praying. This is constantly the first request of missionaries. Please ask the people to pray for us.

WOMAN'S MISSIONARY UNION

Our emphasis for the past year has been Leadership Training. We have had many worthwhile opportunities through state promoted workshops, camps, and Associational meetings. Jesus demonstrated the necessity of training leaders. When He began gathering together his disciples, He chose very ordinary and untrained men. His only requirement was that they be willing. There has been much talk about natural-born leaders, but for the most part, people are not born leaders. When we study the Master's method, it becomes evident that leadership must be developed. His followers were ordinary men with an extraordinary dedication, average men with above average faith, common men with uncommon devotion. Under Jesus' guidance their abilities and energies were trained and directed into channels of leadership. The basic idea in leadership is guidance. Steering the energy and ability of a group into channels of activity which accomplish group purpose. For Woman's Missionary Society this purpose is the promotion of Christian Missions.

The W. M. S. Leadership program is designed for every member. There is a place for every person to serve using every talent and ability. We must not lose sight of the motivating force in our organization—Missions, and God's promise to help those who engage in His service. Responsibilities vary among officers and committees but every person who serves in any way should give her best. This year for the first time a Leadership course is offered. It may be taken either in class or by individual study. Upon completion of this course, a Leadership card is given and may be renewed each year by taking a refresher course. The

number of cards in our Association grew from 17 to 110. An excellent beginning! But with our 4,164 members there is still a great challenge.

Also, we have a new Woman's Missionary Society Manual, the first to be published by W. M. U. It explains the organizational framework and the program of work carried on by our organization. The use of it will contribute much to an already effective program of work.

This year marks the 75th anniversary of the Sunbeam Band. Four Associational officers attended a workshop at First Baptist Church, High Point. As a result of information gleaned here, an Associational Sunbeam Day Camp was held at Sandy Plains Church in June. There were 65 in attendance. At the Annual Leadership Conference, there were three workshops for Sunbeam Band Leaders. Let us continue, not only through this Anniversary year, but throughout future years to promote work in our youngest group of young people. Remembering always, "As the twig is bent so grows the tree."

In July, the second Girl's Auxiliary Camp was held at Gardner-Webb College. 187 girls attended. Miss Faye Tunmire, Missionary to the Philippines, was with us for the entire week.

The various Societies responded well to the Special Weeks of Prayer and Offerings. The Lottie Moon Offering was $20,077.61. Annie Armstrong $5,912.55. Heck-Jones $2,143.94. As women learn more about the many needs the joy of giving increases.

Emphasis for the coming year will be on sharing possessions. As we move forward into a new year, we covet your prayers and efforts that we may experience a truly great year in Mission advance.

Respectfully submitted,

Mrs. Charles D. Forney, Jr.

MINUTES OF THE SIXTY-SIXTH ANNUAL SESSION

On Friday afternoon, April 29, 1960 at 4:30 o'clock the sixty-sixth session of the Woman's Missionary Union of the Kings Mountain Association was held at Double Springs Church. The program theme was "Doers of the Word." The organist was Miss Priscilla Brooks and song leader was Mrs. Robert Cantwell.

Following the organ prelude, the president, Mrs. C. D. Forney, Jr. called the meeting to order. The program opened with the singing of the hymn, "All Hail the Power of Jesus Name."

The opening prayer was led by Reverend J. A. Bracey, pastor of Double Springs Church.

Greetings and warm words of welcome were spoken by Mrs. F. S. Crowder, president of the host Woman's Missionary Union.

Visitors recognized by Mrs. Forney were Mrs. A. L. Parker, First Vice-President of Woman's Missionary Union of North Carolina; Mrs. Jeff Burns, Regional Prayer Chairman; D. Carter Morgan, Missionary guest from Hong Kong and all pastors present.

The devotional period was led by Mrs. A. B. Wood. Reverend W. V. Tarlton led in prayer.

Mrs. Forney introduced Mrs. A. L. Parker, who spoke on the subject of "Teach Them." She stressed the importance of training and teaching our young people that they might be made aware of the world's needs and through missionary education find their places of service.

The hymn "Jesus Saves" was sung.

A playlet "Doers of the Word" was presented by the Associational officers. This presentation included a brief report and discussion of each officers' work during the past year.

Committees were appointed by Mrs. Forney as follows:

Time and Place Committee: Chairman, Mrs. Robert Forney, First Baptist, Shelby; Mrs. J. D. Ellis, Patterson Springs and Mrs. A. B. Blanton, Zion.

Appreciations Committee: Chairman, Mrs. R. T. Martin, Elizabeth; Mrs. L. H. Ledford, Ross Grove and Mrs. Claude McKnight, Calvary, Shelby.

Mrs. W. V. Tarlton closed the session with prayer after which the evening meal was served by the host church.

EVENING SESSION

The evening session was opened with the singing of the hymn, "Send the Light."

Future plans for the Association were discussed by Mrs. Forney, president. Mrs. Harold Causby, vice-president and Jubilee Chairman, reported on progress made toward goals for our association during the Baptist Jubilee Advance.

Mrs. Forney presented Mrs. Jeff Burn, who introduced the missionary guest, Dr. Carter Morgan, who since 1955 has been serving in Hong Kong as teacher and dean of the Baptist Theological Seminary. Dr. Morgan showed slides from his field of mission work pointing up the need of more missionaries. He challenged us to give more to support and undergird mission work.

During the business session the following committee reports were heard:

Time and Place — Mrs. Robert Forney, Chairman: The host church to be Lattimore and the State Executive Board will set the time. The report was adopted.

Appreciations — Mrs. R. T. Martin, chairman, read the report of the appreciations committee. It was adopted.

Report Of The Appreciation Committee

We, the committee on appreciation, and in behalf of the members of the Woman's Missionary Union of the Kings Mountain Baptist Association and visitors, wish to express our sincere thanks to the host church for the warm welcome and kindness shown us during our stay in your midst.

The program for the meeting has been an inspiration to us. We say thank you to Mrs. C. D. Forney, Jr. and to each person who took part in planning and presenting the program.

To all other officers who have worked so diligently through the past year to carry us further in our effort to serve God and humanity, to the ladies who prepared so bountifully for our physical nourishment, for the special music that we enjoyed throughout the meeting and for the beautiful flowers which have been placed here to make our meeting place more beautiful, we are most grateful. All of this makes us more conscious of God's handiwork for which we accept with humility.

We shall long remember you as we go back to our churches and work harder to enlist more people in our organizations. We shall try to encourage our young people to dedicate their lives to Christian service. May we all become more obedient to our Lord's command that we go into all the world and preach the gospel, and may we always strive to be "Doers of the Word."

Respectfully submitted,

Mrs. R. T. Martin, Chairman

Mrs. L. H. Ledford

Mrs. Claude McKnight

EVANGELISM

"The Lord Working With Them"—Through Evangelism

In this report I do not wish to talk to you about our gains and losses for last year, which can be found in the tables near the end of our associational minutes, nor do I choose to talk with you about how often our baptistries have been wet. But I would rather talk with you about one side of evangelism which we hardly recognize as evangelism: The Lordship of Christ. The Apostle Paul put it another way in Philippians 1:21, "For me to live is Christ."

Evangelism has been talked about a great deal. Many books have been written concerning evangelism, but I like a short dictionary definition which is, "an earnest effort to spread the gospel of Christ." This being true, our task is a great one, not only in getting people to accept Christ as Saviour, but also in getting people to accept Him as Lord over their lives and walking with Him daily. This is Evangelism.

We are told that there are over 2,000,000 lost people in North Carolina, so you see, ours is a tremendous task to witness to the saving power of God in Christ Jesus. Even with this huge number of lost people in our own state I believe, especially in our own association, our larger task is to witness to the Lordship of Christ. This Is Evangelism.

To be sure there is a great need for salvation, but salvation covers all of the Christian life not just the beginning of it. What is salvation? Basically it is health. The words "holiness" and "health" in English come from a common root. The Greek word translated "to save" has as its primary meaning "to make well, heal, restore to health." Men have called Jesus not only "Saviour," but also "The Great Physician." Salvation in its fullest sense means physical, mental, moral, spiritual health. As we take a good look at our sick world, both in and outside our churches, can we not agree that this is our greatest field of evangelism?

The task is so great that the only way we will come anywhere near getting it done is to spend some time, a great deal of time, in getting

those already in our churches to accept the Lordship of Christ. It is serious business to take Him, and serious business to refuse. I do not see Him as a hard and arbitrary Judge. But I see Him as the leader of humanity in its march toward the fullness of the Kingdom of God, standing here with His arms stretched out to us saying, "I need you . . . and you . . . and you. I have laid my hand on you and called you for a follower and a soldier and a friend. I want your whole life, every bit of it, for the Kingdom. Will you come?"

When Jesus says "Come" it is a personal invitation and calls for decision and an answer. When Jesus says "Follow me" our answer must be obedience or disloyalty. When Jesus says "Go" it is a personal directive to go in His name to point the way. This Is Evangelism. Will you go? God help us all to be evangelists and to say along with the Psalmist: "I have not hid thy righteousness within my heart: I have declared thy faithfulness and thy salvation: I have not concealed thy loving-kindness and thy truth from the great congregation." Ps. 40:10.

HISTORIAN'S REPORT

If I were a banker I could talk about History. Yesterday is a cancelled check; tomorrow is a promissory note; today is cash for us to spend as we please.

We are spending today. We are making history, but we are not keeping too good a record of it. Less than 10 percent of our churches have active historians. The Clerks write down the data, but not the history.

Therefore, I have some recommendations for this great old Association. They will cost a little money, if you approve them, but I am convinced that, if they are carried out, they will be worth much more than we spend. I recommend:

First, that the Moderator, upon nomination or recommendation from the General Board, appoint a Historical Commission for the Association, this commission to consist of no less than four or more than seven persons, and whose duty it shall be to work and counsel with the Historian in performing the duties of his office.

Second, that the Association microfilm the first 110 years of its records, including minutes and such copies of programs or other official records as may be available.

Third, that the Historian and Historical Commission be authorized and empowered to establish a Museum or Repository for the preservation of valuable books, papers, photographs, memorabilia, and relics, which,

though they may not be official records, will have lasting educational and spiritual value for generations to come.

Fourth, that the Historian and Historical Commission be authorized and instructed to make a preliminary study of the need for a full, complete and comprehensive history of the Kings Mountain Baptist Association; then study the possibilities, problems and ways and means of writing such a history, and report on this study at the next annual meeting of this body.

Fifth, that the Association appropriate and authorize the expenditure of a sum not to exceed $500 for the current fiscal year to begin the above mentioned projects, with the understanding that microfilming the records have priority.

Respectfully submitted,

W. Wyan Washburn

CHRISTIAN EDUCATION REPORT

At the meeting of the North Carolina Baptist State Convention last year in Greensboro, a committee was appointed to study the physical needs of our seven Baptist colleges. This committee, ater much deliberation, initially recommended a campaign to secure $45,000,000 during the next five years. The money to be thus raised would be used for the purposes of expansion and capital improvements and would be in addition to the regular support of over a million dollars annually through the Cooperative Program. After further study, the committee recommended that the campaign be in two phases. The first phase should be to secure $25,000,000. The second phase, to secure the remainder of the money, would be conducted as soon as possible after the completion of the first phase.

The needs of our colleges are very great, particularly in view of the increasing enrollments which most of them are experiencing. In addition, it should be observed that if the expansion programs recommended by the Committee of 25 to the convention during 1959 are to be achieved, a great amount of money must be raised. It will be remembered, in this connection, that the Committee of 25 recommended that certain of

our junior colleges become senior colleges when practicable, and that Wake Forest College move toward the establishment of a graduate school as soon as possible.

The calling of a special convention to consider the recommendations concerning the financial campaign is being proposed for early 1961. This convention, if called, will deal with a matter which will be of momentous significance to our denominational life for many years ahead. Our Baptist churches should be much in prayer concerning this convention and should seek the will of God and His wisdom as they reach a decision concerning the recommendations of this special committee.

In weighing the relative merits of the proposal, there is one thought that must be paramount in our minds. This thought is ably expressed by Ralph A. Phelps, Jr., writing editorially in the March, 1959 issue of "The Southern Baptist Educator." "If Christian education is to justify its existence and the tremendous outlay of money which it necessitates, it must do a job qualitatively different from and superior to that done in tax supported institutions." He then goes on to point out the distinguishing marks of a Christian school.

"First, its denominational relationship must be sincere. It must believe in and practice the principles of the church whose name it bears.

"Second, faculty and staff members must themselves be Christians.

"Third, the program of the school should be consistent with Christian principles. This area ranges all the way from admission policies to social activities, to faculty attitudes toward counselling students.

"Fourth, the school's objectives should be Christian. While trying to instill the basic values that any institution of learning esteems—intellectual curiosity, creative thinking, an understanding of the world in which one lives, an appreciation for culture in its many forms, etc.—the Christian institution of learning needs to go beyond these. It should consciously strive to see that every student believes in God through Jesus Christ, that he holds spiritual values as superior to purely material considerations, that he recognizes service to God and his fellow man as primary responsibilities in life."

Since our seven Baptist colleges in North Carolina are endeavoring in a splendid way to provide quality education with a Christian plus—then the Baptist constituency of North Carolina should give its best to such proposals as may be adopted to help our colleges even to the point of sacrifice.

Certainly, we of the Kings Mountain Baptist Association should be sympathetic with and concerned about the needs of all of our colleges, for we have seen at firsthand, in the achievements and contributions of Gardner-Webb College, the value of Christian education. Surely we will

do what we can to support our Christian colleges in the proposed expansion programs—to the end that future generations will look back upon the year 1961 as the year in which North Carolina Baptists made the momentous decision to march forward in Christian education.

Respectfully submitted,

John E. Lawrence

REPORT ON GARDNER-WEBB COLLEGE

Gardner-Webb's assets are listed in the present audit at $2,500,000.00 plus. This comprises a campus of eighty-eight acres, a forest of approximately eleven hundred acres, ten college buildings, one of which is twenty years old. There are sixteen other residential and service buildings. Debt on the College, being liquidated this year, is now less than $100,000.00.

The present student enrollment is 587 from 50 counties of North Carolina and eight other states; 85 per cent are Baptist, 177 from Cleveland County. This is an increase of slightly more than ten per cent. The faculty who teach these students have an average of two and eight tenths years graduate study, and an average of six plus years of experience teaching on the college level. From eighty to ninety per cent of our graduates transfer to higher institutions for additional training. People who make good here have encountered no difficulty in transferring credits, and consistently make good elsewhere.

That which matters most is the atmosphere of spiritual greatness in which our young people may grow. As I have observed it, that atmosphere on Gardner-Webb campus compares favorably with that in the best of our churches; but here that isn't enough.

Respectfully submitted,

Phil L. Elliott

TRAINING UNION REPORT

During the past year of the 68 churches in the Kings Mountain Baptist Association, 63 report Training Unions. There was a loss of two unions, but a present enrollment of 6,359.

"M" night was observed at the First Baptist Church, Shelby, with approximately 800 attending. Rev. John Lawrence, pastor of the church, brought the message.

"M" Night, 1960, will again be held at the First Baptist Church, Shelby, on December 5th. O. B. Reel of Gastonia will be the guest speaker.

Elimination tournaments were held at Elizabeth Baptist Church for

Junior Memory Work, Intermediate Sword Drill, Better Speakers and Adult Readers. Several contestants advanced to the finals.

God expects great things from us here in this Association. If we accomplish what He wants us to do, we will have to be trained. No one can do any job right without first being trained for that job. B. T. U. is the greatest training program that we have in our churches today. I would say that 75% or more of our church leaders and officers are and have been members of the Training Union. So I beseech you as Pastors, Deacons, and Church members to support your Training Union in your church in order that we may train our members to do God's work.

I would like to express my gratitude to the Pastors, Training Union Directors, Associational Workers and to all others who helped to promote the Training Union Program this past year. Special appreciation is given to Rev. C. O. Greene, our Associational Missionary.

BROTHERHOOD REPORT

It has been said that from 65 to 75 per cent of the men on the rolls of Baptist churches may be classified as inactive. It is at this point that the Brotherhood will meet the greatest need of our day. When these inactive men are sought out and enlisted in the ministry of the church, the resurgence of strength will be felt on every mission field in the world.

Our chief weakness lies with the majority of men who have never grown beyond their willingness to be numbered among the church membership; therefore, the Brotherhood stands at a strategic point and faces the greatest challenge ever presented to Baptist men.

The Brotherhood Department is endeavoring to bring the Brotherhood work in North Carolina to the highest level of efficiency to accomplish its aims - that of discovering men and their talents and enlisting them in every phase of the program sponsored by the church and denomination.

Now that the organizational structure has changed, there is a great need for Brotherhoods that make adequate provision for Royal Ambassadors. The rising emphasis upon out-door sports, camping, etc. by other groups is making a strong appeal to our boys. The Royal Ambassador program provides everything offered by these groups plus missionary training. Our churches cannot compete with other groups unless they have outstanding Christian men to lead the Royal Ambassadors.

The future of the Royal Ambassador program of North Carolina is dependent largely upon the willingness of the men in our churches to

give of their time, talents, and possessions to a vigorous program of missionary education for boys. In a real sense, the future of our churches will be influenced greatly by that which we do for our boys today.

The Royal Ambassador program has a great influence on World Missions. These young men will become the laymen who will provide the necessary tithes and offerings to sponsor World Missions in the future. The increased need of well trained young men who are willing to give their lives on the mission fields increases the importance of this program. North Carolina Baptists are making a contribution to World Missions by supporting the program of Brotherhood and Royal Ambassadors.

Our most inspiring meeting during the year was a message from Rev. W. T. Roberson, who along with his wife have already left for the foreign mission field. His stirring words were a challenge to the men of our great association.

During the coming year, your Associational Brotherhood will have a new president, Brother Felix Hamrick of Boiling Springs. I am confident that he will lead the Brotherhoods in this association to heights not achieved in the past years.

Men of the Kings Mountain Baptist Association, I urge you to give him your whole-hearted support in Brotherhood work during the coming year.

Edward H. Willis

REPORT ON JUVENILE REHABILITATION

The Home Mission Board of the Southern Baptist Convention has ushered in a new day in the field of missions. It is now promoting a specific program of juvenile rehabilitation in cooperation with the local Baptist churches of a city or association. It is doing this in response to a felt-need to do something to help stem the tide of increase in juvenile delinquency which has been on a decided increase for the past two decades and the trend continues upward. The situation has become so acute that the President called a White House Conference on Children and Youth the early part of this year.

Some of the causes for this increase in juvenile delinquency are listed as follows: increase in divorce and broken homes, increased consumption of alcoholic beverages, the mad rush for pleasure and recreation, working mothers, the emphasis upon goods and material things, the lack of concern for things spiritual. To be sure there are other contributing causes. More than any other cause according to J. Edgar Hoover "the failure of the home more often than not is the chief cause of juvenile delinquency."

This program is a work of juvenile rehabilitation at the court level

in cooperation with local churches. For it is the churches that must lead the way in finding a solution to the problem of delinquency. One eminent Georgia judge has said, "I feel that the problem of delinquency is primarily the problem of the churches."

This is the first organized effort of Southern Baptists aimed at rehabilitation. The plan is to set up a Christian Sponsorship Program in the association that will use carefully selected men and women sponsors from the churches. These sponsors will seek to rehabilitate the delinquents who are members of their Sunday Schools and churches or who are prospective members. The plan also calls for a director of juvenile rehabilitation who will serve as liaison between the home, the court, and the church. He is not a sponsor for the delinquent but is to work with the churches in securing and developing the sponsors.

We would recommend that each church in the association set up a juvenile rehabilitation committee of three persons, preferably one each from the Brotherhood, the W. M. U., and the church at large. This committee will work with the pastor and director in finding and training sponsors. These sponsors are not to be volunteers at random but are to be selected on the basis of specific qualifications.

1960 REPORT TO THE ASSOCIATION ON THE BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE

This has been a year of change and transition for the **Biblical Recorder,** your Baptist state paper since 1833.

On January 1, J. Marse Grant became editor, succeeding Dr. L. L. Carpenter who retired after 17 years in the editor's chair. Editor Grant came to the **Recorder** after 10 years as editor of **Charity and Children.**

Since the first of the year, a number of changes have been made in the **Recorder,** including larger type and full-page pictures on the cover. In a study made by a nationally-known professor of journalism, the **Recorder** was rated among the top three state papers in the Southern Baptist Convention. The Recorder staff will not be satisfied until it rates No. 1 among the 27 state papers.

For the price of a 3c or 4c postage stamp, the **Recorder** can come into your home each week. For only $1.50 a year, or 3c week, the **Recorder** can be sent to every family in your church. For a 4c stamp each week, or $2.00 a year, you can receive the paper in the Club Plan of four or more subscribers in the same church.

Certainly our Baptist families are worth 3c or 4c a week. Most of us subscribe to at least one daily paper at a cost of more than $20 a year.

For one-tenth of that amount, or less, you can get the **Recorder** and never miss the small amount it costs. With the many crucial issues coming up in the world almost daily, it is imperative that Baptists be informed about them. The best source is your Baptist state paper.

A continuous campaign is being made to put the **Recorder** in more church budgets. Deacons and finance committees are urged to consider this at the earliest possible moment. As every pastor knows, an informed membership is essential if a church makes progress.

Make no mistake about it. The printed page is going to win the battle for men's minds and hearts. The great movements of this world depend heavily on printer's ink to get their messages across. Baptists can do no less if we are to stay in this battle to win the loyalties of men and women, boys and girls.

In this crucial year in American history, the following quotation is so pertinent as we think of the importance of the **Biblical Recorder** and other Baptist publications: "If religious literature is not widely circulated among the masses in this country, I do not know what is to become of us as a nation. If truth be not diffused, error will be; if God and His Word are not received, the devil and his works will gain the ascendancy; if the evangelical volume does not reach every hamlet, the pages of a corrupt and licentious literature will; if the power of the Gospel is not felt through the length and breadth of our land, anarchy and misrule, degradation and misery, corruption and darkness will reign."

REPORT OF NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God's gift to the Homes for the Aging during the past nine years has been James M. Hayes, Sr. No man could have worked harder, or accomplished more, than this dedicated man of God. On July 1, he relinquished the heavy and challenging responsibilities of the office of general superintendent to his successor, William A. Poole.

The new superintendent is diligently at work and is finding a solid foundation on which to build and expand our ministry to the aging in our midst.

Great blessings are in store for us in this tenth year of our Homes for the Aging. The new Infirmary Annex, constructed at a cost of $193,000, and with 28 new rooms, will be in use by September 1. It is hoped that the construction of the proposed new Hamilton Home can be started by late summer, with facilities for around 30 additional residents. Our hats are off to all who have given so liberally and worked so tirelessly in bringing this fourth Home to fulfilment!

At the present, there are sixty applicants on the waiting list, and new inquiries and applications pouring in daily. We now have a total of 106 residents in our three Homes—Resthaven, 20; Albemarle, 34; Headquarters, 52. Even with our new facilities, it is not unrealistic to say that we could fill rooms up to 500 in the next two years. We must attempt great things for God and expect great things from God as we plan for the future in our ministering to the ever-growing number of the aging who need the loving care of North Carolina Baptists.

One of the life-lines in our work is the vital relationship that we have with the pastors and churches of our Convention. We could not operate without this very important and blessed tie that binds. We are increasingly dependent upon the prayers and the financial support of the churches. During the fiscal year, October 1, 1959, to August 1, 1960, we have received $82,521.20 from the churches. Of this amount, $76,352.70 was contributed through the Special Day Offering in February. Although this amount is $123,000 short of our goal of $200,000, we are profoundly grateful to God and to everyone who has had a part in contributing to the worthy cause which we represent.

We are constantly experiencing mixed emotions in the Homes, We rejoiced with Aunt Fannie Drumwright on her 99th birthday in July, and were saddened by the deaths of Miss Lillie Herring in October, Mrs. Mary Holder in April, Mr. T. J. Castevens in June, and Mrs. Annie Smith in July.

We shall welcome a visit to the Homes from our fellow Baptists at any time and stand ready at all times to render the service that God has called us to render to the aging.

Let it be known throughout the bounds of our fair State that there is nothing to hinder any needy aging person in our midst from coming to the North Carolina Baptist Homes for the Aging except lack of space. Let us, therefore, dedicate ourselves to the end of making more space available at the earliest possible moment.

SUNDAY SCHOOL REPORT

This has been a good year. The Sunday School officers have followed the Baptist Convention program, adapting it to meet the needs of the local churches. After planning for the year ahead, the department leaders and group superintendents met by the calendar, continuing to plan for each month. Early in January the association qualified for the Standard of Excellence, this being the fourth year to attain this distinction.

Dr. Herman Ihley, Secretary of North Carolina Sunday School Department, and all the associates and workers from the Department were

present and participated in the Associational Recognition meeting May 29th. This meeting was at the suggestion of Dr. Alvis Strickland, Superintendent of Associational Promotion.

The churches reaching the standard this year are: Bethlehem, Boiling Springs, David, Double Shoals, Flint Hill, Kings Mountain Faith, Kings Mountain Second, Lawndale, Mull's Chapel, New Bethel, New Prospect, Patterson Springs, Pleasant Grove, Pleasant Hill, Churchill Drive, Shelby Dover, Shelby Eastside, Shelby First, Shelby Highland, Waco, Zion and Zoar. Double Shoals and New Bethel were on the advanced Standard for the third consecutive year.

Again training was the most important factor in the Church Sunday School program. Group schools were held November 2nd-6th. They were well attended by teachers and officers. The curriculum was rich. This training made possible our being able to apply for the Standard in January. Associational and conference meetings were held. These were well planned.

Early in the year the committee on nominations went diligently to work securing officials for this associational year. At the same time each worker was given Dr. E. Stanley Williamson's book "Helping Churches Through Associational Sunday School Work." A clinic was held August 22nd, all officials present. September 13th, Action Night was observed for all churches.

October 2nd, the Sunday School officers met and set the following objectives which were approved by the General Board October 17th: 1,500 study course awards from catagory 17, January Bible Study, V.B.S. Clinic February 1st-3rd, an enlargement campaign for 1962, 5% increase this year, enlist churches to observe Preparation Week, Operation Home Folk, 50 new departments, 100 new classes, one new Sunday School, 100% V.B.S., continued use of Standard as a guide with goal of 40 Standard Sunday Schools, and that Action Night, September 12th, be observed with all churches represented.

The Sunday Schools have promoted every aspect of the church program. Evangelism, spiritual and mental growth, stewardship, and a compassionate fellowship for one another in the Lord Jesus has been felt and witnessed.

At all times I feel greatly indebted to the superintendents, teachers, pastors and all church people for devotion and support in this great work. I want to commend Rev. C. O. Greene, our Missionary, for his vision and help. May we now go forth in the spirit "The Lord Working with them."

VISUAL AID, TELEVISION, AND RADIO

Visual Aid in our churches should come up front now. When this subject is mentioned many think in terms of motion or still pictures. Pictures, posters, charts, graphs or any type material presented attractively are our most effective, as well as inexpensive, means of keeping interest.

All churches should have some type active Visual Aid Program. This work is not designed for one department alone, but it should be used in each department beginning with the youngest member and extending to the oldest member in the church.

There are numerous sources of Visual Aid material. Some have rental charges while others only require postage. We list addresses of a few Visual Aid Catalogues: Audio Visual Aids, Baptist Building, 301 Hillsboro Street, Raleigh, N. C.; Religious Film Service, 2804 Anderson Drive, Raleigh, N. C.; and Filmstrips Catalog, Society for Visual Education, Inc., 1345 Diversey Parkway, Chicago 14, Illinois.

Our radio stations have been very cooperative by allowing free time to our pastors that they may present church services over the air. We are listing the schedule of our two Shelby stations: From WADA, two morning services, each 4th Sunday at 11:00 the Baptists participate and each Friday at 7:30 a.m. "The Baptist Hour." From WOHS, three morning services, Sunday at 9:00 "The Protestant Hour", Sunday at 7:30 and 11:00, FM, "First Baptist Hour." Monday through Friday, FM, 6:15, "Gardner-Webb Vespers"; Saturday, FM, 6:15, "Gardner-Webb Bible Study"; and Saturday, FM, 6:30, "Tomorrow's Sunday School Lesson."

Many Christian programs are being presented over television which are helpful and impressive. These programs reach those who are unable to hear the message otherwise. May we become more Visual Aid conscious.

BAPTIST CHILDREN'S HOMES

This year marks the 75th anniversary of our Orphanage work—our Child-caring work—in this state. In 1884 our Baptist State Convention felt that the time had not come to establish an Orphanage in our State but the indefatigable John H. Mills, and a few other interested friends, felt that the time had come to begin caring for orphan children in North Carolina, hence Thomasville Orphanage was founded and on November 11, 1885 the first child was received, and Mr. Mills became the first General Superintendent, and six others have followed him: J. B. Boone, M. L. Kesler, I. G. Greer, Zeno Wall, W. C. Reed and now W. R. Wagoner.

This great work, with its humble beginning was supported by gifts from faithful friends, and by once-a-month offerings from interested Sunday Schools.

In 1914 Kennedy Home, near Kinston, was opened on the 1200 acre tract of land given by Mr. and Mrs. W. L. Kennedy for the purpose of establishing a home for orphan children in Eastern North Carolina at which time the name was changed to The Baptist Orphanage of North Carolina.

In 1942 the Burnt Swamp and Robeson associations operated a home for homeless Indians, and this work was taken over by our Convention in 1958. We now, therefore, have three child-caring homes: Mills Home at Thomasville, Kennedy Home at Kinston, and Odum Home at Pembroke, N. C. and these homes have tenderly cared for over 8,000 children, some staying but a few months while others have stayed as long as fifteen years.

This scriptural work is supported by the Cooperative Program, by once-a-month offerings from our Sunday Schools and churches, and by a big Thanksgiving offering in November, by special gifts, by endowment, and designated support of certain children. This year, then, you have an old institution, and hundreds of homeless children pleading with you for help. We must not turn a deaf ear. A Big Thanksgiving offering is imperative.

We are now caring for 730 children in the following ways: 311 at Mills Home, 165 at Kennedy Home, 24 at Odum Home, 160 in Foster homes and 40 other children are with their mothers.

Charity and Children is ably edited by John E. Roberts, one of our Cleveland County boys, and he is not only well trained but he "has the courage of his convictions," and speaks out for the truth as he sees it. This valuable paper goes into over fifty thousand homes featuring the work being done in our three homes, and it greatly helps with all of our work throughout this state and the south. You ought to have it in your home. The Club rates are 60 cents per year, and individual rates $1.00 per year. I would not be without it.

May we adequately care for this important and rewarding work, and may each church make a big Thanksgiving offering in November.

Respectfully submitted,

Zeno Wall

ROYAL AMBASSADOR REPORT

According to the associational records there are 38 chapters of Junior Royal Ambassadors and 30 chapters of Intermediates with an enrollment of 822.

Last February, 22-23, a clinic for Royal Ambassador workers was held at the Boiling Springs church. Bill Jackson, the State Royal Ambassador secretary, was leader for this meeting. Eighty-five men attended.

Approximately one hundred boys attended the annual R. A. Camp at Gardner-Webb College in August. The camp pastor was the Rev. B. L. Raines, of Kings Mountain First Baptist Church, and the Rev. Deaver Lawton, Missionary to Thailand, was camp missionary. At the beginning of the week, eight boys indicated on their enrolment cards that they were not Christians. Before the week ended, all eight had accepted Christ as Savior.

Possibly, we could do a better work in the camp if more churches would promote it. The college is so generous with their facilities, and it would be good if more would take advantage of this opportunity. For the first time the study of Royal Ambassador camp craft was offered during this week. This is new and it seems to be very appealing to the boys.

Royal Ambassador baseball leagues operated with 32 teams taking part. Four trophies were given. The Eastside Intermediates and the Dover Juniors winning first round awards and the Calvary Intermediates and the Mount Sinai Juniors winning the playoffs.

The baseball program was administered by a committee of four men: Tom Wright, Ralph Mitchem, Bobby Devinney, and Gilbert Crowe. These men are to be commended for the fine job that they did.

More interest is being shown in Royal Ambassador work. In the new Brotherhood organization, the Royal Ambassador committee is of great importance to the work in the church. It is difficult, if not impossible, to have R. A. chapters functioning as they should without these active committees within the sponsoring organizations.

In these days when the things of the world are competing for the lives of our young boys, we must re-examine our Christian appeal. The only thing that limits Royal Ambassador work in any church is the lack of consecrated men who will take the responsibility. There is no lack of boys; they are interested, and they will follow those that will lead.

Our prayer is that our men will feel the burden of this task, and will face up to the opportunity and responsibility that is rightfully theirs.

Respectfully submitted,

Allen Jolley

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

The Ministry of our Baptist Hospital touches every area of our state. Last year it served more than 17,000 bed patients, with 150,000 visits being made to the clinics and offices. They came for examinations, medical treatment, skilled surgery, and spiritual guidance. Many of our homes, most of our churches, and almost all of our communities have been served by this ministry of healing. It touches the family life of about a quarter of a million of our people each year.

Sickness is no respector of persons or pocketbooks. It strikes the rich and poor alike - the widow, the orphan, the aged. There are times when they need such specialized care as that available at our Baptist Hospital. The Mother's Day Fund provides money with which our Hospital gives assistance to those who cannot pay the full cost of their care. Our Hospital almost doubles our gifts with matching funds from welfare agencies and other gifts. In addition to this, the medical staff gives its services without charge to all service patients, except for available insurance payments.

Probably we should ask ourselves if we as Christians should provide such a ministry for our needy, sick neighbors. Jesus and the New Testament writers give us the answer. But do we really want such a ministry? It cannot be provided except at great cost. Our Hospital receives about 3¾% of our Co-operative Program funds for payments on the buildings, purchase of expensive equipment, such as heart-lung machines, and for the Department of Pastoral Care. Our Mother's Day Fund provides the money to help pay the hospital bills of needy, sick persons. The amount of this fund determines for the most part the amount of help our Hospital can give.

If we are serious about this ministry which was so close to the heart of our Lord, and want our Hospital to give help when our people need it, we are going to have to become serious about our giving to the Mother's Day Fund. Our Hospital is facing a grave financial problem, and if it is to give free service we are going to have to contribute the money to finance the program.

The only way we can support this work is to plan for it, to make somebody in each church responsible for it, to let our people know about the need, and to challenge them to give of their means. Some of our churches over the state have been doing this, and our people have demonstrated that when this is done they will provide the necessary support.

We come to ask you to do it in your church - not for the hospital, but for sick people who are in need.

Respectfully submitted,

C. Rush Hamrick, Sr.

REPORT OF GENERAL BOARD

The General Board of the Kings Mountain Baptist Association has had its regular monthly meeting during the year. There has been an average attendance and the spirit has been good. The following matters have come before the body for consideration and approval:

An application for $420.00 for pastoral aid for Midview Baptist Church, to the North Carolina State Board, was approved on November 16, 1959.

The Second Sunday of January (10, 1960) was designated as "W. T.

The General Board approved applications for student aid for the following: Max Pendleton, a member of Mull's Chapel; Herman L. Thomas, pastor of Bethany and member of Calvary; Phate W. McSwain, a member of Union; and Charles W. Freeman, a member of Patterson Grove. Application for student aid for Herman L. Thomas, a member of Calvary and a student at Furman University this year was approved.

A discussion was had in the February Board meeting as how to deal with the problem of Juvenile Delinquency and the need for a domestic Relations court for Cleveland County. The General Board asked that a committee composed of T. Max Linnens, Mrs. C. D. Forney, Jr., Edward Willis, Allen Jolley and C. O. Greene to draft a letter or letters to proper authorities endorsing the establishment of a Domestic Relations Court for the County. That the said committee was to study this work and to present to the General Board the facts and figures of the county needs. After their study, the committee offered the following recommendation: "That Dr. and Mrs. A. B. Wood be appointed to direct in the Juvenile Rehabilitation work in the county. The recommendation was approved.

The following were appointed to fill the vacancies that occurred during the year: D. W. Kiser as Visual Aid Chairman, to replace Floyd Loudermilk and Ernest Arnold to serve on the Missions Council instead of Charles Rabon.

The Moderator appointed a committee to study the constitution of the Association and make a report to the sessions of the Association of any changes that may be necessary. The committee appointed was composed of the following: W. V. Tarlton, E. M. Smith, and James E. Holder.

The Standing Nomination Committee presented the following nominations to the General Board for approval subject to the action of the Association in session: J. E. Bishop, as Associational Sunday School Superintendent; Norman Brown as Baptist Training Union Director; and Felix Hamrick as Brotherhood President.

The Resolutions Committee was asked to prepare suitable resolutions for the following: A. V. Nolan, C. L. Devine, William Jones, Charles Rabon, Wray Barrett, Carl Greene, Floyd Loudermilk, Don Cabaniss, J. D. McClellan, and Thomas D. Taylor.

The General Board recommended the following budget for its financial program for this associational year October 1, 1960 to September 30, 1961, and recommended that the churches give $1.00 per church member for the mission program of the association.

HAMRICK AND REDDING REPORT

October 14, 1960

The Auditing Committee
Kings Mountain Baptist Association
Shelby, North Carolina

Gentlemen:

We have examined the accounts of the Kings Mountain Baptist Association maintained by Reverend Lawrence Roberts for the year ended September 30, 1960 and submit our report herewith.

Our examination consisted of tracing all recorded cash receipts to the bank statements and of verifying disbursements by examination of the cancelled checks.

Loan payments during the year to Shelby Savings and Loan Association amounted to $1,042.07 for principal and $85.93 for interest. As of September 30, 1960 the outstanding balance of this loan was $862.66.

In our opinion the attached statement of receipts and disbursements presents fairly the transactions of the General Fund of the Kings Mountain Baptist Association for the year ended September 30, 1960.

Very truly yours,

HAMRICK AND REDDING

REPORT OF SOUTH MOUNTAIN BAPTIST CAMP

Our Region 8 camp director, Rev. T. A. Lineberger, reports a very successful season. There were 329 boys who attended R. A. Camp and 417 girls who attended G. A. Camp. 633 attended other types of meetings during the summer which made a total of 1,379 participating in a meeting of some kind during the camping season. In addition to these,

there were hundreds who came to visit the camp and were in one or more of the services. 650 made some type of decision for Christ, including 58 professions of faith, 364 were star campers and 186 were honor campers.

Activity at the Camp included Ranking Study for the R. A.'s, Forward Steps for the G. A.'s, Mission Study, Worship and recreation. Each activity was well supervised.

The food, much of which was donated, was delicious and abundant. Although the first servings were ample, many of the campers returned for "seconds," which were gladly served as long as the food lasted. The concession stand was only opened for a brief period morning, afternoon and night.

The camp was staffed with consecrated and efficient workers. Johnny Enloe, a ministerial student from Gastonia and Beulah Huffman, a teacher in the School for the Deaf at Morganton, served as assistants to the director. Each group furnished their own counselor which also gave direction and supervision to their group. The services of the camp were free to all counselors. The campers paid $6.00 for the four days. This amount included board, room, and a mission study book. Missionaries on furlough were used in the camp and they greatly enriched the programs.

Improvements at the camp during the past spring and summer included the building of one memorial cabin. Plans are under way to add two or three other buildings before camp opens next season. The lake has been improved and beautified. Four church cabins have been built in the residential area of the camp, High Peak and Mt. Hebron in the Catawba River Association, Tuckaseegee in the Gaston, and Waco, in the Kings Mountain.

With the persistence and patience of a few churches and a few individuals scattered over the ten associations, the camp has made real progress. With an indebtedness of only $4,000, the camp is set to do a magnficient job in the coming years. The progress that has been made with the limited co-operation given to it is evidence of the blessings of God upon it. Your committee hopes that more of the churches of this association will put something in their budgets or make special gifts to the camp this next year. The camp has been able to operate in the black for the past three years, but much remains to be done by way of improvements.

Respectfully submitted,

Burley S. Turner

THE AMERICAN BIBLE SOCIETY

The American Bible Society was organized in 1816. Its supreme concern is to get the Bible into the hands of those who do not have it and to do so in a manner to secure serious interest and a receptive mind. From its inception until 1957 the American Bible Society had

distributed over 500,000,000 copies of the Scriptures. Its average annual circulation for a recent ten-year period has been somewhat over 12,000,000 volumes.

Its principal processes are four:

1. TRANSLATION: The Society constantly aids translators by counsel, supervision and contributions towards expenses. Translation projects are going on almost continuously on every continent and the islands of the sea.

2. PUBLICATIONS: Long experience together with skillful and constant supervision results in the publication of readable, durable Scriptures at low cost. In a recent year printing orders reached almost 16 MILLION volumes of Gospels, Testaments and Bibles.

3. DISTRIBUTION: Through the Society's own staff and dedicated colporteurs, hundreds of thousands of Scriptures are distributed worldwide. Many more go out through Christian workers, missionaries, pastors and evangelists. Many thousands of copies of Scriptures are carefully given away without charge where conditions warrant. In addition numerous thousands are sold at subsidized prices low enough to be afforded by interested people. In America, English Gospels may be had for 3c, New Testaments for 15c, Bibles for 75c. In 125 years of service to the Blind, the Society has distributed over three-quarters of a million volumes of embossed Scriptures in more than 400 different languages and systems. Volumes that cost from $4.00 to $8.00 to produce are provided to the Blind at 25c each.

4. PROMOTION OF BIBLE USE: Because an unused Bible is of no value the Society considers that it must encourage the use of the Scriptures. It seeks to accomplish this through the annual World-wide Bible Reading Program, from Thanksgiving to Christmas, including the observance of Universal Bible Sunday.

Southern Baptist contributions to the work of the American Bible Society in the year of 1959 showed a decline from the past year. In 1958 Southern Baptist contributed $162,198.71. In 1959 we contributed $144,199.72. This is not good. Is it possible that we are not now as concerned about getting the Word of God into the hands of those who are yet in darkness?

The work of the American Bible Society must continue to expand:

Because the one hope for our fear-ridden, sin-sick world is the Gospel of Jesus Christ;

Because the great masses of people in the world do not have the Bible, do not even know of it;

Because, in present world conditions, the American Bible Society

must provide hundreds and hundreds of thousands of Bibles and Testaments needed by churches and people in the underprivileged areas of the world;

Because American Christians are better able to bear the costs of the needed expansion than any other people in the world.

Will we do it?

Respectfully submitted,

Jack D. Weaver

ORDINATION ADVISORY COMMITTEE REPORT

Only one request has come to your Ordination Advisory Committee for its services during 1959-1960. The record of this examination is as follows:

At the call of the Waco Baptist Church the Ordination Advisory Committee of the Kings Mountain Baptist Association met for the purpose of examining Brother Ondra Black for the Gospel Ministry. Brother Bomar L. Raines was chosen chairman of the presbytery and Brother W. V. Tarlton as secretary. After prayer by Brother Tarlton, Brother Burley S. Turner questioned him concerning his conversion and call to the ministry. He gave a good account that was most acceptable. Brother John Lawrence questioned him concerning his doctrinal belief, our church government and policy, baptism, the final perseverance of the saints, the Bible, and sanctification. He passed a fine examination.

The council gladly recommended to the Waco Baptist Church that they proceed with the ordination.

Respectfully submitted by your committee,

E. S. Elliott, W. P. Hall, Jr., John Lawrence,

W. V. Tarlton, and B. L. Raines, Chairman

MINISTERS' WIVES AUXILIARY REPORT

The Ministers' Wives Auxiliary is happy to make a report of another successful year of activities.

The motto: "Take heed to the ministry which thou hast received in the Lord, that thou fulfill it" (Col. 4:17), and the theme: "So that you surely learn to sense what is vital, and approve and prize what is excellent and of real value" (Phil. 1:10a Amplified New Testament), set a high standard for our meetings.

Qualified persons were secured for monthly programs to help the ministers' wives learn to approve what is excellent and of real value in such things as:

Helpful Hobbies
Classical Music
Dress
Personal Relationships

Two meetings which are always high lights of the year are the family picnic and the Christmas party, at which the husbands are guests.

We have 32 members with an average attendance for the year of 25.

Officers for the new year are:

President ---------- Mrs. Marion DuBose
First Vice President ---------- Mrs. A. B. Wood
Second Vice President ---------- Mrs. B. L. Kincaid

REPORT OF THE MISSIONS COUNCIL

The Missions Council met four times during the year. In the organizational meeting the following officers were elected:

Chairman—Max Linnens

Vice Chairman—Charles Rabon (replaced by Ernest Arnold when

Mr. Rabon left the Association)

Secretary—Mrs. L. P. Williams

Chairman, Finance and Administration Committee—A. L. Calton

Chairman, Missionary Planning Committee—W. C. Hill

Chairman, Institutional and Inter-racial Committee—Carlos Young

Some of the activities during the year are as follows:

1. The Institutional and Inter-racial Committee has provided for services in the Cleveland County jail each Sunday.

2. The Missionary Planning Committee has made a survey of the West Shelby area to see if there is sufficient interest for the beginning of a new church.

3. This same committee was in charge of plans for the special gift to the W. T. Robersons on their leaving for Vietnam.

4. An Associational program of Juvenile Rehabilitation has been started with Dr. A. B. Wood as Director.

5. One of our churches is now conducting sign language classes with the idea of beginning a Sunday School class for the county's silent people.

> "He is to have two weeks vacation each year. He is allowed two revival meetings outside the Association each year. He is to have no more than three weeks, not counting revivals, outside the Association in Study Courses, Schools of Missions, and similar work. If he is called on to supply for the pastor while he is away for revival, vacation, or similar matters, or for any work done, and he receives any gifts or remuneration he is to retain same."

Other matters have been considered but these are the main ones.

Respectfully submitted,

Max Linnens, Chairman

REPORT OF ASSOCIATIONAL MISSIONARY

This first year has flown by on busy wings. When I accepted this work November 1, 1959, I suggested to the Association a sort of "platform" which would serve to guide me. Let's look again at the planks in that platform and see how well we have lived up to our campaign promises!

1. I expressed to my predecessor, T. W. Bray, my appreciation for his good work. That appreciation has grown even greater in this year. His wise counsel, his rich fellowship, and his untiring interest in the Lord's work have been of immeasurable worth to me.

2. I would attempt to be a pastor for the Pastors. Most of them I have visited at least once. (Some were not at home). Many of them have been into my office or have met me in other places and have shared with me many of their problems and concerns. I have tried to encourage the churches to support their pastors well and hold up their hands in the great work to which God has called them.

3. I would like to be in your churches. I have participated in some kind of service in 48 of our 68 churches. It is my hope that the other 20 will invite me to come soon!

4. I would emphasize teaching and training. We have arranged training schools for all our Associational officers in the Sunday School, Training Union, and Brotherhood. We have worked for Training Schools in the Groups and in the churches. I have tried to practice what I preached by teaching 6 study courses of one week each, 5 mission studies, and have earned 22 awards in class and at home.

5. I would seek to provide a resource center at the office. We have six display racks featuring all kinds of pamphlets and free helps in just about every phase of our Baptist work. Come by to see it and use it.

6. I would start an Associational bulletin. The "Beacon" is now going out twice a month to 600 leaders in our churches.

7. I would try to give my best. None of us, I suppose, could ever say that he had done his best, but I have tried—almost day and night. Statistics are cold and don't mean much but here are some that may indicate that there has been activity whether there has been achievement or not. I've averaged speaking every other day; I've averaged a meeting every day; have had more than 500 personal conferences; made more than 90 visits to homes and hospitals in times of illness or death; and have spent endless hours in planning and promoting our work. I've driven my car 27,000 miles in serving you and the Lord.

It has been a year of joyous serving in a work that grows more challenging every day - and bigger, too! As I said a year ago, "I need your love, your mercy, your prayers, and your understanding." Continue to give them to me and in faith we can move on to greater things for our Master.

Respectfully submitted,

C. O. Greene

REPORT ON PUBLIC MORALS AND CIVIC RIGHTEOUSNESS

President Eisenhower was quoted in a speech as saying, "The need of our nation is spiritual." General MacArthur said, "The great need of our Country is theological." A minister would have said, "The need of our day is for revival." Surely everyone recognizes that there is a moral decline in our nation that is of major proportions.

Here are some of the facts that jolt the eternal optimists who are sure things are getting better every day in every way. Th nation now has 193,467 bartenders and only 167,471 ministers. We have more bar maids than college girls. We have 7,000,000 alcoholics and 15,000,000 heavy drinkers; while over 70% of our population drink to some extent. Three times as much money is spent for alcoholic beverages as for all religious and philanthropic purposes. Chester Swor, speaking before the Southern Baptist Convention in Miami, startled the Convention with the information that 60,000 high school girls would be forced to quit school this year to bear illegitimate children. When you add to this the number of boys involved and the number who go undetected it's enough to cause deep concern. There were 37,800 deaths last year in automobile accidents, with 1,400,000 injured. Perhaps 50% of these wrecks were caused by drinking drivers.

Christian people were jolted by two events in Cleveland County during the past year. The first being the raid of a large number of clubs and organizations by the Sheriff's Department last spring. Gambling devices and illegal liquor were found in nearly every instance. Much unfavorable publicity was focused on our County. Then just a short time ago the operators of the Cleveland County Fair announced the operation of the Fair on Sunday. These things happened in our County where 95% of our

people belong to some Church and where over 20,000 belong to Baptist Churches and Sunday Schools.

There is much evidence that our County may be faced in the near future with a vote on the sale of legal liquor. There is continuing pressure everywhere to relax the "Blue Laws" and make Sunday a day of commercialized entertainment.

The increasing participation of church people in the water sports on the Lord's Day continues to weaken our Churches and strangle spirituality of many people. Lakes and streams are filled with "Baptist Boaters," while the Church goes along at half strength.

Is there an answer to our moral decline? Jesus tells us: "Make the tree good and the fruit will be good" (Matt. 12:33). It is a conviction that many hold that we need to stress a regenerate church membership. Many believe that the greatest field of evangelism today lies within the Church. The responsibility for new convictions rests heavily upon the minister and his pulpit ministry. God's Watchmen must be faithful to sound the warning. The Sunday School teacher and lay leaders, too, must teach and live the truth without compromise. There must be a call to repentance and a return to God. In these perilous times the Church must rise to meet the challenge—praying, preaching, and above all, living our faith.

MINISTER'S ANNUITY, SECURITY PLANS

We have experienced a great awakening in the churches of our Convention in regard to the Minister's Annuity, and Security plans. These plans are designed that each church with the pastor works together in providing something for the pastor's retirement.

The Relief and Annuity Board of the Southern Baptist Convention co-operating with the State Convention has worked out these plans to provide annuities for ministers and church employees when they reach retirement age, 65, or disability annuity if such disability occurs at any time prior to the age, 65, and also to provide an annuity for the widow in event of the death of the member before reaching the age of 65.

In our state the plan calls for the pastor to contribute 5% of his salary. Then the church puts into the plan 5% and the Convention adds 5%. The maximum salary on which one can pay is $4,000.00. This is a protection plan for retired and disabled ministers and church employees. The objective of the plans is to provide income for ministers and church employees, who must retire because of old age or disability, or for their loved ones if they die either in active service or after retirement.

Ministers of our Association who are not participating in this plan need to investigate it immediately.

Respectfully submitted,
Bryan M. Putnam

REPORT ON OUR DECEASED

"Let us not think of our departed dead
As caught and cumbered in graves of earth;
But think of death as of another birth,
As a new freedom for the wings outspread,

A new adventure waiting on ahead,
As a new joy of more ethereal mirth,
As a new world with friends of nobler worth,
Where all may taste a more immortal bread."

We stand on the threshold of a new year in our Association, as we glance backward we see many vacant places in our homes and in our churches. God has called many of his servants home. I borrow words from the Poet to say:

"There is no death! The stars go down.
To rise upon some other shore,
And bright in Heavens jeweled crown
They shine forever more.

There is no death! The dust we tread
Shall change beneath the summer showers
To golden grain, or mellow fruit,
Or rainbow-tinted flowers.

There is no death! An angel form
Walks o'er the earth, with silent tread;
He bears our best loved ones away,
And then we call them "dead".

Born unto that undying life,
They leave us but to come again;
With joy we welcome them—the same
Except without sin and pain.
And ever near us, though unseen,
The dear immortal spirits tread;
For all the boundless universe is life—
There are no "dead."

"Oh breather into man of breath!
Oh holder of the keys of death
Oh giver of the life within
Save us from death, the death of sin;
That body, soul, and spirit be
Forever living unto thee."

Respectfully submitted,
Mrs. E. G. Spurling

There are four mission Sunday Schools operated by the following churches: Cleveland County Home, sponsored by Shelby First Baptist Church; Turner's Convalescent Home, sponsored by Ross Grove Baptist Church; South Morgan Street Mission, sponsored by Shelby Calvary Baptist Church; Kings Mountain Hospital, sponsored by Kings Mountain Baptist Church.

The Kings Mountain Baptist Church was organized December 1958, therefore these Missions Sunday Schools and this church would come under the 30,000 Movement.

REPORT OF COMMITTEE TO CONSIDER REVISION OF CONSTITUTION

After considerable thought and discussion we bring the following recommendations:

Page 32, COMMITTEES AND THEIR DUTIES, Article 12: "The committees of the Association shall be divided into three categories, and shall be composed of members from our churches." We recommend that the word "three" be changed to "four".

Page 33, Section C, COMMITTEE ON COMMITTEES, Arabic numeral 2 be changed to read as follows: (Changes indicated by underlining)

"A Committee on Nominations, consisting of five members, the duty of which shall be to nominate, **with the help of the Nominating Committee of these various organizations,** all officers of the Association except those listed in Article 7. Those to be nominated shall include general officers of the following organizations: Baptist Training Union, Sunday School, Brotherhood, **Music Organization,** and members of the Missions Council."

We recommend further that the Committee on Nominations rather than the Committee on Committees nominate the Ordination Advisory and the Evangelism Committees. Arabic numerals 5 and 6 would then become a part of Arabic numeral 2 and the following would be added:

"This Committee shall also nominate an Ordination Advisory Committee, consisting of five members, the duty of which shall be to examine all candidates for ordination who shall be referred to it by churches of the Association. Upon concluding such examination, this Committee shall notify the church requesting the examination as to the results thereof and shall make a full report concerning the same at the next meeting of the General Board."

"It shall also nominate the Committee of Evangelism, consisting of five members, the duty of which shall be to devise plans whereby evangelism will be promoted throughout the churches of the Association."

"Nominations by this Committee shall not preclude nominations from the floor."

This change will mean that Arabic numerals 5 and 6 will be deleted and will become a part of Arabic numeral 2, and Arabic numeral 7 will then become Arabic numeral 5.

This will also mean that the following statement which now appears following Arabic numeral 8 will be moved to follow Arabic numeral 5.

"The Chairman of each of these Committees, with the exception of the Committee on Order of Business, will be designated by the Committee on Committees."

Page 33, that Arabic numeral 8 become Section "D" to read just as it is now except to add these words, "and Music Director."

Page 34, that Section D become Section E.

Page 34, under GENERAL BOARD, Article 14: At the end of this paragraph add these words: "The General Board shall act for the Association between sessions except as specifically limited by the Constitution."

That in the following instances the word "member" be substituted for the word "messenger." Under Section B, Arabic numeral 1, a, b. Under Section C. Arabic numerals 1, 2, 3, 4, 5 (formerly 7).

Page 34, General Board, Article 14: That the word "quarterly" be substituted for "monthly" with this addition "or when called by the moderator."

These changes were ordered by vote of the Association.

Respectfully submitted,

W. V. Tarlton

IN MEMORIAM

Rev. Phil Lovin Elliott

A Tribute Of Dedication To Dr. Philip Lovin Elliott

"He that can apprehend and consider vice with all her baits and seeming pleasures, and yet abstain, and yet distinguish, and yet prefer that which is truly better, he is the true wayfaring Christian."

—John Milton
"Areopagitica"

"In 1943 a teacher came down from the mountains of Western Carolina to be president of Gardner-Webb College. He possessed the tenacious spirit of true mountain folk which refuses to know when it is whipped. He was possessed by a dream . . . a dream of fellowship of learning where young minds could be stretched and young souls fired in an atmosphere of greatness. A man who wouldn't quit came to the little school that had refused to die. He has seen much of his dream come true. The school of three buildings and 70 students has grown to 24 buildings, 1,100 acres of land and some 650 students. But his deeper mark has been made in the lives of the faculty and church members among whom he lived, and in the minds and hearts of the students which were touched by his spirit. . . ."

Thus wrote the Rev. T. Max Linnens in the Boiling Springs Baptist Church program April 9, 1961, five days before Dr. Elliott's death.

Ironically, too, Dr. Elliott had made his farewell remarks to his faculty at their monthly meeting April 4, 1961.

"To me, these have been glorious years," he said. "We haven't done all we've dreamed, as I come to the end of the official journey. . . ."

In conclusion, "It is my hope that this institution, under God, with your dedication, scholarship, and devotion, will be dedicated to the production of human beings that shall be of value and have integrity."

A native of Wayside, N. C., Dr. Elliott was the son of the late Isaac Bartley Elliott and Rachel Diana Jenkins Elliott. He graduated from Mars Hill College, received the A. B. degree from Wake Forest College, and the M. A. from the University of North Carolina. He did further graduate work at Johns Hopkins University and at Duke University. Carson-Newman College awarded him the honorary Ed.D. degree in 1954, Wake Forest the honorary LL.D. in 1959.

He was ordained a Baptist minister in 1915 and served as pastor of a number of churches.

Dr. Elliott came to the Gardner-Webb presidency from Western Carolina College, where he was head of the English department. He had previously held the same position, along with the deanship and the vice-presidency, at different times, at Mars Hill College.

He was a master teacher, a beloved personality. Students loved him for his wit, his wisdom, and his integrity of character.

Dr. Elliott was married to the former Etta Carringer and they had four children—three daughters, Ruth Eleanor (Mrs. Taylor Oakes), Roanoke Rapids; Diana Jayne (Mrs. Ed Grady), Chapel Hill; Rachel (Mrs. Geoffrey Churchill), Chapel Hill; and one son, Phil Jr., Athens, Ga.

We of the Kings Mountain Baptist Association pay tribute to the memory of the beloved Philip Lovin Elliott and salute a life that was truly exemplary of the wayfaring Christian. We especially recognize his contributions to Gardner-Webb College and the larger College community of Boiling Springs.

"His biggest dream was the college that he helped to construct, to mold, to lead, to inspire," wrote a journalist. "And all the little dreams took their places within this big dream for the little college whose leadership he took in hand eighteen years ago. Into this college he poured his strengths, his abilities, his imagination—indeed his life these eighteen years."

ZOAR BAPTIST CHURCH

ACCORDING to J. R. Logan in his book, SKETCHES OF BROAD RIVER AND KINGS MOUNTAIN BAPTIST ASSOCIATIONS, Zoar Baptist Church work was started in 1837 by Elder James M. Thomas of the Moriah Association. He preached several times at a stand near where the present Zoar Church house now stands with apparent success. Several neighbors met and decided to build a building. They resolved to ask Old Buffalo Church to extend an arm to receive those making profession of faith for baptism and membership. The Buffalo church did as requested. On the seventh of September 1838 a presbytery or council was called. The Zoar Baptist Church was constituted. There were twenty-five people that composed the membership of the new church.

Twelve years later, 1850, Zoar extended an arm of help to the Pleasant Hill community to aid in the establishment of a church there on February 7, 1851.

When the Kings Mountain Baptist Association was constituted at Double Springs church, November 7, 1851, Zoar came from membership of the Broad River to become charter members in the Kings Mountain Association.

In 1865 the Kings Mountain Baptist Association met in the fifteenth session at Zoar Baptist Church. This session was held the last years of the Civil War.

The fifty-fourth session of the Association met at Zoar church on September 22, 1904, for four days. At this session a board of fifteen Trustees for a Denominational High School (Boiling Springs High School) was appointed with power to act, to raise funds, to accept property, to build, and employ teachers.

This year, 1961, the one hundred eleventh session of the Kings Mountain Baptist Association was held at Zoar Baptist Church. The present pastor is the Reverend L. M. Tenery.

REV. L. M. TENERY

The Zoar Baptist Church extended a call to L. M. Tenery to become Pastor of the Church January 31, 1954. He assumed his duties as Pastor on February 7, 1954. A ground breaking service for a new auditorium and educational building was held in August of the same year. He has led the Church to accomplish a worthy record in Training Union study courses and awards.

1. A Committee on Committees, consisting of five messengers, appointed as prescribed in Article 8. It shall be the duty of this committee to appoint the following committees which shall report at the annual meeting at which appointed.

    a. Committee on Place and Preacher, consisting of three members, the duty of which shall be to recommend to the Association churches at which the next session shall meet and preachers that will preach at the next session. This committee shall serve from appointment until a new committee is appointed at the ensuing annual association meeting, and, in the event of a church having to rescind its invitation or a preacher's being unable to deliver a designated sermon due to sickness, death, or other providential circumstances, or his removal from a church in the Association, will make provision for such substitution as may be necessary subject to the approval of the General Board.

    b. A Committee on Resolutions, consisting of three members, the duty of which shall be to draw up and present to the Association suitable resolutions of appreciation and expression on sentiments on any matter chosen by the committee or referred to by the Association. This committee shall serve from appointment until a new committee is appointed at the ensuing associational meeting.

SECTION C. The Committee on Committees will appoint the following committees which will serve throughout the year and which shall report at the next annual session of the Association.

1. A committee on Order of Business, which shall consist of five members including the Vice-Moderator who shall be chairman. It

Those to be nominated shall include general officers of the following organizations: Baptist Training Union, Sunday School, Brotherhood, Music Organization, and members of the Missions Council.

   This committee shall also make recommendations to the General Board of the Association for members of the General Board of North Carolina Baptist State Convention when vacancies occur. CONFESSIONS OF FAITH

1. We believe the Scripture of the Old and New Testament to be a divinely inspired revelation from God.

2. We accept the New Testament alone as revealing the only plan of salvation and as the final authority in all matters of church policy and practice.

3. We believe Jesus Christ as revealed in the New Testament to be the Son of God and the divine Saviour of all who truly accept Him as such.

4. We believe in the personality of the Holy Spirit, and in His abiding presence with the spirit of all the elect of God, in His quickening presence with the spirit of the unregenerate moving to repentance and faith, in His witnessing presence with the spirit of the regenerate, in His comforting and guidance throughout life, in His sustaining presence in the experience of death, and in His continuing presence in the life to come.

5. We believe salvation is attained through spiritual regeneration in the act of repentance and acceptance of Jesus as Saviour.

6. Sincere spiritual redemption was made available by the death, burial and resurrection of Jesus, we believe that every regenerate person should symbolize his own salvation by being buried with Him in baptism.

7. We believe that a local church modeled after the New Testament order is a company of regenerate persons voluntarily joined together for the purpose of extending God's Kingdom on earth.

8. We believe that each church should from time to time, as a congregation, celebrate the Lord's Supper as a memorial to Him.

9. We believe in the ultimate triumph of God's Kingdom over all opposing powers, and that every regenerate soul shall have a share in that triumph.

REPORT ON COOPERATIVE PROGRAM

Our world has never, since its creation, been so detached from God and attached to secularism as it is today. This is reflected in our every endeavor on the local, state, national and world-wide levels. God's creatures are groping in darkness trying desperately to find the truth, the way and the light.

As we are assembled here this morning, in our one-hundred-eleventh annual session, the world about us is being torn asunder by the Communist ideology. The world today needs as its weapon an ideology that has the positive rebuttal to this cancerous marxists evangelism. The answer, as we all know is Christianity with our association theme as our marching orders:

. . . . . "We are labourers together with God . . . .."

Never has our world been one as it is today. The decisions of the White House, 10 Downing Street, the Kremlin affect the very foundations of our local church and home life—our very core of stability and morality. Never before has our community and our world needed a cooperative spirit. Never has our community, nation and world needed inner security and guidance from God our Father than it does today. Never, in the history of Christianity an mankind, have we needed the cause of Christ so affirmately spoken and lived. Never before has the church been so challenged by society as it is today, to give it stability and security. We, as members of the body of Christ, cannot ignore this challenge and call or, alas, the judgment of God will be extremely severe. We are His tools of which the greatest is expected.

To be "Labourers together with God" we must be good stewards, first. We must show this neurotic, anxious world that we obtain our peace, joy, faith, hope, love and long suffering from the one who created us—God. We must understand and live by our trust agreement (covenant) with our Father We must be spontaneous stewards in our whole life. We must live so, under humility, that all will know that we do have the answer for our community, state, nation and world.

Our denomination has, many years ago, given us an opportunity to express our covenant agreement through the Cooperative Program. This community, your community and mine, needs to see vividly Christianity in action. They want you to show them, in positive terms, where your heart is. If our hearts are in tune with God's desires, then our Cooperative Program will exceed all expectations.

The Cooperative Program is scriptual. The work supported by the Program may be classified under three heads: Missions, teaching, and benevolence. Missions is preaching the gospel at home and abroad. According to the command of Christ (Acts 1:8), this gospel is to be preached in all the world. The teaching of the doctrines and principles of Christianity and the will of Christ expressed in his commandments is enjoined in the New Testament. The benevolent work of the denomination refers

to the work done in order to secure the happiness and well-being of the needy. This includes children's homes, hospitals and ministerial relief.

The Cooperative Program is scriptual in its objectives and methods. The plan is, of course, through co-operation of individuals and churches. Paul gave a fine example of co-operative efforts. He had urged the churches in different sections to make contributions for the poor at Jerusalem, and the method for raising money was according to his instruction to the church in Corinth: "upon the first day of the week let every one of you lay by him in store, as God hath prospered him that there be no gatherings when I come." (I Corinthians 16:2) The appeal of Paul and the Cooperative Program is to individuals.

I challenge each of you gathered here this morning to show the world that we, as Christians, are serious about our cause, winning over the cause of Communism. Each individual that is serious about their "high calling" should increase their cooperative gifts so that we can earnestly fight for our cause to win.

Through giving to the Cooperative Program each individual shows in acts that he is a "labourer together with God." May each of us go from this meeting determined to increase our giving for His work and cause.

"'LABOURERS TOGETHER WITH GOD' IN STATE MISSIONS"

Jesus said to His disciples, "ye shall be witness unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth." For we Baptists of North Carolina, our beloved state is the Judea spoken of in the command of Jesus.

North Carolina is a "coming" state. By 1980 the population is expected to increase by 1,700,000, an increase of approximately 37% over our present population of 4,600,000. At present 25% of the white population of North Carolina holds membership in Baptist churches. By 1980 that proportion is expected to rise to 29%. There are, and we hope and pray will continue to be, more Baptist per square mile in North Carolina than in any comparable area of the world. This is glorious, and for it we humbly say, "To God be the glory: great things He has done."

Yet, there are areas of **need.** There are 2,100,000 people above the age of eight who are affiliated with some church. But it is estimated that 25% of the affiliated church members are unsaved. There are about 2,000,000 people above the age of eight who are unchurched. This means that more than 60% of the people of North Carolina are lost. North Carolina, therefore, is not half Christian.

Since 60% of the people of North Carolina are lost, they need the **SAVIOUR.** To this end State Missions provide a Department of Evan-

gelism which seeks to inspire pastors and churches to evangelize their communities.

Not only must we win the lost, but Baptists need to be **taught** and **trained.** To this purpose many significant phases of our State Mission work are promoted through the Sunday School, Training Union, Brotherhood and R.A.'s, Church Development and Church Music Departments.

A more highly developed and intelligent congregation demands a **better trained pastor.** Through State Missions we support our schools of higher learning. In the August 26th issue of the "Biblical Recorder" we read that 44.6% of the present pastors in our state have not gone beyond high school. God is still, as in the past, calling men of limited education. These men know they need training, but for financial or educational reasons find it impossible to go to college or seminary. To meet this need State Missions supports Fruitland Baptist Bible Institute. This past year 160 men received better training at Fruitland. But by June 15 of this year, the one dormitory was almost filled for the coming year. To enroll more men we need more space, more buildings, better equipment and a larger faculty. We can do this through State Missions.

There are other ministries of State Missions. For example: financial help for pastoral aid and church sites, Christian Action League which is endeavoring to produce a sober and sane citizenship, work with the silent people, Caswell Assembly and Fruitland Camp, summer student work, Separation of Church and State, Seminary Extension Centers and Associational Missions.

It is impossible for each of us to be of service personally in these many necessary and varied ministries. But through State Missions we can and are "Co-Labourers together with God" in North Carolina.

HOME MISSIONS

For one hundred and fifteen years now the Home Mission Board has "steered its way with a steady and unswerving purpose—to seek the lost and aid in the advancement of the kingdom of God." Its program centers in evangelism and enlistment. Its object is to see people saved and to enlist them in the work of the church. Hence the extended program of evangelism and the constantly increasing number of churches.

To help reach its goal the board is now organized into five divisions: Chaplaincy, Evangelism, Missions, Church Loans, and Education and Promotion. Each division is organized into departments of work with competent personnel directing each department.

For example, one department in the division of Missions is that of

work with National Baptists (Negroes). In this department there are 8 state directors, 31 teacher-missionaries, 17 directors of centers, 4 regional missionaries, 2 children's workers, and 3 special workers in BSU, extension, and evangelism. This work is done primarily in colleges and universities in 47 cities and 26 Negro Baptist Schools. For this work the board spent last year $226,903.77. Results of this work with Negroes last year included 5,008 professions of faith with 3,152 additions to churches, 72,190 enrolled in VBS, 6,338 enrolled in college classes with 2,417 of these being ministerial students, also 435 institutes and classes held with an enrolment of 32,221. Yes, Southern Baptists are working effectively with Negroes.

Similar work and results are reported among the Indians, Mexicans, Cubans, Chinese, Japanese, and various other language groups in the USA and surrounding territory.

A summary report for all departments of the Home Mission Board for 1960 includes: number of workers 2,560, professions of faith 51,463, church additions 41,388, new missions started 694, new churches constituted 389, and in addition 615 chaplains reported 14,053 professions of faith.

Total expenditures of the board in 1960 amounted to $6,289,061.58. This left a balance at the end of the year of $157,837.30.

These sample figures indicate something of the enormity of the work of the Home Mission Board. Southern Baptists may well rejoice in the blessings of God on their efforts and press on to greater things in the future.

J. T. Gillespie

FOREIGN MISSIONS

The Foreign Mission Board of the Southern Baptist Convention now has 1,500 missionaries under appointment. The objective of the Foreign Mission Board is to have under appointment by the close of 1964 a minimum of 2,000 missionaries. The objective for 1961 is to appoint 160 additional missionaries.

The appointment of an enlarging missionary staff automatically calls for expanding the operating budget. With the appointment of 160 new missionaries in 1961 the operating budget for 1962 will need to be increased by $700,000.00 and necessary increases for the programs of work will call for an additional $400,000.00. The Cooperative Program will furnish 7¼ million dollars to the board for operations this year, more than half of the operating funds for all its agencies. In addition it will supply $800,000.00 for capital expansion in foreign missions. Thus, foreign missions receives over 8 million dollars from a total budget of 18½ million dollars. The last Lottie Moon Christmas Offering brought in $8.2 million.

New countries are opening to service at this time—Pakistan, Vietnam, Guam, and Okinawa in the Orient; Portugal in Europe and Liberia, Nyasaland in Northern Rhodesia in Africa—bringing to a total of fifty countries now being ministered to by our Foreign Mission Board.

The program of work our missionaries engage in is as follows:

1. Evangelism and Church Development.
2. Schools, Kindergartens, Colleges and Seminaries. There are over 1,000 schools with over 150,000 students.
3. Medical work: hospitals, clinics, ministering to more than 260,000 patients each year.
4. Publications work in which approximately 15 million pieces of printed material is published each year in many languages.

The Foreign Mission Program of our Southern Baptist Convention is big business. Big in that it teaches and changes the lives of people, big in the scope of the work in that it covers fifty countries, big in the terms of dollars and cents in that it cost some $18 million a year to operate, big in the rewards that it pays in obedience to Christ. You and I cannot give the millions nor even the thousands of dollars, perhaps, but as one of 9 million Baptists we can share in this tremendous project. It cost approximately $37.37 to operate our Foreign Mission Program for one minute. Perhaps at Christmas time you and your family may be able to pay the cost of one or two or perhaps five minutes and all of us together can keep our work moving and expanding.

WOMAN'S MISSIONARY UNION

I was delighted when I received my program and noted the theme of this meeting would be "Labourers Together with God" (I Cor. 3:9). This has been the permanent watchword of Woman's Missionary Union since its organization on May 11, 1888 in Richmond, Virginia. This great organization did not come into being without opposition. The status of women in the Southern Baptist Convention had been evidenced by the action taken in 1885. Arkansas had sent two women as accredited messengers. This caused the Convention to amend the constitution by striking out the word "members" and substituting the word "brethren." Refusing to be discouraged by opposition and realizing the growing need for service, pioneer women continued to work and plan. Their dream was realized three years later in the organization of Woman's Missionary Union Auxiliary to the Southern Baptist Convention. Their desire was to be just what the word "auxiliary" means—a helper to the Convention—to undergird and promote the missionary plans of Southern Baptist.

Jesus looked with favor toward women. He regarded every person, regardless of sex or color, as an immortal soul. He recognized the unselfish spirit of woman. When the poor widow dropped all her money into the treasury he said, "She gave all that she had." Thus uttering, perhaps, the highest tribute ever paid one for a generous act. **Giving** can be a part of every woman's share in carrying out the great commission.

Moreover, he recognized the intelligence of woman. He never discredited practical necessities, but he told Martha that her Sister, Mary, had chosen that good part which should not be taken from her. He appreciated Mary's capacity and hunger for proper food for the mind and soul. Women everywhere can continue to learn.

Furthermore, Jesus appreciated the graciousness of woman. He established an everlasting memorial to her who broke the costly box of ointment in his honor. The world is full of the practical, the commonplace, the ordinary. But the aroma of Mary's gracious sentiment is felt throughout the world wherever the gospel is preached. It was no great service but Dr. Herrick Johnson said, "It is the best example of loving service recorded in the Bible."

Finally, Jesus recognized woman's spiritual worth It was to the woman at the well that he said, "God is spirit, and they that worship him must worship him in spirit and in truth." No woman who knew Jesus ever said an unkind word about him.

No more heart-felt prayer is recorded in all the Bible than that uttered by a woman. It was a Mother's prayer for a daughter possessed with a devil. All women can unite in earnest prayer.

Our emphasis for the past year has been on sharing possessions. We have studied, observed weeks of prayer, given offerings, and tried in every way possible to secure the earnest, systematic cooperation of women and children in promoting missions. This is the very life's blood of our organization. It has been our joy to organize two new W. M. S., three Y. W. A.'s, two G. A.'s and two Sunbeam units. Associational camps were held for our G. A.'s and Sunbeams.

In keeping with the Third Jubilee Advance goals, emphasis for the coming year will be church extension. Pray that our growth may continue.

Thomas Jefferson said, "I like the dream of the future better than the history of the past." What has been done through Woman's Missionary Union for the glory of God will be steadfast as the stars. The challenging past was never more inviting than the compelling present. Today we stand on the shoulders of a noble heritage. We can see the fruits of the labors of other years, as we walk into the future with confidence and purpose.

REPORT ON EVANGELISM—1961

"Labourers Together With God in Evangelism"

In a recent publication of "Christianity Today," (September 11, 1961), there appeared an article entitled: "Has Evangelism Become Offbeat?" We know it hasn't in our Baptist churches. Yet, one cannot help but wonder if we are headed in that direction.

A study of the "Digest of Church Letters" prepared by our Clerk from our 1961 Church letters shows a decrease in 14 of the 30 areas mentioned. We show decreases in very important areas of our church life such as: Baptisms, Sunday School Enrollment, Training Union Enrollment, and our gifts for World Missions through our Cooperative Program.

We accept people into our churches by baptism, so isn't it reasonable to assume that if we do not baptize and get our people enrolled in Sunday School to teach them God's Word and enrolled in Training Union to train themselves and to be trained to use themselves and their possessions for the spread of the Gospel throughout the world we are not carrying out a good program of evangelism.

I think some of the decreases can be explained as a result of our tremendous change in pastors in the last two or three years. This being true, it would serve to point out a grave weakness in our existing program of evangelism which goes much further than just getting people into the church. Evangelism covers one's life from the experience of receiving salvation, all the way through life even to the very gates of Heaven.

Richard L. Manning, in an article in "Christianity Today," says "By evangelism we mean that contagious enthusiasm to present Jesus Christ that, by the power of the Holy Spirit, men may accept Christ as their Saviour from the guilt and power of sin, may come to know, love, and trust God through him, may grow in grace and in the knowledge of Jesus

Christ, and serve and follow him as Lord in the fellowship of the Church, in the world-wide redemptive work of his Kingdom, and in the vocations of the common life. This task is in no way limited to ministers or theologians, but must be the leavening force in all local congregations and among all persons who are committed to Jesus Christ. This is evangelism."

The years of greatest growth and increases have been when our churches were working together simultaniously in revival meetings and otherwise serving the Lord. It is my prayer that we will work together with our new committee on evangelism for the advancement of God's Kingdom everywhere.

Respectfully submitted,

Fred C. Crisp

HISTORIAN'S REPORT

In the beginning there was no History. Since the beginning everything is History. We use history for information, instruction, precept and example. We find in it elements for reproof, correction and reconciliation, and fortunately, for inspiration and dedication.

Last year, after 110 years of history, this Association made a beginning. You appointed a Historical Commission and asked this body to do several things, namely:

1. Microfilm Associational minutes.
2. Seek appointment of Historians in all the churches.
3. Study ways and means to establish a repository or museum for records and other items which should be preserved.
4. Make preliminary plans for writing an associational history in the next four to five years.

We have completed the microfilming of all the Association's minutes from 1850 through 1959. They are contained in a little package no larger than a child's copy of the New Testament. All our recorded history is there for safe-keeping and for study. There are two copies. One for the association on a filmstrip with perforated tape which can be projected to a screen for an audience to see. The other was given to Gardner-Webb College library. It is on plain tape for use in a scanner where scholars and researchers can take more time to study the contents of each page.

Approximately 50 of the churches have appointed Historians. Some 30 of these were in a dinner meeting at Gardner-Webb College one night this week for a meal and a study conference.

Your Commission is still studying the possibilities for a museum or repository. It will require a fireproof building. In meantime we urge that all valuable church records be placed in a fireproof building or metal safe.

We urgently request that all the churches prepare and put in writing their histories in the next two years, in order that a full Associational history can be completed by the fall of 1965.

Respectfully submitted,

Dr. Wyan W. Washburn

CHRISTIAN EDUCATION REPORT

The term "Christian education" implies far more than this report attempts to cover. Actually, Christian education is carried on, or should

be carried on, in both the home and the church as well as in our Baptist colleges. This report limits itself to a consideration of the work and needs of the seven Baptist colleges in North Carolina which are supported through the Cooperative Program.

During the past twelve months, much attention has been focused upon our Baptist program of higher education in North Carolina. On May 4, 1961, at a special convention which met in Greensboro, a special Committee of 21 recommended that forty-five million dollars be raised, in addition to the regular amount to be received through the Cooperative Program, as a means of further support of our colleges. In lieu of the adoption of this recommendation, the special convention approved a Program of Advance for the next three years, 1962-64, through the Cooperative Program. In accordance with this Program of Advance, each church has been challenged to increase its gifts to the Cooperative Program thirty-five per cent over the amount received the preceding year. If such program were to succeed, our colleges would receive in the next three years more than eight million dollars for plant expansion and improvements, and in addition there would be one million dollars for new student centers on other than Baptist campuses.

Besides the Program of Advance adopted by our convention, each college has been urged to conduct special campaigns for the raising of funds. These campaigns are now being launched by almost all of our seven colleges.

The urgent need for additional funds is evident when one considers the fact that two of our seven colleges, Campbell and Mars Hill, are in the process of becoming senior colleges. Campbell College added the junior class at the beginning of the fall session of the current year. Mars Hill College will add its first junior class next fall. When an institution goes from junior college to senior college status, expenses increase tremendously. Furthermore, the ever increasing college population, brought about by the "coming of age" of the "war babies," is causing every one of our colleges to have a severe problem as far as adequate housing and teaching facilities are concerned. This situation will certainly worsen before it improves.

There are several things that Baptists of North Carolina can do for our schools:

1. We can pray for them. Certainly the administration and faculty of each college are charged with tremendous responsibility as we commit unto them our young people. They need our prayers.

2. We can support the Cooperative Program in our churches, encouraging the church of which we are a part to increase its gifts through this means substantially.

3. We can promote and support Christian Education Day in our churches on the third Sunday in June.

4. We can encourage the students of our churches to attend our Baptist colleges.

Another matter concerning which we should be informed is the calling of a new executive secretary of the Council on Christian Education. Mr. Claude F. Gaddy had served commendably in this capacity for the past fifteen years, but on July 31, 1961, retired from this position. Succeeding him is the Reverend A. Harold Cole, who has served as director of our Department of Baptist Student Work in North Carolina for the past four years. Mr. Cole is well prepared to assume the position to which he has been called. We should pray for him, for his responsibilities are great.

Our colleges are attempting to do a task that is distinctively Christian. They merit our prayers and our best support. Surely we, of the Kings Mountain Association, having before us the excellent service in Christian education being rendered by Gardner-Webb College as an example of that which is being accomplished in all of our colleges, will want to increase the amount of money as well as the moral support that we are giving, as individuals and as churches, to these tremendously important and influential agencies of our convention.

GARDNER-WEBB COLLEGE

Mrs. Rush Stroup, Chairwoman, Board of Trustees
E. Eugene Poston, President

As Gardner-Webb College opens for her 55th year of the quest for truth we are deeply grateful for all of those who have contributed to the support of Baptist Christian Higher Education. We are happy to be a member of the family of Baptist Colleges in North Carolina and the Southern Baptist Convention.

This past year has brought many changes. The sudden death of Dr. P. L. Elliott came as a great shock. However, the faculty, the staff, and the students have supported the new administration in a marvelous manner. There is a deep spirit of dedication among all to higher standards in the spiritual, academic, and social phases of Gardner-Webb College.

At the present time we are completing our self-study for the Southern Association of Colleges and Secondary Schools. The Visiting Committee from the Association will be on our campus October 15-18, 1961. We believe Gardner-Webb will receive a favorable report from the Committee.

Eight new faculty and staff members have been added to our college family this year, two of these with earned doctor's degrees in their respective fields. For the first time a course in Mechanical Drawing has been added to our curriculum. This was made possible because of the completion of a new science building, fully equipped to meet the needs of 20th century scientific advance.

Gardner-Webb opened the fall term of 1961 with a total of 598 students. These students represent 49 counties in North Carolina, 11 states, and one foreign country. There are 331 boarding students, and 265 commuting students. We could have used to great advantage a new dormitory since we had a total of 852 applicants; 73 per cent of our students are Baptist. Our trustees are now in a campaign to raise additional funds for our debt reduction and for a new dormitory. We need all the help we can get from the denomination and other friends.

A recent survey of our students revealed thirty-six unchurched people among our student body. Plans are underway to win these students to Christ. Last year every faculty member cooperated in a program of personal witnessing.

During the past year Gardner-Webb College paid off all previous indebtedness. A total of $268,000 at five per cent interest per year was borrowed from the Wachovia Bank and Trust Company of Charlotte, North Carolina for the purpose of building a science building. The building is in use now. The debt on the science building will be retired at the rate of $100,000 per year, plus interest.

Approximately 1,100 acres of land and twenty-four buildings comprise the physical equipment of Gardner-Webb College. The campus proper, an 85 acre tract of rolling land dotted with a variety of lovely trees, furnishes the location for the various buildings.

"To God be the glory—great things He hath done."

TRAINING UNION REPORT

A person is never truly brought to Christ until he is taught in Christ. The very words "make disciples" means to develop learners. The agency of our Baptist churches that is given this primary task is the Training Union. God's revelation waits upon the development of the head and heart of each individual Christian. To carry out the great commission in "teaching them" is a great charge, a glorious challenge and makes for a grand church.

As we view the advancements and achievments of last year they ought to serve as a peg board for us to do greater things this year for the glory of Christ. We have 68 churches in our Association with 64 reporting Training Unions. There were two new Training Unions reported this past year, New Camp Creek and Westview Baptist churches. The 64 churches reported an enrolment of 6,099. This was a decrease in the enrolment of the previous year.

One of the great highlights of last year was the "M" Night attendance. Our goal was 1,460 and we exceeded it.

There were fifteen churches in our Association that observed Youth

Week. This was an excellent number since our goal was only ten. The week was climaxed by an excellent program for Youth Night at Second Baptist Church.

We earned 258 Study Course Awards in category 18, principles and methods.

The church Officers and Committee Clinic was held at Elizabeth Church with 53 in attendance.

Two of our churches have reached the standard in the Junior Departments, New Bethel and Elizabeth. I commend the fine work that is being done in these churches.

The Elimination Tournament for the Association was held at Bethlehem with a fine crowd present. Many of our Juniors and one Intermediate and one from Bible reading for Adults represented us at Calvary Church, Morganton, in the regional tournaments. We had a splendid group from Elizabeth to represent us at Fruitland in the Junior Memory Work.

GOALS FOR 1961 - 1962

1. Organize two new Training Unions in our Association.
2. Increase our enrolment to 6,300. 201 increase in enrolment.
3. 60 of our 68 churches in a Training Course for the year.
4. Earning 500 awards in Training Union Principles and Methods Category 18.
5. "M" Night Goal 1,500.
6. 20 of our churches observing Youth Week.
7. 300 in attendance at Youth Night.

ROYAL AMBASSADOR REPORT

As long as there are boys there should be Royal Ambassadors. In our Association there are 45 chapters of Junior R. A.'s with a membership of 545. There are 34 chapters of Intermediate R. A.'s with a membership of 397. A total membership of 942. This is a gain of 11 chapters and 120 members from last year.

A highlight for the year was the annual Royal Ambassador camp at Gardner-Webb College.

Rev. James Stamey was camp pastor and Rev. J. G. Goodwin, Jr., missionary to South Korea was camp missionary. Several boys accepted Christ as Saviour, and many others made commitment of their life to

whatever the Lord led. We want to give a personal word of thanks to the administration of Gardner-Webb College for their kindness in letting us use the marvelous facilities of the college for our Royal Ambassador Camp.

Thirty-six teams took part in the Royal Ambassador Baseball Leagues this year. 485 boys were registered in the baseball program.

The men administering this program were Ralph Mitchem, Leon Williams, Bob Devinney and Gilbert Crowe. 12 trophies were given. Ross Grove received the championship trophy in the Intermediate division, with Dover placing first in the Junior division. Five division trophies and five sportsmanship trophies were given.

There will be a major change in the Royal Ambassador program this year. Instead of the usual division into two age groups, there will be three groups and they will include the ages of 9-17. Chapters will move into this program when they are prepared and ready.

This is a part of the continuing effort to minister to the needs of the boys of our churches. Each age group has its special characteristics and should be treated and taught differently.

A boy doesn't remain a boy for long. They become men whether they're ready or not. There's no time to waste as we work with them. There's always a need for 'twig-benders.' If you're interested in work with a future, work with Royal Ambassadors. The world will never outgrow its need for men.

REPORT OF BROTHERHOOD

The Brotherhood is still one of the weakest organizations in most of our churches. It is very strong in some of our churches, and I believe it is beginning to grow spiritually, as well as numerically.

During the past year we have had three mass meetings at the Associational level. One was held at Oak Grove Baptist Church, one at Shelby First and one at Shelby Second. Attendance was encouraging at all three of these meetings and the speakers were very good. We hope to have better attendance during this year.

At least one new brotherhood has been organized during the past year. We sincerely hope that the churches who have no brotherhood organizations will try to get one going this coming year, and I am sure that all the Associational Brotherhood Officers are ready to give you assistance at any time you call on us. It has been a little disappointing that only about three churches have asked any of the Brotherhood Officers to meet with them.

The R. A.'s are fast becoming a very challenging and worthwhile work for the Brotherhoods and I am happy to know that some of the churches have already put the new program into operation.

We ask that you pray for the Brotherhood, as you do for all the other organizations of the churches.

REPORT OF CHILDREN'S HOMES

In years gone by the appeal of the orphan child, the homeless ones, touched nearly every heart. But in looking over the Treasurer's report from Thomasville for the closing year, I find that eleven churches in our Association gave nothing for the support of the homeless ones, and that seventeen churches took no special Thanksgiving offering for them.

We, as you know, have three homes for homeless children: one at Thomasville, one at Kinston, and one at Pembroke. Mills Home has a capacity of 306, Kennedy Home has 165, and Odum Home has 24. We, too, care for 127 children in foster homes, and Dr. Wagoner tells us that they are looking forward to the day when our people will be supporting 1,200 children, which should rejoice all our hearts. Our foster home program should be given a larger place in our child-caring for two main reasons. First, it takes care of the backward children and timid children who do not get along too well in one of our homes, and second, it enables married couples without children to love and care for these needy ones, thus bringing joy to their hearts and homes. Our Children's Home pays a regular amount each month to help the foster parents take care of these children. Let me ask: Do you have a homeless child in your home? Would you like to have one or more? Then write to Dr. W. R. Wagoner, Mills Home, Thomasville, N. C.

Our child-caring program is supported in the following ways:

33% from our Thanksgiving offering
32% from the Cooperative Program
18% from monthly offerings
17% from special gifts and endowment

And every family in every church should read "Charity and Children," which today is going into over 52 thousand homes, and at a cost which is amazingly low.

Pray for our child-caring institutions, and give regularly to their support. Do not fail to have a worthy Thanksgiving offering this year, as we need at least $400,000.00 for this important work.

REPORT ON JUVENILE REHABILITATION

The Southern Baptist program of Juvenile Rehabilitation is being promoted at the court level in cooperation with the local Baptist churches in a city or association. The Home Mission Board has a special department working in this field. Dr. J. V. James is the secretary of this department. He was elected because he felt that the work of rehabilitation ought to be done through the churches. With the feeling that the best way to solve the problem of delinquency is by and through the churches, Dr. James, through his department seeks to work with the associational leadership in mobilizing the efforts of the local churches in helping to rehabilitate these boys and girls who are in trouble.

The basic approach to this problem is rehabilitation. The Sunday School, the Training Union, The W. M. U., and the Brotherhood are designed to prevent delinquency. This department moves in where some boy or girl has got in trouble and is brought before the court. The idea is to enlist Christian laymen and women from the churches who will work with these boys and girls in the hope of getting them back in the right way, and ultimately winning them and their families to Christ and enlisting all of them in the work of the local church.

This is one of the newer works of the Home Mission Board and it is proving to be a most effective witness for Christ. It is said to be one of the fastest growing departments of the Home Mission Board.

THE CHRISTIAN LITERATURE REPORT FOR 1961

Two widely diverse events, yet distantly akin, should receive recognition in our 1961 Christian Literature Report. This year hailed the arrival of the New English Bible. The true significance of this remains to be seen, yet that it is important in the history of our Bible in English is undeniable. The oldest extant manuscripts were used, some for the first time, in this translation.

The other event that is of particular local interest is the beginning of a concern on the associational level for church library promotion. This is a positive approach to informing our members and to getting the best literature into the hands of the people. One avenue this opens is the development of interest on the part of our children. It is wholsome for them to learn to enjoy the feel of good books even before they can read. Daniel Webster is reputed to have said:

> If religious books are not widely circulated . . . in this country, and the people do not become religious, I do not know what is to become of us as a nation. And the thought is one to cause solemn reflection on the part of every patriot and Christian. If truth is not diffused, error

will be; if God and his word are not known and received . . . corruption and darkness will reign.

Mr. Webster might have added good, religious periodicals to religious books. Two should be mentioned here, "The Charity and Children" and the "Biblical Recorder." The editors of these two fine publications are to be commended on their fine work.

SOME NOTES OF INTEREST

The Association purchased a folding machine sometime ago for the office. The cost of the machine was $330.00. Part payment for it has been contributed by our missionary and secretary. These contributions are appreciated and we are thankful for them.

The following churches have completed new homes for their pastors and their families during this year: Allen Memorial, Kings Mountain, Lattimore, Shelby Highland, and Shelby Lily.

The following has been gleaned from Kings Mountain Minutes of attempts to publish an Associational magazine or paper:

" 'The Baptist Church and Sunday School Messenger' published in Shelby by the Reverend T. R. Gaines was said to have been the first Associational paper in North Carolina. This was in 1865. After some half dozen issues were published the paper was suspended for lack of support and funds."

The report on Religious Literature at the 1903 session of the Association had the recommendation that the following magazines be read: **Biblical Recorder, North Carolina Baptist, Charity and Children, Foreign Missions Journal** and "The Baptist." This publication, "The Baptist," under direction of Rev. D. F. Putnam and Rev. R. F. Tredway was prepared and distributed once a month for about two years, 1902-1903. The last two years our Missionary, C. O. Greene, has been preparing and sending out around 700 copies of the "Beacon" bimonthly to associational and church officers.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING (Associational Report for 1961)

How thrilling it is to minister to the aging in our midst! North Carolina Baptists can be justly grateful for their Christian ministry to 125 residents in their three Homes—Resthaven and the Hayes Home in Winston-Salem, and the Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home, now under construction in Martin County, is proof-positive. This, our fourth Home, will provide for 30 additional residents. It is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of $275,000.00 has been assumed on this Home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is no further expansion of desperately needed additional facilities anticipated until the major portion of this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go on in the great task which is ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. **Twenty-six** new residents have been received and are now finding happiness and peace, love and security, in their new home.

The Special Day Offerings and special gifts are running 17% ahead of last year's contributions, and we are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

The appointment of Mr. C. O. Weaver of Greensboro, N. C., as Business Administrator of the Homes has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight and is making a splendid contribution to the work.

The average age of our residents is around 80, and we rejoice in the fact that the life-span is increasing for them. We are exceedingly grateful that one of them, Aunt Fannie Drumwright, reached her 100th birthday on July 6. She is the first resident in our North Carolina Baptist Homes to attain this remarkable milestone. She is the living example of the years that are actually being added to a person's life by the loving kindness of North Carolina Baptists through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is now coming to fruition. It is the handsome duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem. This new facility, now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in the fall, we hope, and will open an avenue for four additional residents.

Along with our many blessings have been the moments of bereavement which have saddened our hearts, but we have soon been lifted up in the knowledge that God has called His own unto Himself. During the past year the following persons have been called to the Heavenly Home: Mr. Charles V. Pegram, Mr. Jack Stanley, Mrs. Bertha King, Mrs. Leona

Wade, Mrs. Bertha Swindell, Miss Cora Byrd, Mrs. Lillie Scott, Mrs. Louise King, Mrs. Lillie Giles, Miss Lucy Stout, Mrs. Mattie Owen, Mrs. Mary Clontz, Mrs. Ida Ayers, Mrs. Rose Blanton.

The happiest times in the Homes ever are when friends and members of our North Carolina Baptist Churches visit us. We extend a cordial welcome to come and see first-hand the things of great Christian significance that are being experienced daily in our Homes and that can never adequately be described on the printed page.

Pray for us, visit us, and continue the same splendid support in the future that you have so graciously given us in the past. Remember that we cannot go on without the love, the fellowship, and the help of every North Carolina Baptist.

William A. Poole, General Superintendent
North Carolina Baptist Homes for the Aging

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

Our Baptist Hospital continues to try to serve our people in the fullest measure possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics — 78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

Some of The Newer Services

The New Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the regular hospital. This is a new and advanced step in hospitalization and patients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterilization of surgical and other equipment by gas was recently installed. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of x-ray films.

One of the most recent additions is a Pastors' Library given by Mrs. Walter M. Williams of Burlington in memory of her noble Christian husband. All pastors and others are invited to ask about this excellent collection of religious books and to use it when they visit the Hospital.

The Most Urgent Needs

Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent. The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day Offerings.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endowment invested by the Hospital's Trustees with all of its proceeds being used for the help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the Endowment can be placed in one's will. All gifts will be gratefully received, appropriately acknowledged, and a permanent record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

According to the last report I received a number of churches in the Kings Mountain Association has not sent in their Mother's Day Offering for 1961. I would like very much to see our Association represented 100% in the Mother's Day Offering.

Respectfully submitted,

C. Rush Hamrick

SUNDAY SCHOOL REPORT

This has been a good year for our Sunday schools. Nineteen of our churches reached the standard of excellence: thus making it possible for our association to achieve the standard for the fifth consecutive year. Our total Sunday school enrollment of 20,068 for this year shows a slight enrolment decrease. But our average attendance this year of 11,159 shows a slight increase. Our sixty nine churches including the new Westview church all have Sunday schools. Moreover five of our churches are sponsoring missions or branch Sunday schools. Shelby Eastside is sponsoring two; Shelby First, Shelby Calvary, Ross Grove, and Kings Mountain are sponsoring one each. With a total of six branch or mission Sunday schools. Last November 7-11 a group training school was held in each of the six groups for our Sunday school officers, teachers, and pupils.

This school reached five hundred and twenty nine in enrolment.

Plans are now in the process for similar schools in each of our groups of churches for next month November 6-10. Let every christian be encouraged to give whole hearted support to his Sunday school; for indeed "we are labourers together with God."

Plans are being made for a Pastor lead Sunday school enlargement campaign to be held in August 1962. Monthly associational meetings have been maintained this year as follows: Executive meetings quarterly, Officers and teachers conferences quarterly, some of our groups did not meet quarterly but instead the group superintendents met in planning meetings.

On Sept. 7, 1961 a one night training clinic was held for our associational officers at the Second Baptist Church Shelby, led by our state leaders. On Sept. 11, 1961 Sunday school action night was held at the Eastside Baptist Church Shelby, at which time goals and plans were adopted for the year 1961-1962. Time and space will not permit adequate words of appreciation to all our Sunday school leaders and pupils, but we are truly aware of the fact that: "We are labourers together with God" moreover we would all want to thank Reverend C. O. Green, our associational missionary and Mrs. Fred Cornwell, our associational secretary for their faithful and loyal service in the promotion of all our work.

Several of our associational officers attended the state daily Vacation Bible School Conference held at Fruitland Bible Institute last February 1-3 in preparation for our associational clinics which were held at the First Baptist Church Shelby on April 9th. The Reverend Tom Estes, our DVBS superintendent did a commendable job in preparing for and leading in all our preparation for these two clinics. One clinic was held in the morning and another in the evening to meet the needs of all our DVBS officers and teachers. Mr. Estes was called to the Florence Baptist Church in Forest City, and in April Reverend James Stamey was elected to fill out the unexpired term of DVBS superintendent due to Reverend Estes' going away. Sixty of our churches held DVBS with 6,580 enrolled.

Let us be encouraged to promote the preaching and teaching of God's word to all the ends of the earth; For it is the power of God unto salvation to everyone that believeth.

THE GENERAL BOARD'S REPORT

The General Board had four general and one call meeting during the year. The following matters of business were transacted in these meetings.

The Historian recommended in his annual report of 1960 Session of the Association that a Historical Commission be appointed by the Moderator. He named the following as members of the Commission to serve with Dr. Wyan Washburn, Chairman: C. C. Padgett, T. W. Bray, Mrs. C. D. Forney, Jr., and Mrs. L. H. Ledford.

The General Board in its November meeting authorized the Clerk to give Christmas presents to Missionary C. O. Greene, $75; Mrs. Betty Boggs Cornwell, Secretary, $50, and to the Clerk-Treasurer, $50.

In the January meeting of the Board the Region Eight Camp Committee was reinstated as follows: Burley Turner, Chairman, Allen Jolley, Mrs. C. D. Forney, Jr., W. H. Lutz, Mrs. Lansford Jolley, M. L. Smith, Mrs. Coleman Watkins and Mrs. L. P. Williams.

Two scholarships of $108 were paid to Fruitland Preacher's School for James E. Williams, Pastor of Kings Mountain Piedmont Church and to John S. Frazier, Pastor of Midview Church. The following applications for student aid to Gardner-Webb College were approved and signed by the Clerk and Moderator: Alvin Leinweber, a member of Churchill Drive Baptist Church and Jimmie C. Brackett, a member of Shelby Second Baptist Church.

The Moderator, Horace Easom, called a special meeting of the General Board for May 29, 1961 for the purpose of considering a recommendation brought by the Mission Planning Committee of the Mission Council. The request was what to do about the work in West Shelby area and what to do further about the organization of a new Baptist church in that section. The following recommendation was presented, discussed and approved: That in the light of the study made and the facts revealed, the Mission Council recommended to the General Board that we proceed with the necessary steps looking toward the formation of a Baptist Church in the West Shelby area. The first step being that we instruct the Mission Council and the Associational Missionary to get those interested in establishing such a church together, and if sufficient interest is shown that we offer guidance in such an endeavor. On August 13, 1961 members of the Mission Council and members of other Baptist churches constituted the organization council and the Westview Church was organized.

W. P. Hall, Jr., Chairman of the Nominating Committee, recommended the following nominations: That James Stamey serve the remainder of the year as Superintendent of the V. B. S. instead of T. W. Estes, who has gone to Florence Baptist Church in Forest City, N. C. He presented the slate of officers for the Sunday School and Training Union Departments, Mission Council, Music Education Committee, Brotherhood Officers and other Associational officers. These were approved by vote of the General Board, subject to the approval of the Association in session.

W. P. Hall, Jr. resigned as Chairman of the Nominating Committee. He had a call to a church in the Caldwell Association. Dennis Larkins was appointed by the General Board to serve the remainder of the year.

E. M. Smith, Chairman of the Program Committee, presented a program for the coming sessions of the One Hundred-Eleventh Association. It was approved as a program of work for the association.

The following recommendations from the General Board are: (1) that the General Board return to its monthly meeting and that it meet on Monday following the first Sunday of each month at 10 o'clock A. M. The Moderator asked that the Calendar Committee study the associational constitution and recommend any necessary changes at the Association. (2) Recommended that an Associational night of correlated meetings be held each month. (3) Recommended that the lots purchased by the Kings Mountain Baptist Association, some years ago, for the specific purpose of establishing a new Baptist Church in the West Shelby area, now be presented to the Trustees of the Westview Church. It is understood that the Association assume no further obligations or liabilities with reference to this property. (Assessments, City of Shelby, $913.75.) HAMRICK AND REDDING REPORT

October 17, 1961

The Auditing Committee
Kings Mountain Baptist Association
Shelby, North Carolina

Gentlemen:

We have examined the accounts of the Kings Mountain Baptist Association maintained by Reverend Lawrence Roberts for the year ended September 30, 1961 and submit our report herewith.

Our examination consisted of tracing all recorded cash receipts to the bank statements and of verifying disbursements by examination of the cancelled checks.

Loan payments during the year to Shelby Savings and Loan Association amounted to $862.66 for principal and $22.48 for interest. As of September 30, 1961 there was no outstanding balance on this loan.

In our opinion the attached statement of receipts and disbursements presents fairly the transactions of the General Fund of the Kings Mountain Baptist Association for the year ended September 30, 1961.

Very truly yours,

HAMRICK AND REDDING

REGION EIGHT CAMP REPORT FOR 1961

The South Mountain Baptist Camp in Region Eight has had another successful year. Attendance in all of the activities was 1,222. Attending the camp program was 597, including the counselors. 605 attended church or associational camps. In addition to these figures, there were several hundred who visited the night programs.

There were 487 who made decisions in the camp, 433 rededications, 42 conversions and 2 for special service. A goodly number of those who visited, also, made decisions of rededication.

The camp season included four Royal Ambassador Camps, four Girls Auxiliary Camps, one Y. W. A. Retreat, and a Sunbeam Day Camp. A staff of twenty people served the camps. There was a director, an assistant director, three cooks, a secretary and fourteen helpers.

Many of the boys and girls who attended the camps were honor and star campers. A dozen or more campers passed off a whole step or rank during the ranking class while at camp.

Overnight Camps, Youth Retreats, Brotherhood Suppers, and a Training Union and Sunday evening worship service rounded out the activities for the summer.

Improvements have been made at the camp, including grass sown around the lake, improvements on the road leading to the church cabins, retaining wall at the assembly building built, chairs and tables purchased from Fruitland Assembly, two more cabins are under construction for the camp and one church cabin is being built. Some painting has, also, been done.

The camp stands ready, and is prepared to serve the churches of Region Eight. Next year the camp will be prepared to take care of individuals or groups of boys and girls who do not have an adult to accompany them. Counselors will be provided by the camp. In order to do this an additional fee of fifty cents will be paid by those who do not have a counselor with them.

REPORT OF THE TRUSTEES

We, the Trustees of the Kings Mountain Baptist Association, wish to report that the Shelby Savings and Loan Association has been paid in full on June 20, 1961. The payments have been made on time and in full by the Associational Treasurer. The deed of trust has been marked "Paid in Full and marked satisfied." The lots in West Shelby on Wesson Road and Branton Street are free of said debt.

However, the City of Shelby has two assessments of improvements against these lots and will become due on November 1, 1961. These assessments will be divided in installments over a period of five years. These assessments are as follows: sewer line, $410.02, sewer line and tap, $503.73, total $913.75. If paid in installments will require 6% interest.

AMERICAN BIBLE SOCIETY

The Bible is the essential tool of missions and evangelism. There are two basic principles of mission work which are true in all lands: First, the people must have the Bible because it presents Jesus Christ, the one hope of men and nations; and Secondly, each person must have the Bible in his own language because it speaks to his heart as no other language can speak. The American Bible Society helps missionaries to translate the Bible and distributes without profit. The Bible itself is a missionary. It can go where the human missionary cannot go and can stay on after he must leave.

During 1960 the American Bible Society —

— rejoiced that some part of the Bible has been published in 1,165 languages: the full Bible in 221, a Testament in 277 more and a Gospel or other complete book in 667 more.

— gave over a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

— observed its 125th anniversary of supplying Scriptures for the Blind, far below cost, in Braille and other raised-letter systems and on Talking Book records.

— enlarged the ministry of the Finger-Fono, a phonograph operated by one finger, with Bible records in the languages needed, for use in areas throughout the world where many people can not read. Records are now available in 30 languages and others are being prepared.

— helped the Korean Bible Society to realize their long-sought goal of distributing more than a million Scripture volumes in a single year; also rejoiced in the sustained interest in Japan where, for the last 5 years, Scripture distribution has averaged almost 2 million volumes.

— distributed throughout the world a record total of over 23 million volumes of Scriptures. This was over 5 million more than the number of volumes distributed in 1959 and over 8 million more than the 15-million-volumes-per-year average for the past 9 years.

Because the Society serves mission work—and Southern Baptist missionaries depend on the Bible Society for Scriptures they need for their people—Southern Baptist churches believe in the missionary importance of giving to the American Bible Society. Because the worldwide need for the Bible is still greater than the supply, the help of every Southern Baptist church is urgently needed. Let us remember the work of the Bible Society and the far-reaching work that they are doing around the world, and give generous offerings from our churches to help support this work. Please send your gifts to the Baptist state office marked "for the American Bible Society."

REPORT OF MUSIC EDUCATION COMMITTEE

For the first time in its history the Kings Mountain Baptist Association had a Music Education Committee. This committee had two purposes. One was to serve as a helper in the establishment and or development of a music program in any church that should request help. The second purpose of the committee was to lead our Association in special music programs. To this end, our committee sponsored a Carol Sing at Elizabeth Baptist Church on December 19, 1960. This program was well attended, and it is our hope and intention that it will become an annual occasion.

Paul said, "Speaking to another in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord." One of the

uniqueness of the Christian Faith is that it gives to its followers "a song in their heart." We believe that the Lord would have us do the best that we can in our singing. Good music does not just happen, it is an accomplishment. We are desirable that the good singing done by the more than 120 choirs in our Association will become even better. If we can serve you and your church in a musical way, please let us do so.

MINISTERS' WIVES AUXILIARY REPORT

The Ministers' Wives Auxiliary takes pleasure in reporting another inspirational year and one of close fellowship.

Our motto: "I . . . beseech you that ye walk worthy of the vocation wherewith ye are called" (Ephesians 4:1) and our theme: "But the Lord said unto him, Go thy way: for he is a chosen vessel unto me, to bear my name before the Gentiles, and kings, and the children of Israel" (Acts 9:15) were a constant challenge.

Each monthly program, including the family picnic and the wife-husband Christmas Party, made us more conscious of our responsibility as "chosen vessels of God, trying to show His love" in every phase of our lives as a variety of persons participated. Our Year Book was dedi-

cated to Audrey Hanes Roberson (Mrs. W. T.), a former member, now serving as a missionary in Saigon, Vietnam.

We have 33 members with an average attendance of 23.

Officers for the new year:

President----------Mrs. James Hutson
First Vice President----------Mrs. Wilson Padgett
Second Vice President----------Mrs. E. S. Elliott
Secretary----------Mrs. Russell Fitts

Program Committee	Year Book Committee
Mrs. Norman Brown, Chairman	Mrs. Max Linnens, Chairman
Mrs. B. L. Kincaid	Mrs. Lawrence Roberts
Mrs. Dennis Larkins	Mrs. Oscar Funderburke

We urge every minister's wife to join with us in this rich experience of sharing, with an especially warm welcome of fellowship to all who have entered their field of service in our association this past year.

Respectfully submitted,

Mrs. M. D. DuBose, Jr., President

REPORT OF THE MISSIONS COUNCIL

The Missions Council met in regular quarterly meetings and several called meetings between the regular sessions this year. In the organizational meeting the following officers were elected:

Chairman—W. C. Hill
Vice Chairman—Oscar Funderburke
Secretary—Mrs. L. P. Williams
Chairman, Finance and Administration Committee—A. L. Carlton
Chairman, Missionary Planning Committee—B. L. Raines
Chairman, Institutional and Inter-racial Committee—Carlos Young

Some of the main activities during the year are as follows:

1. The Institutional and Inter-racial Committee has provided for services in the Cleveland County jail each Sunday. Also, the committee at the suggestion of the General Board is looking into a request from our colored Brethren for financial assistance in a building program for a church near Waco.

2. The Missionary Planning Committee completed a survey of the West Shelby area to see if there was sufficient interest for the beginning of a new church. They did a wonderful job in compiling the information of the survey which revealed there was enough interest and promised support to constitute a new church. With this information in hand, the interested group in the West Shelby area was called together in a meeting held in the new Graham School to determine the extent of the interest and possibility of the Constitution of a church. The interest was to the extent that a second meeting was set, and in this meeting a committee representing the interested group was elected to report to

the Missionary Planning Committee. Following this report it was recommended to the General Board that a new church be constituted in the West Shelby area. The church was duly organized August 13, 1961 by the Kings Mountain Association. The members of the new church voted that their church be called The Westview Baptist Church. Brother C. O. Greene, our Associational Missionary, was asked by the missions council and the members of Westview Church to serve as supply pastor until a pastor was secured.

3. The Finance and Administration Committee has provided the suggested budget and has generally directed the work of our missionary.

4. The Church Potential Survey was conducted this year. About one-half of our churches have participated in the Survey with others planning to have it in the near future. This is, you well remember, the first part of a five year program of work for our Association, with the emphasis this year on Sunday School Enlargement which is scheduled for the week of August 20-24, 1962.

These are only some of the highlights of the year and we look forward with much interest to the new year.

Respectfully submitted,

W. C. Hill, Chairman

REPORT OF ASSOCIATIONAL MISSIONARY

In all these reports you've heard and seen what I'm trying to promote. I have no program other than the program of our Lord as interpreted by and through these 69 churches. It is a joy to help you search for, find, and do the will of God.

Rather than giving you a detailed statistical report allow me to share with you some areas of concern.

1. The unrest in our churches. In these two years I've served as Superintendent of Missions there have been 33 pastoral changes. That means that about half of our churches have gone through a period of from six to eighteen months when they had no spiritual leader. It is inevitable that certain things just don't get done. This will explain in some measure the next statement.

2. Our church organizations are losing in enrollment. In the five year period 1956-1960, 39 of our Sunday Schools lost in enrollment; 26 of our Training Unions lost. In the same period 28 Sunday Schools and 34 Training Unions gained in enrollment. Twenty-five churches lost in both Training Union and Sunday School enrollment in the period 1956-1960 over 1951-1955.

But I move on to point out some heartening signs.

1. Revival meetings, while fewer in number, have been unusually good

this year according to many reports.

2. About half of our churches have now had the Church Community Survey which points up potential for growth and development.

3. One new church has been organized and three new missions have been started.

4. A number of our churches are adopting long range goals and plans for more vital and effective Kingdom work.

5. There seems to be in some of our churches a growing concern for the individual. Standards for church membership are being raised. Provisions for the spiritual growth of the individual church member are being offered such as formation of small prayer, study, and discussion groups, and the deacon led Spiritual Growth Program.

May we offer some suggestions in a spirit of love?

1. Could we in a spirit of Christlikeness seek to find a solution to the unrest in our ranks? It will call for patience, forgiveness, and a willingness to "bear and forbear." We believe that a spirit of earnest prayer for God to cleanse and revive His people would solve many of our problems.

2. Could we urge all our churches to support wholeheartedly the suggested plan of financing our Associational Missions work by $1.00 per member or 2 or 3% of total gifts? If that were done we could meet the budget easily and have a tidy sum left over for church assistance, extension, and development.

3. As we look at the fact of enrollment losses and a general leveling off of our work (this is Convention-wide, by the way) may we urge that we accept and use as wonderful tools the Church Community Survey and the Church Achievement Program. These, used with our five year plan of work adopted last year, will surely lead us to greater things for the Master.

4. Give your whole hearted support to the spiritual emphasis for this year, the Sunday School Enlargement Campaign, August 20-24, 1962.

Thank you for the privilege of serving a wonderful people.

Respectfully submitted,

C. O. Greene

PUBLIC MORALS AND CIVIC RIGHTEOUSNESS

We are living in times of tremendous stress and strain, of confusion and seeming chaos. There are evidences on every hand of the break down of individual character, moral standards, and discipline. There is disregard of obligation and responsibility on the part of men, women, and children in all areas of life.

God has said in His Word that "righteousness exalteth a nation but sin is a reproach to any people." The church must take her place in the life of our nation. She must point the way in the attainment of truth, peace, holiness, and joy which are the rightful destiny of the children of God. The church must take her place of leadership against the viscious evils of our day such as crime, gambling, alcohol, and greed. The witness of our churches have been tragically hindered by millions of professing Christians who are guilty of dishonesty, adultery, profanity, and the addiction of beverage alcohol.

That we have failed to measure up to the moral standards of Christian discipleship can be seen only too clearly by the following facts:

The rate of children born out of wedlock is high, and most especially among teenagers. There were at least 221,000 such children born in the United States in 1959. This is in the thirty-five states which keeps records. There are fifteen states whose records are not complete or else no records have been kept. The total of all the states may exceed 250,000. Out of every 1,000 children born in the United States in 1959, 52 were born to unwed mothers.

Books and magazines, even newspapers, pour into the minds of our young people the slime and filth of immorality and crime. Young people need Christian ideals and unyielding self-discipline to govern their conduct. The church must act. If she does not, society is doomed.

Every day in the United States, another one thousand social drinkers cross the line to become habitual problem alcoholics. Some authorities rate alcoholism as the third health problem of our nation, exceeded only by heart disease and cancer. This is a problem we cannot ignore because the influence of alcohol affects us all.

According to the words of J. Ollie Harris, Sr., coroner of Cleveland County, at least fifty per cent of the fatal accidents in our county last year involved alcohol. Our own Baptist state paper, The Biblical Recorder, in the October 7, 1961 issue, states that according to the Chief of Police in Oklahoma City arrests for drunkenness have risen fifty per cent and arrests for assault have tripled since 1959 when whiskey was legalized. In our own state of North Carolina the last five A.B.C. elections have gone against the dry forces, according to the Biblical Recorder of September 9, 1961. This leads us to wonder if the pastors and Christian people of our churches have become so accustomed to the evil of alcohol that they have lost their conviction in this matter. The moral tone of our nation will never be greater than the conviction of our Christian people and their leaders.

We are instructed in God's Word to "Remember the Sabbath day to keep it holy." The Lord's day has been set apart as a day when we may leave the cares and activities of the week and worship God in fellowship with other Christian people. Yet it has been estimated that on any Lord's day there are one hundred million people in the United States who do not attend any church service.

The answer to the moral decline of today can be found only in Jesus Christ. But the power of Christ must be seen in the lives of a truly transformed and dedicated church membership. There must be a renewed call to repentance and a return to God. The church must rise to meet the challenge of these perilous times by praying, preaching, and living a life of dedicated faith in Christ.

THE RELIEF AND ANNUITY PROGRAM

In this report there are two questions that I would like to ask, and then answer briefly. First, what is the Relief and Annuity Plan? The Relief and Annuity Plan is a plan of protection for a minister and his family, and also a plan designed to aid the minister financially in his years of retirement. In our State the plan works as follows: The minister pays 5% of his salary up to a maximum of $4,000.00. The local church also pays 5% and the Convention pays 5%. In a number of cases the church has assumed the pastors share. This, of course, will aid him financially, and it will also relieve him of the responsibility of keeping up the payments. While this is not necessary, it is certainly an excellent consideration on the part of the churches.

The second question is this: What is the present picture of our association regarding the Relief and Annuity Program? In our 69 churches the records show that only 39 of these are participating in this program. Only two of these include staff members other than the pastor. This means that 30 churches in our Association have not provided this opportunity for their pastor. What about the pastors and staff members who are not participating? They too are getting older, and one day must retire from active work. The retirement years can be among the most glorious and rewarding years of ones life, or they can be the most frustrating. Much will depend upon the financial security of a man and his family.

Let me strongly urge you messengers to investigate this matter, and if your church has not provided this link between the minister's active ministry and his retirement life, let me appeal to you to do so if it is at all possible.

OUR NEED FOR VISUAL AID

Our ministers, teachers, and leaders are able to carry out a more effective ministry through the proper use of visual aid. The pupil learns faster and more effectively. The visual aid program is not an added feature, but a must in helping to reach more people.

Motion pictures, film strips, and slides may be obtained from the visual aid department of the Baptist State Convention in Raleigh, or the Sunday School Board in Nashville, Tenn. Funds may be limited, however, some are available without charge. Posters and other attractive display may be used for eye appeal.

Our newspapers and local radio stations are cooperative in the many services they render to our pastors and their people. Many churches have taken advantage of these aids, while there are other churches whose program could be more effective if these aids were employed.

The Baptist Center possesses some visual aid materials and equipment, but the most effective program can be had when the church owns its equipment. Often times when a church depends upon borrowing equipment it is not easily secured when needed, therefore, the visual aid part of the program is lacking.

The visual aid program in most churches will fall short until it is included in the church budget, sufficiently strong enough to buy the necessary equipment and establish a slide and film strip library. This will always be at the fingertips of the teachers without too much arrangements.

The past activities and progress of a church can be an aid in improving the evangelism of a church. There can be no better way to show these activities and progress of a given church than through pictures, slides, or movies. These could be made by cameras belonging to the Visual Aid Department of the church, and these materials becoming the property of the film library of the church.

May the visual aid program continue to be a channel of blessing to our churches.

During the last associational year which closed September 30, 1961: 184 members from 55 of our churches were removed by death. Fourteen of the 69 churches reported no deaths during this period. We read in the Holy Bible, these words: "Precious in the sight of the Lord is the death of His saints." (Psalm 116:15.)

I shall omit the reading of the entire list of names which the clerk will record in the associational minutes by churches for our permanent records. However, I shall read the list of church officers by churches, and the office they served in their churches:

Among this list appears the name of Dr. Phil Loving Elliott, the beloved President of Gardner-Webb College, and a deacon of his church. To this long list of our Christian friends, and loved ones; we pay our lasting respects and gratitude. And under God's continued blessings may we seek to perpetuate the noble and the good we found in them, that Christ may be glorified, and others may be blessed, as we, "press toward the mark for the prize of the high calling of God, in Christ Jesus."

"And I heard a voice from heaven saying unto me, Write, blessed are the dead that die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labors; and their works do follow them." . . . "He which testifieth these things saith, Surely I come quickly. Amen. Even so, Come, Lord Jesus. The grace of our Lord Jesus Christ be with you all. Amen." (Revelation 14:13; 22: 20, 21.)

These are the missions reported in 1960. There were four mission Sunday Schools operated by the following churches: Cleveland County Home, sponsored by Shelby First Baptist Church; Turner's Convalescent Home, sponsored by Ross Grove Baptist Church; South Morgan Street Mission, sponsored by Shelby Calvary Baptist Church; Kings Mountain Hospital, sponsored by Kings Mountain Baptist Church.

These are the new ones reported this year. There is one new church organized August 13, 1961, Westview in Shelby; two new Sunday Schools operated by Shelby Eastside, one on Dover Street and one at the Shelby Fire Station, City Hall; and one preaching mission at the Cleveland County Home by Mull's Chapel.

The Kings Mountain Baptist Church was organized December, 1958, therefore these Missions Sunday Schools and these churches would come under the 30,000 Movement.

Respectfully submitted

Lawrence Roberts, Clerk

KINGS MOUNTAIN FIRST BAPTIST CHURCH

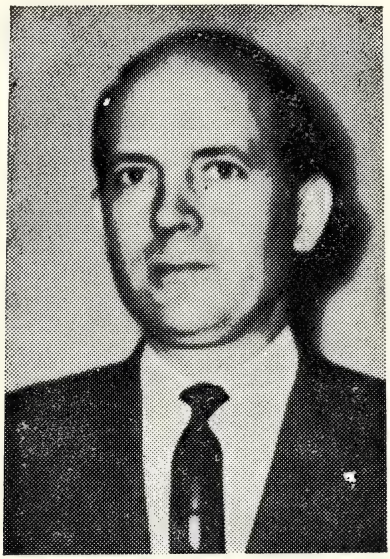
The First Baptist Church of Kings Mountain, North Carolina, was constituted March 21, 1890. The Kings Mountain Associational minutes of 1890, page 4, reports the church was accepted into full fellowship of the Association.

The seventy-sixth annual session of the Kings Mountain Baptist Association was held with the church October 5th and 6th, 1926. The church was host to the Association this year in its one hundred-twelfth annual sessions, October 25th and 26th.

On July 3, 1961, the congregation of the First Baptist Church held the first worship services in the beautiful new building, located on the corner of West King and Simms Streets.



REV. BOMAR L. RAINES

On April 22, 1959, the First Baptist Church extended a call to Bomar L. Raines as pastor of the church. The church has grown under his leadership. He and his family have made for themselves a warm and abiding place in the hearts of the people of Kings Mountain and of the Association. The First church has been extended by his wise leadership into all departments of the Kingdom. Progress has been noted in church membership, Sunday School, Training Union, Womens' work, Brotherhood and R. A. work and in gifts for local and mission work.

MR. R. ALLEN JOLLEY

The First Baptist Church of Kings Mountain, on June 18, 1961, issued a call to Mr. R. Allen Jolley to become a full time Music-Education Director for the church. THE CONSTITUTION

Kings Mountain Baptist Association

PREAMBLE: We, the messengers of Baptist Churches in the County of Cleveland, State of North Carolina, and territory adjacent thereto, do hereby propose to establish and maintain the order and rules of a district Association in conformity to the following plan:

NAME

ARTICLE 1: The name of the organization shall be the Kings Mountain Baptist Association.

MEMBERSHIP

ARTICLE 2: The Association shall be composed of Missionary Baptist Churches of Cleveland County and adjacent territory which are now members, and any other Missionary Baptist Churches which may hereafter be admitted as herein provided.

ARTICLE 3: Churches desiring membership in the Association shall apply to the Missions Council and if recommended by this Council and accepted by the Association shall agree to come under the watch care of the Association for a period of one year. At the end of one year upon recommendation of the Mission Council, membership within the Association of such churches shall be confirmed by vote of the Association. During this period such churches shall be entitled to all rights and privileges of the Association except holding office and voting.

ARTICLE 4: Each church shall annually elect messengers to the appointed meeting of the Association. Such messengers must be duly certified in the annual church letter to the Association, and appointed on the following ratio: Two messengers in addition to the pastor, for each church having a membership not exceeding fifty, and one additional messenger for each increase of fifty or major fraction thereof, provided that the total number of messengers shall not exceed ten.

PURPOSE

ARTICLE 5: The purpose of this Association shall be to counsel together for the enlargement and strengthening of God's Kingdom and for the promoting of unity and growth among the churches composing it. To this end the Association will cooperate with the North Carolina Baptist State Convention and the Southern Baptist Convention and their agencies in the work of Missions, Christian Education, and Social Service.

MEETINGS

ARTICLE 6: The Association shall meet annually on Thursday after the third Sunday in October and continue for two day sessions or longer in the judgment of the Committee on Order of Business, subject to the approval of the Association. The place of meeting shall be determined at the previous session.

OFFICERS

ARTICLE 7: The officers of the Association shall be a Moderator, Vice-Moderator, Clerk-Treasurer, and Historian. These shall be elected annually by the Association at its annual meeting and shall hold office until their successors are elected.

DUTIES OF OFFICERS

ARTICLE 8: It shall be the duty of the Moderator:

(1) In advance of the annual meeting, to communicate with the host churches requesting that they appoint from their church membership a committee on enrollment.

(2) To open the meetings punctually at the appointed time.

(3) To appoint a committee on committees in the opening session.

(4) To enforce the rules; to preserve order; and to exercise all the prerogatives of a presiding officer according to the principles of established parliamentary usage.

ARTICLE 9: It shall be the duty of the Vice-Moderator to discharge the duties of the Moderator in his absence.

ARTICLE 10: It shall be the duty of the Historian to collect and put in some durable form all facts of particular interest about each of the member churches and report at the annual session of the Association.

ARTICLE 11: It shall be the duty of the Clerk-Treasurer:

(1) To keep an accurate record of the proceedings of the Association.

(2) To superintend the printing and distribution of the minutes.

(3) To keep on file the printed minutes and other important documents belonging to the Association.

(4) To receive and pay over to the proper parties all the money contributed directly to the Association.

(5) To make an annual report concerning such to the Association.

For his services he shall be paid annually an amount recommended by the Finance Committee and approved by the Association.

COMMITTEES AND THEIR DUTIES

ARTICLE 12: The committees of the Association shall be divided into four categories, and shall be composed of members from our churches.

SECTION A. Those appointed in advance of the annual meeting:

1. A Committee on Enrollment appointed as prescribed in Article 8, and any others which the Moderator may deem advisable or necessary.

SECTION B. Those named to report at the annual meeting at which they were appointed:

1. A Committee on Committees, consisting of five messengers, appointed as prescribed in Article 8. It shall be the duty of this committee to appoint the following committees which shall report at the annual meeting at which appointed.

   a. Committee on Place and Preacher, consisting of three members, the duty of which shall be to recommend to the Association churches at which the next session shall meet and preachers that will preach at the next session. This committee shall

serve from appointment until a new committee is appointed at the ensuing annual association meeting, and, in the event of a church having to rescind its invitation or a preacher's being unable to deliver a designated sermon due to sickness, death, or other providential circumstances, or his removal from a church in the Association, will make provision for such substistitution as may be necessary subject to the approval of the General Board.

b. A Committee on Resolutions, consisting of three members, the duty of which shall be to draw up and present to the Association suitable resolutions of appreciation and expression on sentiments on any matter chosen by the committee or referred to by the Association. This committee shall serve from appointment until a new committee is appointed at the ensuing associational meeting.

SECTION C. The Committee on Committees will appoint the following committees which will serve throughout the year and which shall report at the next annual session of the Association.

1. A committee on Order of Business, which shall consist of five members including the Vice-Moderator who shall be chairman. It shall be the duty of this committee to report a suggested order of business as soon as feasible after the opening of the Association. When adopted, its report shall become the order of the Association and cannot be changed except by majority of the body.

2. A Committee on Nominations, consisting of five members, the duty of which shall be to nominate, with the help of the Nominating Committees of these various organizations, all officers of the Association except those listed in Article 7. Those to be nominated shall include general officers of the following organizations: Baptist Training Union, Sunday School, Brotherhood, Music Organization, and members of the Missions Council.

   This committee shall also make recommendations to the General Board of the Association for members of the General Board of North Carolina Baptist State Convention when vacancies occur. The General Board will then send its recommendations to the Committee on Boards of the Baptist State Convention of North Carolina.

   This Committee shall also nominate an Ordination Advisory Committee, consisting of five members, the duty of which shall be to examine all candidates for ordination who shall be referred to it by churches of the Association. Upon concluding such examination, this Committee shall notify the church requesting the examination as to the results thereof and shall make a full report concerning the same at the next meeting of the General Board.

   It shall also nominate the Committee of Evangelism, consisting of

five members, the duty of which shall be to devise plans whereby evangelism will be promoted throughout the churches of the Association. It shall also nominate any other committees which the Association in session may authorize.

Nominations by the Committee shall not preclude nominations from the floor.

3. A Committee of Trustees, consisting of three members, the duty of which shall be to hold in trust any property, money, endowment, or other securities of said Association.
4. An Auditing Committee, consisting of three members, the duty of which shall be to audit the Clerk-Treasurer's books annually and report to the Association.
5. The House and Grounds Committee for the Home of the Missionary, consisting of three members, the duties of which shall be to make recommendations concerning the upkeep and repair of the home of the associational missionary to the General Board as such needs may arise, and to put into effect any recommendations concerning such which may be authorized by the General Board.

The Chairman of each of these committees, with the exception of the committee on Order of Business, will be designated by the committee on committees.

SECTION D. An Associational Calendar Committee to be composed of Vice-Moderator, Associational Missionary, Sunday School Superintendent, W. M. U. Superintendent, Brotherhood President, Training Union Director, Music Director and Librarian.

SECTION E. When a member of a committee or a general officer of the Baptist Training Union, Sunday School, Brotherhood, Music Education Committee, or the Associational Missions Council moves out of the Association or moves his or her membership from a cooperating missionary Baptist Church of the Association, he thereby relinquishes his committee membership or office, as the case may be. The vacancy thus treated will be filled by the standing Committee on Nominations designated at the previous associational meeting.

THE GENERAL BOARD

ARTICLE 13: At each annual session a General Board shall be appointed by the Association, which shall consist of the general officers of the body together with the Associational Missionary, Superintendent of Sunday School, Director of the Baptist Training Union, President of the Woman's Missionary Union, President of the Brotherhood, President of Gardner-Webb College, members of the Associational Missions Council, the pastor of each church composing the Association, retired ministers residing in and belonging to a church of the Association, and two members from each church, which members shall be nominated by the church and approved by the Association.

The General Board shall act for the Association between sessions except as specifically limited by the constitution.

ARTICLE 15: In case of emergency the General Board may select a time and place and arrange for a special business session of the Association; provided that the business of such extra session shall be limited to the object for which it was convened, and the membership of such special business session shall be made up of the messengers elected by the churches and accredited to the previous regular session.

THE MISSIONS COUNCIL

ARTICLE 16: The Association shall elect annually an Associational Missions Council composed of sixteen members.

ARTICLE 17: Said Council shall meet at least three times annually. The first meeting shall be convened by the Moderator within ten days following the annual associational meeting at which the council was elected. At the first meeting a Chairman, Vice-Chairman, and Secretary shall be selected and the council shall divide itself into such committees as seem necessary to provide a well rounded and worthy associational missions program and emphasis. It shall have at least the following committees:

(1) Administration and Finance. This committee shall have general oversight of the work of the associational missionary and shall report to the Association in Annual Session and to the General Board as deemed necessary by the Committee. In case of a vacancy occurring in the office of associational missionary, this committee shall bring recommendations to the General Board as to replacement. This committee shall also make an associational budget to be presented to the Association providing for financing the work for the coming year.

(2) Missionary Planning. This committee shall survey communities in need of Baptist work and ministry; seek to enlist churches to sponsor work in such communities; give guidance and assistance in proper location and organization of new Baptist work; provide information for and make recommendations to the Association to missionary needs which might be met by cooperative efforts; provide information to the State Mission Board which might be helpful in meeting missionary needs; consult with churches anticipating membership in the Association and make

recommendations to the Association in matters of this kind; and to review requests coming from churches for loans and church assistance funds, as to their validity.

(3) Institutional and Interracial. This committee shall seek to enlist churches to have a worthy part in ministry to folks in our public institutions, and to be of service as friend and brother in Christ to people among us of other races.

RULES OF ORDER

RULE 1: The business session of the Association shall be opened and closed with prayer.

RULE 2: All officers shall complete their work as soon as practicable after the closing of the session. The newly elected officers shall assume, at the close of the session, all duties incumbent upon said officers relating to the work of the ensuing associational year.

RULE 7: All questions of order not herein provided for shall be decided by general parliamentary laws by Kerfoot.

RULE 8: The term of office of the moderator shall be limited to two years.

CONFESSIONS OF FAITH

1. We believe the Scripture of the Old and New Testament to be a divinely inspired revelation from God.

2. We accept the New Testament alone as revealing the only plan of salvation and as the final authority in all matters of church policy and practice.

3. We believe Jesus Christ as revealed in the New Testament to be the Son of God and the divine Saviour of all who truly accept Him as such.

4. We believe in the personality of the Holy Spirit, and in His abiding presence with the spirit of all the elect of God, in His quickening

presence with the spirit of the unregenerate moving to repentance and faith, in His witnessing presence with the spirit of the regenerate, in His comforting and guidance throughout life, in His sustaining presence in the experience of death, and in His continuing presence in the life to come.

5. We believe salvation is attained through spiritual regeneration in the act of repentance and acceptance of Jesus as Saviour.

6. Sincere spiritual redemption was made available by the death, burial and resurrection of Jesus, we believe that every regenerate person should symoblize his own salvation by being buried with Him in baptism.

7. We believe that a local church modeled after the New Testament order is a company of regenerate persons voluntarily joined together for the purpose of extending God's Kingdom on earth.

8. We believe that each church should from time to time, as a congregation, celebrate the Lord's Supper as a memorial to Him.

9. We believe in the ultimate triumph of God's Kingdom over all opposing powers, and that every regenerate soul shall have a share in that triumph.

SUNDAY SCHOOL REPORT

This year our Sunday schools report twenty-two standard schools with an increase of three over last year. Our November group schools this year almost doubled in enrollment over last year. Last year's enrollment was 539 and this year's enrollment was 1,060 with 921 earning awards. Group schools are being planned for next year. The correlated associational program was tried this year and was found to have its advantages and disadvantages. Considering the total program it seems to be adapted to our needs.

An associational Sunday school enlargement campaign was conducted this year on August 20-24 with Dr. Edgar Williamson and the Reverend Richard Smith leading the central conferences at the Second Baptist Church, Shelby. Twenty-two churches were represented in this campaign with 13 churches participating simultaneously and 9 churches preparing for the campaign later.

A clinic for our associational officers was held at Dover Baptist Church on September 6. The Sunday school officers were well represented and a helpful meeting was led by the Reverend Richard Smith.

An associational daily Vacation Bible School Clinic was held at the First Baptist Church, Shelby on April 10 under the direction of the associational daily Vacation Bible School superintendent, Reverend Bill Kincaid. Two identical clinics were held, one at 9:00 a.m. and one at 7:00 p.m. Of the 69 churches 59 report DVBS for this year.

Shelby Eastside reports 2 branch Sunday schools and Shelby First, Shelby Calvary, Ross Grove and Kings Mountain report one branch Sunday school each for the past year making a total of 75 Sunday schools with a total enrollment of 23,397. Many new classes and departments were organized this year, many of them as a result of the Sunday School Enlargement Campaign.

TRAINING UNION REPORT

The overall picture of Training Union is very good. We have been striving to reach the goals we set for last year. Many of these have been realized. It is encouraging to see more churches participating in earning awards. We have 69 churches in our association with 53 of these churches earning awards in church study in the six months period.

We are particularly interested in the number of awards in category 18, Principles and Methods in Training Union. We earned 391 awards for 9 months period.

We were disappointed in the Officers Training Clinic. It seems that fewer and fewer churches are participating.

We did not reach our goal for "M" night, but we had a splendid turn out. There were over 1,100 in attendance at the First Baptist Church, Shelby. We were fortunate to have Reverend Worth Grant, Missionary on leave from Japan, to be our speaker.

Our Association was sponsor of the tri-state Drama Festival that was held at the First Baptist Church, Shelby. There were many people who came and were richly rewarded by the splendid preparation of the participating churches.

This year, 1963, the Association will enter a Training Union Enlargement. We hope that every church will be included in this project.

The Training Union will be promoting World Missions Week, April 21-26, 1963. It is our desire that many of our churches will use this week as an opportunity for information and inspiration for Missions.

The books to be studied are:

EVANGELISM REPORT

The primary work of the Committee on Evangelism this past year was to promote an associational wide evangelistic clinic. This was held January 4 at the Eastside Baptist Church. This clinic was under the direction of state workers, Julian Hopkins and Gary Harthcock. There were 100 ministers and laymen who participated.

Later in January, a discussion of our approach to evangelism was held at the Second Baptist Church, Shelby. Those present were adult leaders in the Sunday schools in our local churches with about 70 in attendance.

In February the chairman of our Associational Committee on Evangelism attended a clinic in Greensboro. There were 60 other associational chairmen present. The group evaluated the weaknesses of our present approach to evangelism, and made long range suggestions for improvement. Another such clinic is to be held in February, 1963.

Our next associational wide evangelistic clinic will be held at the Eastside Baptist Church, January 3, 1963. There will be an afternoon and night session.

Providing the churches find it acceptable, there will be an associational wide emphasis on "simultaneous revivals" for the spring of 1964.

For information on baptisms and church membership, see the clerk's report. The information was not available.

James Stamey, Chairman

WOMAN'S MISSIONARY UNION REPORT

Our special emphasis during the past year has been Church Extension, in keeping with the Baptist Jubilee Advance program. We have organized a woman's Missionary Society at Oak View Church, and several youth organizations. These have been at various churches in our Association.

The weeks of prayer for Home and Foreign Missions were observed throughout the Association. Responses and offerings exceeded expectations.

The annual Girl's Auxiliary camp was held at Gardner-Webb College in July with 147 girls in attendance.

A quarterly Associational night was initiated this year. The programs given in the W M U meetings have been inspiring.

The Seventy-fifth Anniversary of Woman's Missionary Union will be observed from October 1, 1962 until October 1, 1963. In preparation for this, a seventy-five day period of prayer was observed, beginning July 18, 1962 and continuing until October 1, 1962. This time of prayer touched the lives of many of our members. Prayer Retreats were held in many churches, and Associational officers attended one at Fruitland. An Associational Prayer Retreat was conducted at Ross Grove Church on September 27th. All present gained information, inspiration, and a deeper appreciation for the power of prayer.

The Woman's Missionary Union of the Kings Mountain Association was recognized by the State W M U as an Advanced organization with the following percentages: WMS 27% - YWA 12% - GA 35% - Sunbeams 11%. We are striving to reach new goals in the year ahead.

I am ending my fifth and final year as President. It has been a privilege to serve the women and young people of the Kings Mountain Association. As we go our separate ways, may we continue to be, "Labourers Together with God" (I Cor. 3:9).

REPORT ON BAPTIST HOSPITAL

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors' Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hosptial. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations, it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient, he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as

much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays which consideration is given all Service Patients. **We must remember that the help given is limited by the Mother's Day gifts of our churches.**

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in our North Carolina Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by 8 times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four Homes - Resthaven and the Hayes Home in Winston-Salem, the Albemarle Home at Albermarle, the Hamilton Home at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety per cent of the residents who live in our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age," is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

REPORT OF MUSIC EDUCATION COMMITTEE

A new experiment was tried by the Music Department this year. A Choral Workshop was held in Shelby First Church, January 15, 16, 18, led by Harvey Woodruff of Charlotte. One hundred and forty-five were enrolled, 26 churches were represented. There was a fee of one dollar per person each night. Those attending termed the Workshop a great success.

The annual Christmas Carol Sing was at First Church, Kings Mountain, December 19, and was well attended. This event has been well received each year.

A greater emphasis on graded choir work in the individual churches is needed. The success of associational work will be judged by the improvement in the local churches.

SOUTH MOUNTAIN BAPTIST CAMP REPORT FOR 1962 SEASON

Five years activities at South Mountain Baptist Camp is history. Over 2,600 have made decisions for Christ, including 289 professions of faith. The program at the camp has aided over 6,000 boys and girls in Christian growth and service.

This has been our greatest year. We conducted three RA camps, with 318 attending, four GA camps with 411 attending. This does not include the staff of 17. 710 attended special groups, 335 attended over-nite camps, this makes a total of 1,774. 596 made decisions for Christ, 89 of these were professions of faith, 33 felt the call to Christian service.

God led us in building the program around the theme, "Witnessing for Jesus." It was amazing how the Holy Spirit gripped the hearts of many of the campers and the staff. Many young people witnessed courageously for Jesus at the camp. They witnessed at play, in the cabins, and in the services. Word has come from many who are witnessing for Christ at home because of their camp experience. Those who saw God working from week to week said, "you just couldn't believe it unless you experience it." Missionaries and national visitors from Brazil said, "It is amazing what God is doing here in the mountains." A GA counselor said, "I learned more about GA work."

We had representatives from the mission fields every week of the camps.

This has been our most successful year financially. We had a deficit of $300.00 last year. All this has been paid back. We purchased a cash register, a 1½ ton truck, and $75.00 worth of building materials. It looks like we will have several hundred dollars in our treasury when all the

bills are paid. At the present time we have a balance of over $600.00.

The money that we have on hand is ear-marked for improvement of cabins and the completion of some. We will also need forty to fifty additional beds before next summer. We need to improve the road and increase our water supply. All of the buildings will need one more coat of paint.

The N. C. Highway Department has paved the highway to the lake.

We now have 10 cabins and one under construction. Five church cabins have been built. Improvements have been made in the restrooms. Steps and sidewalks have been built from the road up to the first cabin below Menry Hall (assembly).

We need pastors and associational missionaries to aid us in filling the camp each week. We need at least 175 each week. We could have 9 or 10 weeks of camp since we are serving anyone in North Carolina.

We should encourage other church organizations to use the camp. BSU retreats, youth retreats, and pastors schools could make use of the camp.

The facts are before us. South Mountain Baptist Camp is a success. She is definitely in God's plan in shaping the lives of the youth of our land. Let us urge that you Pray for her, Put her in your budget, Send her your children.

Respectfully submitted,

T. A. Lineberger, Director

REPORT OF THE MISSIONS COUNCIL

The Missions Council met four times during the year. In the organizational meeting the following officers were elected:

Chairman ---------- W. C. Hill
Associate Chairman ---------- Dr. A. B. Wood
Secretary ---------- Mrs. L. P. Williams
Chairman, Finance and Administration Committee----A. L. Calton
Chairman, Missionary Planning Committee------Rev. B. L. Raines
Chairman, Institutional and Inter-racial Committee--Geo. V. Byrd

Some of the activities during the year are as follows:

1. The Institutional and Inter-racial Committee has provided for services in the Cleveland County jail each Sunday.

2. The Finance and Administration Committee has provided the suggested budget and has generally directed the work of our missionary.

3. The Sunday School Enlargement was conducted this year with a number of the churches participating and reporting wonderful results. This is the second phase of a five year program of work for our associa-

tion, with the emphasis this year on Training Union Enlargement.

We have had a good year for which we are grateful to our Lord, and look to Him for guidance in the work this year.

Respectfully submitted,

REPORT OF CHILDREN'S HOMES

During the past year 848 boys and girls have been cared for by us in the following ways:

33% of the cost from the Cooperative Program

30% of the cost from the Thanksgiving offerings

15% from once-a-month offerings

21% from other gifts

And for the first time the increase from the Cooperative Program has exceeded that of the Thanksgiving offering. Applications for admissions of 646 children had to be turned down because we had no room for them. This ought not to be so. We **must** provide more buildings for these children who are knocking at our doors, and we, too, must see to it that more children are placed in Foster Homes.

Let's make a worthy Thanksgiving offering this fall, see to it that our Sunday schools subscribe to Charity and Children, and pray earnestly for Dr. W. R. Wagoner, our General Superintendent, and for all others who help care for our children.

Respectfully submitted,

Zeno Wall

GARDNER-WEBB COLLEGE

Mrs. Rush Stroup, Chairman, Board of Trustees

E. Eugene Poston, President

Gardner-Webb College is well on the way in her 56th year of Christian Education. The faculty and the staff count it a distinct privilege to be a part of the family of Baptist Colleges in North Carolina and the Southern Baptist Convention.

The emphasis that is being placed on education beyond the high school should cause the Baptist people to stop and ponder over the purpose of our Baptist colleges. Gardner-Webb opened as a High School in 1907 with 135 students. The school became a Junior College in 1928, with an enrollment of 61 in the college and 176 in the high school. At the opening of the present session Gardner-Webb has enrolled 605 regular and 28 special students, a total of 633. The predictions of future enrollments

stager the imagination. Gardner-Webb had to turn away students this year because of the lack of dormitory space.

The above student enrollment represents 53 counties in North Carolina, 17 states, and one foreign country. Too, the report shows approximately 80% of the students are Baptists. There are 30 unchurched students. Some of these were won to faith in Christ during our recent campus-wide revival.

During the past year the college lost one of her closest friends in the death of Mr. O. Max Gardner, Jr. However, his Christian influence will live on and on in the lives of the faculty, the staff, and a host of others who knew of his dedication to and faith in Christ.

Several accomplishments made during the school year 1961-62 need to be listed. First a 12-weeks summer school was instituted. The enrollment of 310 in the summer brought the grand total for the 12 months to 960 students. Second, the facilities of the new Science Building lifted our standards to a higher degree. Third, a retirement system for the employees of Gardner-Webb College was begun. Fourth a deeper sense of Christian commitment was evident throughout the year.

During the past year the College Endowment funds increased through gifts, bequests, and savings to the extent of $53,255.49 and the plant fund assets increased $161,754.65. All current bills were paid promptly and our total debt as of July 31, 1962 was $215,000.00 which is being amortized monthly.

There are several buildings that must be built in the immediate future if we are to meet the needs of our students. The most urgent need is a new dormitory. We also need a Fine Arts Chapel Building, a Classrooms Building, and a Student Book Store. At the present time we are asking the Baptist State Convention to grant us the privilege of borrowing up to $150,000.00 to be applied to the cost of a new dormitory for men.

Gardner-Webb College will continue to study and to plan her program to meet the needs of the people affiliated with the Baptist State Convention of North Carolina. The prayers and other support of the Baptist people enable the college to serve our people from year to year.

Respectfully submitted,

E. Eugene Poston, President

ORDINATION ADVISORY COMMITTEE REPORT

During the year 1961-1962 this committee had six requests for its services. It is always to be remembered that this committee serves only in an advisory capacity; and after the committee makes a recommendation the decision to ordain any candidate is always left to the local church.

Each candidate was questioned along the following lines: Experience

of salvation and call to the ministry; convictions regarding the scriptures; beliefs about the nature of God; nature and ordinances of the church; co-operation with other Baptists; and ministerial ethics.

This committee examined the following men and recommended that the church ordain them:

Don McSwain	Boiling Springs
Randy Elrod	Boiling Springs
Harold Delozier	Pleasant Ridge
Stanley Webb	Pleasant Ridge
John Ellis Biggers	Patterson Springs
Jim Hopper	Union

One of the manifestations of God being in our midst is the calling of men to be set aside for the gospel ministry. We thank God for this, and we are thankful that we had the high privilege of talking with them about their call to the ministry.

Respectfully submitted,

Aaron Phipps

REPORT OF THE PASTORS' CONFERENCE

The officers for the conference for the year, October, 1961 - September, 1962 were Charles B. Summey, Pastor of Elizabeth Baptist Church, President; Marion DuBose, Pastor of Kings Mountain Baptist Church, Vice-President; Burley Turner, Pastor of Waco Baptist Church and B. L. Kincaid, Pastor of Pleasant Grove Baptist Church, Secretaries.

During the Conference Year the Pastors in session heard a number of distignuished speakers. Among the subjects heard were Civil Defense, Christian Education Advance, the Mental Health Clinic, a Domestic Relations Court, and Scouting. Two outstanding programs were months apart: in December of 1961 Rev. J. L. Suttle gave some informal remarks of his more active days that served to inspire and to linger with all who were in attendance on that day; in September of 1962 Rev. A. Douglas Aldrich of the Forest Hills Baptist Church of Raleigh closed the Conference Year with a superb message on the subject, "The Battle of Time." Throughout the year at various meetings the work of the Association was constantly promoted and Rev. C. O. Greene, Associational Missionary, was always present with a word of help and encouragement.

As the new year began officers chosen were Wilson Padgett, Pastor of Shelby Eastside Baptist Church, President; James A. Hutson, Pastor of Pleasant Hill Baptist Church, Vice-President; and C. A. Kirby, Pastor of Double Springs Baptist Church, Secretary-Treasurer.

Respectfully submitted,

ROYAL AMBASSADOR REPORT TO KINGS MOUNTAIN BAPTIST ASSOCIATION

This year the R. A. Associational leader conducted a one-night clinic for the purpose of introducing the new R. A. Program. We also conducted the Brotherhood Conference at one of the Association Family Nights.

Eighty two boys attended the R. A. Camp at Gardner-Webb College, July 30-August 3.

We have visited 11 churches for special meetings concerning the R. A. work. Also, we have distributed literature to a number of churches re-entering the R. A. Program.

Brother Ralph Mitchem headed the R. A. Baseball League Commission. Serving with him were: Leon Williams, Warren Hoyle, Charlie Cabaniss, Wade Hartsoe, Jr. and Russell Fitts. We thank Mr. Mitchem for the very successful year in R. A. baseball.

We would like to urge strong support for the R. A. Program from these two sources:

1. the Brotherhood or a Men's Sunday School Class.

2. the parents of R. A. boys.

The R. A. Program in the local church is greatly dependent upon the above two sources.

Respectfully submitted,

Russell Fitts

MINISTERS' WIVES AUXILIARY REPORT

Our motto for this year has been: "Now thanks be unto God, which always causeth us to triumph in Christ, and maketh manifest the savour of his knowledge by us in every place." II Cor. 2-14.

We celebrated our tenth anniversary as an organization, and so our yearbook was dedicated to: Mrs. Archie Hughes, Mrs. John W. Suttle and all others whose interest led to organizing this auxiliary on September 18, 1951, and to all charter members. Those charter members still in the auxiliary are: Mrs. John W. Suttle, Mrs. J. R. Cantrell, Mrs. Lawrence Roberts, Mrs. H. E. Waldrop, Mrs. E. M. Smith.

We have 30 members and an average attendance of 18. We earnestly hope that each minister's wife will join with us in the year to come. A special invitation is given to all those wives who are new to our association. We seek to have very informal meetings, with emphasis on getting to know one another, and so encourage all wives, not members at this time, to put our monthly meetings on your busy schedule. I'm sure you will find it as rewarding as we all have.

THE GENERAL BOARD'S REPORT

The General Board of the Kings Mountain Baptist Association had a monthly meeting on Monday after first Sunday in each month at 10:00 a.m. in First Baptist Church, Shelby, North Carolina.

The following matters of business were discussed and acted upon: Mrs. Wilson Padgett, Chairman of Nominating Committee, resigned and Oscar Funderburke was elected to become Chairman of Committee. James Holder was elected to fill the unexpired term of Burley Turner. Others who were elected to fill vacancies; Richard Spencer to replace Burley Turner as Young Peoples Sunday School Departmental Officer; James Hutson became Biblical Recorder Representative to replace J. A. Bracey; Joe Wright to take Roland Leath's position as Shelby Sunday School Group Leader; A. V. Nolan serve as Sunday School Associate Superintendent instead of Roland Leath; Mrs. Evans Stamey as Cradle Roll Department Officer; Hugh Borders to replace J. A. Bracey as Intermediate Sunday School Officer. The Nominating Committee presented a roster of Sunday School, Baptist Training Union Officers and Associational representatives to serve the coming Associational year, subject to the approval of the Association in session.

The office secretary at Baptist Center, Mrs. Betty B. Cornwell, who was most efficient, resigned May 31, 1962. Miss Rebecca Putnam was a helper for the month of June. Then, Mrs. Jack Shull served for six weeks. Mrs. Odessa B. Crisp is at present secretary at the Baptist Center.

Applications for student aid for Bobby Deviney of Norman's Grove Church and Donald W. McSwain of Boiling Springs Church was approved. They were both students at Gardner-Webb College. The General Board approved as application for Pastorial Aid to the State Mission Board for Shelby Westview Baptist Church, for $1,000.00 for 1962.

The Committee on Place and Preachers recommended that the one hundred—twelfth annual session meet with the Kings Mountain Group of Churches. A few days after the session closed at Zoar in 1961, the Clerk received an invitation for the two day session to meet with the Kings Mountain First Church with assistance from the churches of the Group.

The Association approved a program of work for the Association "an Associational night of correlated meetings to be held each month." This program has been promoted with some degree of success. The following speakers have come to us with helpful messages: Rev. Hubert Middleton, a North Carolina native, now serving as Missionary in Chile, South America; Rev. Garland Hendricks, from Southeastern Seminary, Wake Forest, North Carolina and Rev. R. T. Greene of the State Mission Offices at Raleigh, North Carolina. Jack Cowsert, retired Missionary from Brazil, spoke at the R. A. Camp at Gardner-Webb College.

The General Board asked the Resolutions Committee to prepare letters of accommodation and appreciation for work well done by Cleveland County and other law enforcement officials for raids made against slot machines and strong drinks for unlawful operation and clubs.

The following Resolutions were also approved by the General Board:

Whereas—the citizens of this county are appalled at the sale of alcoholic beverage in a dry county.

Whereas—we see the evil that it does in wrecking homes, ruining character and endangering the lives of innocent people.

Whereas—there are many known clubs and establishments that are guilty of storing and selling alcoholic beverage and being a nuisance in the community.

Be it Resolved:

This General Board recommend to the Kings Mountain Baptist Association that we, a segment of the Christian conscience of our community and county:

A very helpful book was presented to the Baptist Center by Misses Pearl and Edna Herndon of Bethlehem Church Community—Deacon John R. Logan's book **Sketches of the Broad River and Kings Mountain Baptist Associations 1800 to 1882.**

On March 5, 1962 the Mission Council sponsored by the Institutional and Interracial divisions of the Council recommend to the General Board "that the Churches be requested to make an offering for the Washington Negro Baptist Church on April 22, 1962 or another Sunday desirable." The Clerk received offering from 16 Churches in the amounts of $1,164.39. Other Churches made their offering direct.

The Finance and Administration Committee presented a budget for the Associational year—1962-1963. It was approved by General Board in session. Subject to approval by the Association in session in October at Kings Mountain First Baptist Church.

HAMRICK AND REDDING REPORT

October 11, 1962

The Auditing Committee
Kings Mountain Baptist Association
Shelby, North Carolina

Gentlemen:

We have examined the accounts of the Kings Mountain Baptist Association maintained by Reverend Lawrence Roberts for the year ended September 30, 1962 and submit our report herewith.

Our examination consisted of tracing all recorded cash receipts to the bank statements and of verifying disbursements by examination of the cancelled checks.

In our opinion the attached statement of receipts and disbursements presents fairly the transactions of the General Fund of the Kings Mountain Baptist Association for the year ended September 30, 1962.

Very truly yours,

Hamrick and Redding

BROTHERHOOD

This report is not an attempt to boast of what the Brotherhood is doing, but, rather the mention of some things the Brotherhood should do.

For several years I have noticed that at nearly all our Baptist meetings at the Associational State and Southern Baptist level, there has been a large number of Ministers in relation to the number of lay people.

I believe the Brotherhood is one organization that can have a great influence for good in our Churches. And, perhaps this is the group that can get more lay people to give of their time to attend the meetings of the Baptist State Convention and the Southern Baptist Convention.

In fact, it seems to me that every Church should try to get at least two lay people to attend these meetings along with the Pastors and thus help the Ministers with the business affairs of these groups. Thus, relieve the Pastor of some of their administrative details thus giving them more time to study and visit and pray.

EVERY CHURCH NEEDS A LIBRARY

In books we have the richest treasures of earth. While most of us are not privileged to associate with great men and women of the earth, we are unrestricted in choosing our book companions. Emerson once observed that when we encounter a man of rare intellect, we should ask him what books he reads, for every great man owes a large share of his greatness to the books handed down to him by preceding generations.

There are many reasons why every church needs a library. We, as Baptist need to read, study and learn all we can about the beliefs, doctrines and work of our church and denomination. In our Bible study we need help. The Bible is more than a Book—it is a library of many books and to understand it we must know something of the era in which each of the books were written, something about the man who wrote the book, its purpose, plan and content. On and on we might go in listing the type of books we need if we are to be informed, growing Christians. In many cases a church library is the only source of this inspirational reading many people have.

Often God brings together the right person and the right book resulting in a personal problem being solved, life dedicated to Christian service, or the leading of an unsaved one to Christ.

I am happy to report a number of Churches have revitalized their libraries in the past year and a few new ones have been organized.

God alone could compute the good wrought by a church library, for it will give life, strength and enlightenment to the entire church life.

May we read to glorify Christ.

Mrs. Aubrey L. Calton

BIBLICAL RECORDER REPORT

One of the best investments that a church can make in its members is to place the **BIBLICAL RECORDER** in every church home.

It is my own personal experience that sending the **RECORDER** is an investment and not an expense. It is the purpose of the **RECORDER** to inform, inspire and enlist the Baptists of North Carolina in a world program of missions beginning here at home. However, the **RECORDER** achieves this purpose only when it is sent into the homes of our people. As the church assumes the responsibility for providing Sunday School and Training Union literature for its members; it should in like manner provide the **BIBLICAL RECORDER** for every family.

In Kings Mountain Association there are 17 churches with the Every Family Plan. 28 churches have the Club Plan. Each week, including the Pastor's and Superintendent's list, 2,546 copies of the **BIBLICAL RECORDER** are mailed to homes in our Association. From these figures we see that 24 churches do not have either the Every Family or Club Plan.

I hope that you will urge your church to invest in the information, inspiration and enlistment of its members through the **BIBLICAL RECORDER.**

REPORT OF TRUSTEES OF KINGS MOUNTAIN BAPTIST ASSOCIATION

In accordance with a resolution passed by the One Hundred Eleventh Annual Session of the Kings Mountain Baptist Association held at Zoar Baptist Church on October 20th, 1961, as will appear of record, the undersigned trustees did on November 6th, 1961 convey to Rylan Redding, Livingston Johnson, and Robert Culbreth, trustees of the Westview Baptist Church, a parcel of land located at the southwest intersection of Wesson

Road and Branton Drive in the southwest section of the City of Shelby, North Carolina, as described in Deed Book 9-I at page 579 of the Cleveland County Registry, North Carolina.

This was the only business dealt with by the trustees in the past year.

REPORT OF THE HISTORIAN

In the Bible the scribes had influence, prestige, status and were considered to be among the wisest of men. They led their communities and their nation closer to God.

They recorded the sayings of the ages, the doings of the nations and duly wrote down the words of the prophets and verily the "Word of God."

About half the churches of the Kings Mountain Association have scribes (historians) who are doing their job. Some are doing their work real well. A few are magnifying their task and making it a labor of love.

During the past year one meeting of the scribes was held—a dinner and workshop at Gardner-Webb College. Representatives brought items for display which had some historical interest in the church or community. During the meeting, plans were discussed for the achievement of the general goals of the History Committee of the Association which are:

1. A Historian for every church who will write a history or gather all necessary information for such a history.
2. Completion of sketches of local church leaders, pastors, deacons, teachers and other lay persons, either men or women.
3. Collection and preservation of all the old church records.
4. Establishment of an association-wide museum or repository for all items of historical value.
5. Gathering all necessary information for a good general history of the Kings Mountain Baptist Association, and getting it written and published in the next four or five years.
6. Co-operation with State and Southern Baptist in sharing this information.

VISUAL AID REPORT

Visual Aid in the church is an aid to the Ministers, Teachers and Leaders in carrying out a more effective ministry. The Visual Program of the church is not an Extra, but an aid in helping the Minister reach more people effectively. If you do not have a Visual Aid program, we urge you to begin immediately to organize one for we know of no better medium of assisting the Minister or teacher in building a great church and Sunday School.

There are numerous sources of Visual Aid material. Some have rental charges while others only require postage. We list addresses of a few Visual Aid catalogues: Audio Visual Aids, Baptist Building, 301 Hillsboro Street, Raleigh, N. C.; Religious Film Service, 2804 Anderson Drive, Raleigh, N. C.; and Filmstrips Catalog, Society for Visual Education, Inc., 1345 Diversy Parkway, Chicago 14, Illinois.

Radio and T.V. are being used a great deal as a vital arm in church programs. The newspapers will carry the schedules of church programs.

We should like to encourage all churches to become Visual Aid minded.

Respectfully submitted,

D. W. Kiser

HOME MISSION REPORT 1962

57 Churches out of 69 in the Kings Mountain Association shared in the work of the Home Mission program of the Southern Baptist Convention this past year by contributing to the Annie Armstrong Offering a total of $12,491. 60 of our churches became co-workers with the Home Mission program by contributing indirectly through the Cooperative Program. It is good to be able to report that the people of the Kings Mountain Association are continuing their interest in the work of the Home Mission Board of the Southern Baptist Convention and there are several outstanding highlights of Home Missions that ought to be brought to our attention this year.

We are well aware of the so-called "Cuban Crisis" in which many fine families have been forced to seek refuge from the new regime of Fidel Castro. While visiting in Miami this past Spring, I saw a little of the heartbreak and sorrow in the faces of those 140,000 Latin Americans who have been coming to Miami at the rate of 1,600 per week for many months. I am happy to call to your attention the fact that your Home Mission workers are on the scene, fully mobilized and prepared to minister to a great number of these people. They are under the direction of Home Missionary Robert Fricke, and they have assisted in resettling 27 families, 101 refugees and are dealing with 20 other churches where they hope to place other families. When the crisis was first apparent, the Board appropriated $20,000 for relief work and then when the Annie Armstrong offering reached its goal this past Spring, $50,000 more was allo-

cated for this work. We are indeed grateful for the leadership of our Home Missionaries in this work and we are grateful that we can have a part in this crisis ministry.

It will also interest you to know that we still have six missionaries in Cuba under the direction of Superintendent Herbert Caudill, and despite harrassment by the Cuban government, they are continuing a strong evangelistic effort. $265,000 has been allotted for their work this year.

We regret to report that the "Big Cities" ministry which needed $100,000 this year for church and mission sites had to be discontinued because there was not enough in the Cooperative Program to meet the budget expectations. Let us not forget that the Cooperative Program is the lifeline of the Home Mission Program and it must not fail.

This has been a year of continuing progress for the 30,000 Movement. By January, of this year, Dr. C. C. Warren, director of the Movement announced that 14,210 missions and churches had been started in the Southern Baptist Convention. The goal for 1962 was set at 6,000. The Movement calls for 30,000 new preaching stations to be organized between 1956 and 1964. We have one of these new churches in our Association, The Westview Baptist Church, having been organized since last August 19, 1961.

The Brotherhood joined with the Home Mission Board this year in sending men to pioneer areas for revivals and evangelistic missions in order to start new churches and new missions. Several pastors and laymen from our state have been on preaching tours this year in our northern and western states. More than 500 men paid their own way last year and over a thousand this year. The Board also sent out 600 student summer missionaries this year to work in the cities, with good-will canters, language groups, etc.

The Home Mission Board is the liaison between the military chaplaincy and our denomination. We now have 695 Southern Baptist Chaplains in the military; 800 part-time and 1,300 full-time chaplains in the hospitals of the nation; and there are 58 Southern Baptist Chaplains in correctional institutes.

All together there are 1,975 misionaries serving under the direction of the Home Mission Board in all 50 states, Cuba, Panama and the Canal Zone. These missionaries reported 54,899 professions of faith in Christ last year. Their work was carried on with a budget of $4,425,000.00.

There are several things that we would encourage each church to do during the coming year:

1. Support the Week of Prayer for Home Missions in March.
2. Participate in the Annie Armstrong Offering for Home Missions.
3. Subscribe to the Home Missions Magazine for the pastor and other interested leaders.

4. Send the Pastor, WMS President, or other interested members to Ridgecrest or Glorietta for Home Missions Week.

5. Keep the church membership informed concerning the latest Home Mission activities, e. g., the Cuban Refugee Program.

Respectfully submitted,

Forrest Teague

MISSIONARY'S REPORT

This has been another busy year for your missionary. He has averaged speaking to some group every other day, has averaged a meeting every day in the year, has had more than 750 personal conferences, and has spent hour after hour in promotion and preparation for all we Baptists seek to do. The other reports in this book will give you some idea of the scope of that work.

In the services he has conducted there have been 39 additions to the churches by letter and 17 by profession of faith in Christ as Saviour. There have been scores of rededications.

Our special emphasis this year in our five year program of work was the pastor-led Sunday School enlargement campaign. We were gratified with the response and feel that results will continue to be seen.

The emphasis for 1962-63 is a Training Union Enlargement Campaign set for the first of October.

There is a growing conviction on my part that our Association needs to stress a deepened spiritual life on the part of the church members and an awareness of the real purpose of the church which causes its influence to be felt in every area of life.

The fact that we have more non-resident members in our churches than we have unchurched people in our county points up the need for strengthening our efforts to develop mature church members while at the same time not forgetting to continue to strive to reach the unreached.

It is a privilege to serve you. Please call on me when you feel that I can help.

Respectfully submitted,

C. O. Greene

REPORT OF RESOLUTIONS COMMITTEE

By request of the General Board, this committee presented the following:

1. Whereas—the citizens of this county are appalled at the sale of alcoholic beverage in a dry county.

Whereas—there are many known clubs and establishments that are guilty of storing and selling alcoholic beverage and being a nuisance in the community.

Be it Resolved:

This General Board recommend to the Kings Mountain Baptist Association that we, a segment of the Christian conscience of our community and county:

1. Ask our law enforcement body for a more strict supervision of this evil and prohibit its use and sale.

MEMORIALS

In talking with a man not long ago, he looked me in the face and said, "Preacher, when a man is dead he is soon forgotten." I am afraid that is too true with many of us. To know the struggles, of those in the past, in Christ Jesus, is to cause us to push harder for Him in the future.

In the going of our loved ones, the Bible is always ready with a word of comfort:

"The gift of God is eternal life through Jesus Christ our Lord." Romans 6:23.

"Whosoever believeth in Him should not perish but have eternal life." John 3:16.

"I will come again and receive you unto myself that where I am there ye may be also." John 14:3.

"And He said to me, "These are they which come out of great tribulation, and washed their robes, and have made them white in the blood of the Lamb." Revelation 7:14.

During the past year 202 members of the churches in our association have answered the call of God by death. Some of these I have known all my life, and others I have known only a few months. I can bear testimony for these, that they are with the Lord. I am sure you can say that for others. In a funeral service for two young people not long ago, the preacher said, "Don't be sorry for them, they are with the Lord, and better off than we are. They are sorry for us."

In this number of 202 there are:

These are the missions reported in 1960. There were four mission Sunday Schools operated by the following churches: Cleveland County Home, sponsored by Shelby First Baptist Church; Turner's Convalescent Home, sponsored by Ross Grove Baptist Church; South Morgan Street Mission, sponsored by Shelby Calvary Baptist Church; Kings Mountain Hospital, sponsored by Kings Mountain Baptist Church.

These are the new ones reported this year, 1961. There is one new church organized August 13, 1961, Westview in Shelby; two new Sunday Schools operated by Shelby Eastside, one on Dover Street and one at the Shelby Fire Station, City Hall; and one preaching mission at the Cleveland County Home by Mull's Chapel, and one new Teaching unit in 1962 by Shelby Eastside Church, Cleveland Memorial Hospital Sunday School Class.

The Kings Mountain Baptist Church was organized December, 1958, therefore these Missions Sunday Schools and these churches would come under the 30,000 Movement.

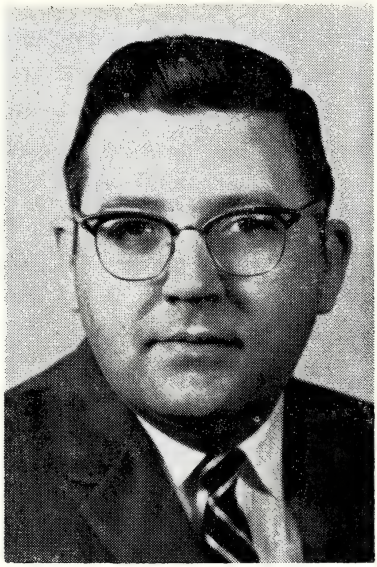
THE HOST CHURCH
NEW HOPE CHURCH, EARL, N. C.

The New Hope Baptist Church was organized in 1874. The present building was erected in 1953 and is now completely debt free. The church has been host to the Annual Association on four other occasions: 1875, 1897, 1915, and in 1942. The messengers were warmly received and in every way the members of the host church aided by the other churches in the Grover group demonstrated genuine Christian hospitality. Listed below are the present leaders of the church:

Pastor—Rev. Don Goff
Minister of Music—Mr. Desmond Hargis
Chairman of the Deacons—Mr. Burie H. Hopper
Sunday School Superintendent—Mr. Wilson L. Randall
Training Union Director—Mr. C. T. Tolbert
President of Woman's Missionary Union—Mrs. Ben F. Turner
President of The Brotherhood—Mr. Morris Runyans
Chairman of the R. A. Committee—Mr. Edgar Elinburg
Church Treasurer—Mr. Louie Allen
Church Clerk—Mr. Warren Starnes



THE HOST PASTOR
REV. DON GOFF

Rev. Don Goff was called as Pastor of the New Hope Church, Earl, March, 1961, from a pastorate in Mardella Springs, Maryland. He is a native of West Virginia and his wife is the former Loretta Ennis, also of West Virginia. They have four children, Michael 10, Joyce 7, Kathy 3, and Morgan 1 year old.

The church under his leadership, has made significant gains in missions giving and other areas of progress are gratifying. Rev. Goff has served faithfully in the work of the Association and is now serving his second year as Associational Training Union Director.

MINISTER OF MUSIC

Minister of Music is Desmond Hargis, from Hopkinsville, Kentucky. Mr. Hargis is also a teacher of history at Gardner-Webb College. He and his wife, Linda have no children.

LAWRENCE ROBERTS

For the past 17 years, Rev. Lawrence Roberts has been Clerk-Treasurer of the Kings Mountain Association. We intend the following to be a salute to Bro. Roberts as he relinquishes this post.

Mr. Roberts was born in the Elizabeth community where he now lives. As a boy he became a Christian and joined Elizabeth church. There he served as a Sunday School secretary and teacher, BYPU secretary, usher and deacon.

In July, 1923, he was licensed for the ministry. He attended school at Boiling Springs and Mars Hill. He received the B. A. degree from Furman and the Th. M. degree from Southwestern Seminary, Fort Worth, Texas.

He served as pastor of three churches in South Carolina, two in Texas, one in Gaston Association and eight in the Kings Mountain Association. Along with these he has also served ten years as secretary of the Baptist Pastors' Conference and also as secretary for the Greater Shelby Ministerial Conference.

Anyone who knows, has known or observed Lawrence Roberts would agree to the following.

1. **His faithfulness**—It is difficult to recall a time when he was not present for the General Board meetings. His reports and minutes were always up to date and complete. He was faithful also in attending other meetings such as Pastors' Conference, church organization meetings, committee meetings and others.

2. **As a loyal Baptist**—He has displayed an almost passionate interest in the work of the Kingdom as Baptists interpret it and seek to carry it out. He believes in our Baptist work from the local church, to the Association, to the State Convention, to the Southern Convention and to the "Uttermost ends of the earth." Many times he has with fervent speech reminded all of us of the urgency of the times and of our responsibility as Baptists in the will of God.

3. **Thoroughness of work**—Every year his minutes have rated up with the best. Early in 1963 he received a Certificate of Achievement from the Sunday School Board Statistical Department along with this citation:

> "Your minutes have been graded and found to meet the highest possible award in the 1962 Better Minutes Contest."

4. **His genuine Christlikeness**—above all to know Lawrence Roberts is to know a man who loves the Lord Jesus Christ. Through the years, quietly and unassumingly, he has radiated the Christian spirit. Whether it be as a husband, a father, a pastor or a friend he has shown a love and concern for people which is worthy of emulation.

In all of these we must add a word of appreciation for his faithful companion through the years. She not only has made a home for him, but also she has walked with him through his pastorates helping in any way possible—teaching, playing the piano and many others too numerous to mention.

We wish for both every joy in retirement. They may be assured that they have the love and best wishes of the 24,000 Baptists who make up the Kings Mountain Association.

4. We believe in the personality of the Holy Spirit, and in His abiding presence with the spirit of all the elect of God, in His quickening presence with the spirit of the unregenerate moving to repentance and faith, in His witnessing presence with the spirit of the regenerate, in His comforting and guidance throughout life, in His sustaining presence in the experience of death, and in His continuing presence in the life to come.

5. We believe salvation is attained through spiritual regeneration in the act of repentance and acceptance of Jesus as Saviour.

Chairman of the Nominating Committee, Lawrence Roberts, named the following committees (found elsewhere in the minutes): The Committee on Trustees; the Committee on Auditing; the Committee on House and Grounds; Transportation Committee; Historical Committee; Region VIII Camp Committee; Committee on Order of Business; Committee on Nominations; and Committee on Committees. The suggestion was made that the Constitution Committee be continued and to be considered a permanent Committee as there is need for further study and possible change. This item with the other committees were adopted.

57. Mrs. Lowery Austell presented the report on memorials in which she stated that 204 members of our churches had passed to their eternal reward. Among these were three ministers, J. A. Brock, J. W. Suttle, and B. F. Austin. During the report quiet music was heard in the background and Rev. John Lawrence closed the report by singing the hymn "How Great Thou Art."

58. The Moderator introduced visitors among whom was Rev. and Mrs. W. P. Biggerstaff, retired, who recently moved into the county and Rev. C. E. Crawford of the Pilot Mountain Association.

60. Rev. Forrest Teague presented the report on Home Missions and moved its adoption. He called attention to the opportunities of work among the Cuban Refugees, after which he introduced Rev. A. B. Bumgarner, pastor of the Spencer Church, Spindale, who spoke on the work of the Home Mission Board in the mid and northwest section of our country including Alaska. He pleaded for prayer and support for work in these areas. The report was adopted.

61. Allen Jolley presented the Gardner-Webb Choir, Mrs. Robert Gidney, director. The choir sang the following numbers: "Bless The Lord O My Soul," "Create In Me A Clean Heart," "God of Grace and God of

Glory," "Think On These Things," "Send Forth Thy Spirit."

62. Rev. W. W. Willingham presented the Foreign Mission Report as found in the Book of Reports and moved its adoption. He stated that 247 missionaries had been appointed recently bringing the total to 1792 and that by the end of the year it is expected that more than 1,800 missionaries would be serving in at least 53 countries.

63. Bringing the message on the Foreign Mission Report was Rev. Douglas Aldrich, pastor of First Church, Gastonia. He used for his text Micah 4 and preached on "The Gospel of Peace for Multitudes yet in Turmoil." The Foreign Mission report was duly adopted.

64. The Moderator E. M. Smith declared the 113th Annual Associational meeting adjourned and asked Rev. B. L. Raines to offer the closing prayer.

WOMAN'S MISSIONARY UNION
MINUTES OF THE SIXTY-NINTH ANNUAL SESSION

The sixty-ninth annual session of the Kings Mountain Associational Woman's Missionary Union was held at Second Baptist Church in Shelby on Thursday, April 18, 1963. The theme for the program was "A Priceless Heritage." The program also featured the seventy-fifth anniversary of Woman's Missionary Union and the fiftieth anniversary of Girl's Auxiliary. Organist was Mrs. Dennis Larkins and Mrs. Raymond Needham led the singing.

Following the organ prelude, Mrs. C. D. Forney, Jr., President, called the meeting to order. The hymn "Come Thou Almighty King" was sung.

The Reverend Norman Brown, pastor of the hostess church, offered the invocation.

The Devotional Message was given by Mrs. A. B. Wood and Mrs. Wilson Harmon. Mrs. Wood, appearing in period dress, discussed former years of W. M. U. work and Mrs. Harmon talked of future plans. Both used verses of scripture pointing up our "priceless heritage" and our hopes for future years.

Cordial words of welcome were spoken and brief announcements made by Mrs. Clifford Hughes, president of the hostess Woman's Missionary Union.

During the morning business session the president, Mrs. Forney, ap-

pointed the following committees:

Placement committee: Mrs. Harold Causby, Mrs. Joe Hamrick and Mrs. Max Davis.

Appreciations committee: Mrs. Raymond Needham, Mrs. Ben F. Turner and Mrs. John Wacaster.

Visitors recognized by Mrs. Forney were Mrs. Ronald Hill, missionary guest from Thailand; past associational W. M. U. presidents, pastors and Mrs. Jessie Jones of Sandy Plains, attending for her forty-first consecutive session.

A Historical Sketch of the Woman's Missionary Union of the Kings Mountain Baptist Association was given by Mrs. Ralph Spangler. In keeping with the theme for the day "A Priceless Heritage," special tribute was paid to former associational presidents. Former presidents at the meeting appeared on the rostrum while a brief summary of their administration and accomplishments was given. They were: Mrs. John Wacaster 1920-1945; Mrs. W. P. Biggerstaff 1945-1950; Mrs. B. A. Harry 1950-1954; Mrs. Rush Stroup 1954-1958; Mrs. C. D. Forney, Jr., 1958-1963. Words of appreciation were spoken to all who have made our growth possible and was pointed out that there is an ever-increasing amount of work to be done.

Special music was rendered by Mrs. Bill Ledford and Mrs. Gene Bivins.

Certificates of merit were awarded to all approved and honor youth organizations and societies from the Associational W. M. U.

Mrs. Ronald Hill, missionary to Thailand, was presented and brought the morning message. She gave a most informative account of their work in Thailand for the past eleven years. She spoke of the many different opportunities there were to witness. Her challenge to the group was to seek and do God's will in these troubled days. She asked for prayer for the people in Thailand and said that people in the United States do not know how to appreciate fully their religious freedom.

The morning session was closed with prayer led by Mrs. E. R. Roberts. The noon meal was served by the hostess W. M. U.

AFTERNOON SESSION

The afternoon session was opened with the singing of the hymn, "We've A Story To Tell."

Under the direction of Mrs. DeMar Boyles, G.A.'s from the First Baptist Church in Shelby presented a skit reviewing the progress of Girls' Auxiliary for the past fifty years.

The G. A. hymn was beautifully rendered by G.A.'s from Elizabeth Church accompanied by Mrs. Charles Summey.

Mrs. Howard Ware was recognized by Mrs. Boyles for the outstanding work she had done in the Kings Mountain Baptist Church with G.A.'s Mrs. Ware presented a group of girls she had worked with, telling of their accomplishments. Slides were shown of their coronation.

Mrs. James Marchman, G.A. Director of Sandy Run Association, spoke on the trip being planned to G.A. Convention in Memphis, Tennessee and invited G.A.'s from the Kings Mountain Association to join this group.

The following committees made reports: Mrs. John Wacaster read the report of the appreciations committee. It was adopted.

SUNDAY SCHOOL REPORT

This has not been a notable year in Sunday School work. We are not a standard association because of certain regulations. However, during the coming year we will have an entirely new set of standards, and it looks like it might be possible for us to meet them provided we try.

The Correlated program was tried again with reasonable good results. We think the idea is good.

There were 62 Vacation Bible Schools reported. We long to see one in every church. The Group Schools of study were well attended and hundreds of awards were given.

The Associational Clinic has not been held yet but will be soon.

Next year the emphasis will be on the Jubilee Advance and the simultaneous revivals next Spring. This should be a fitting climax to our 30,000 Campaign.

Let us pull together, pray together, and work together to make the coming year the banner year in soul-winning for our Association.

Respectfully submitted,

W. V. Tarlton

TRAINING UNION REPORT

There seems to be an increasing appreciation for the Training Union in many of our churches. Your director has with his co-workers had many opportunities to present Training Union work.

The great and increasing need for Church workers in all the organizations makes it imperative that every church have a Sunday evening Educational Program. The primary purpose of Training Union is training of church members in church membership.

OFFICERS AND COMMITTEE CLINIC

On October 30, 1962 an Officers and Committee Clinic was conducted at First Church, Grover. Of our 69 churches, we had 16 represented with an enrollment of 45. It seems that our churches are not availing themselves to the opportunity of these clinics so it is the decision of the Training Union Executive Committee that a clinic not be held this year.

M NIGHT

The first big event of the new year in Training Union was "M Night." This is the night on which more Southern Baptists get together than on any other night of the year. Total attendance for our Association was 900 with 59 churches and 46 pastors represented. Rev. John Poe, missionary on leave from Brazil, was our speaker. "M Night" for 1963 will be December 2 at First Baptist Church, Shelby.

ONE NIGHT LEADERSHIP CLINIC

The months of March and April the leaders in our age group departments conducted a one night clinic in each of the six groups in our Association. The response to the clinic was overwhelming. It is our earnest hope to continue this plan another year. We had a total of 148 officers and leaders, with 22 pastors present. Thirty-one of our churches were represented in these clinics.

YOUTH WEEK

We had 32 churches to report that they observed Youth Week some time during the year. A well planned Youth Week will do much for a church. In order to have a good Youth Week, planning must be done early in the year. Associational Youth Night was held at Gardner-Webb College with 264 youth and adults present. Four of our young people led a panel discussion that proved to be a great blessing to all present. Mrs. Wilson Harmon was our inspirational speaker.

The suggested date for Youth Week in 1964 is March 15-21 with Associational Youth Night on the 21st.

We must never forget that the church of tomorrow will be made up of the youth of today.

WORLD MISSION WEEK

In co-operation with the W. M. U., the Brotherhood, the Sunday School, and the Music Department of our Association we promoted World Mission Week in the Association. A Mission Rally was held on Tuesday night at the First Church, Shelby.

CHURCH STUDY COURSE AWARDS

For the Associational year we had a total of 3,256 study course awards with 241 in category 18. We need to increase the number greatly if we are to do effective Training Union work.

TRAINING UNION ENLARGEMENT CAMPAIGN

Our year concluded with 21 of our pastors participating in the morning sessions. Five state workers were with us in the campaign and went into the local churches where invited for a night session.

From the comments of many of our pastors this was one of the great weeks of the associational year.

Many of the pastors will conduct night sessions in their local church at some future date.

Don Goff

REPORT ON FOREIGN MISSIONS

The command of Jesus to be "witnesses to the ends of the earth," (Acts 1:8), is still ours today. What a challenge to achieve something constructive in today's uneasy world! This is our opportunity now as Baptists in a world that so desperately needs our help. Foreign Missions is the missionary effort on the part of Southern Baptists to reach the unsaved in other lands for Christ and teach, enlist and train the saved in living, giving, and serving.

We find these words in I John 2:11: "and knoweth not whither he goeth because that darkness hath blinded his eyes." There are literally millions of lost people in our world who are on their way to eternity without God. How tragic it is that they do not know where they are going, but you and I know. The Bible says that their destination is hell. And because we do know their destination, unless they accept Christ, Southern Baptists are promoting mission work in 53 countries today.

According to Dr. Baker James Cauthen, Executive Secretary of the Foreign Mission Board, "this has been the most fruitful year in the appointment of missionaries in the history of the Southern Baptist Convention." In the past twelve months the Board has appointed 218 missionaries, reappointed seven, and employed 22 missionary associates; a total of 247. This brings the missionary staff to 1,792.

The Foreign Mission Board will conduct two more appointment services before the end of 1963, one in October and the other in December. Of course, there are always losses through retirement, illness, and other factors which take a toll of the missionaries in service, however, it is the opinion of Dr. Cauthen that we should close the year with over 1,800 foreign missionaries.

In December of this year Southern Baptists will seek to give the largest single offering ever made to foreign missions when they contribute to the Lottie Moon Christmas Offering. The goal of $11,850,000 is an approximate 15 per cent increase over the 1962 offering of $10,-

323,591. Five million dollars have been designated for operating expenses. Of that amount, $1,067,557 will be placed in a general fund to pay the salaries of new missionaries, educate missionary children, provide advanced training of national workers, promote Woman's Missionary Union work on the foreign fields, and care for other items related to the total outreach.

Africa and Europe and the Middle East will claim $1,316,084; Latin America, $1,271,658; and the Orient $1,344,700. This money will help maintain churches, schools, hospitals, and good will centers, and will undergird mission work already established.

All of this sounds quite good, but let us remember that, when missionaries on the fields are handicapped because of inadequate funds and equipment, and new areas of work wait to be entered, it is time for you and me to take a look at ourselves and see just where we stand in God's plan for world missions. What have you done during the last 12 months that the world may know Christ as Saviour? What has your church done? From a study of last year's minutes of the Kings Mountain Baptist Association we find that all of our churches could do far more than we have been doing.

Great multitudes of people are waiting on Southern Baptists: waiting for pastors to come and lead them; waiting for education, because there are no schools, no teachers; waiting for medical attention, because there are no doctors, nurses, or hospitals. It is imperative that these needs be met, or Christ's program for World Missions will be greatly hindered. Let us determine that these people will not go out to eternity saying "no man careth for my soul."

"How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach, except they be sent."

Respectfully submitted,

William W. Willingham

HOME MISSION REPORT 1963

At the close of 1962, the Home Mission Board of the Southern Baptist Convention had 2,078 missionaries, a gain of 117 during the year. Five hundred and ninety-five students served in summer work under the Board's direction. Home missionaries are now serving in every state in the Union; and in Cuba, Panama, and the Canal Zone. During 1962 the Board received $3,127,156 from the Cooperative Program; $2,891,184 from the Annie Armstrong Offering; and $194,408 from designations. The 1962 Annie Armstrong Offering was especially fine with an increase of $338,-112 over 1961. North Carolina contributed a total of $264,816.67 to the

Annie Armstrong offering in 1962 with the Kings Mountain Association's contribution totaling $11,608.

The total program of the Home Mission Board is moving at an accelerated pace with more than eighty different ministries. We are continuing to pray especially for work in Cuba where all churches remain open and mission work continues. "Never have Southern Baptists had a greater challenge for missions in the homeland than they have today. America cannot give to the world something which she does not have. Materialism, agnosticism, atheism, and indifference are taking a tremendous toll from the spiritual life of our nation. There is a great need for a spiritual awakening. The Home Mission Board wishes to make its total resources and personnel available to our Baptist constituency in helping to stimulate and inspire such an awakening."

REPORT OF THE ORDINATION ADVISORY COMMITTEE FOR 1962-63

In the nine years of its existence the Ordination Advisory Committee of the Kings Mountain Baptist Association has examined an average of 6.5 candidates each year. This year your committee met on five different occasions for the purpose of examining candidates for the Gospel Ministry. In each instance the candidate was questioned with regard to the following:

1. His conversion experience
2. His call to the ministry
3. His soundness of doctrine
4. Pastoral ethics
5. Church policy and denominational loyalty.

In each instance the committee recommended that the ordaining church proceed with plans for ordination. It is emphasized, however, that the Ordination Advisory Committee serves in an advisory capacity only, and exists for the purpose of aiding churches in the association. The ordaining church carries the responsibility and has the final Authority. The following is a list of churches and candidates who requested the services of the committee during the year:

Eastside, Kings Mountain, candidate Dean Bridges	Nov. 10, 1962
Kings Mountain Baptist, candidate Bill Rhea	Jan. 12, 1963
Putnam Memorial, candidate Eugene Passmore	Feb. 2, 1963

Mulls Memorial, candidate Max Pendleton	Apr. 20, 1963
Eastside, Shelby, candidate Harold Fite	Aug. 17, 1963

REPORT OF THE LIBRARIAN

Thirty churches out of the sixty-nine in the Kings Mountain Association have libraries with approximately 10,000 volumes. The circulation of the books averages about 1,000 per month.

Recently a librarian gave this report: The greatest service their library had rendered was to the young people. Books of spiritual inspiration, biographies, devotional materials, and vocational helps have been most popular during the summer vacation.

There is really no way to properly evaluate the power of the printed word. Good reading is an invaluable experience for everyone.

If the influence of the library touches one home or leads one to be a Christian or lifts the vision of only one leader, it will be fulfilling a great mission.

Let us enjoy the "fifth freedom"—reading.

GARDNER-WEBB COLLEGE

Mr. Toliver Davis, Chairman, Board of Trustees

Dr. E. Eugene Poston, President of the College

Gardner-Webb College began the year 1963-64 with an enrollment of 683 students in the regular college program, 43 students in the evening college, and 35 students in the graduate program conducted by Appalachian State Teachers College each Saturday. There are 4 special students

participating in the studies at the college. This is a total of 765 students being served by Gardner-Webb College. There are 59 members of the faculty, staff, and administration.

The above enrollment represents 57 counties in North Carolina and 13 states. We do not have a representative from a foreign country at this time. However, we do expect a Cuban refugee to enroll for the second semester. We have one application from a student from Japan.

Baptists make up approximately 75% of the student body at Gardner-Webb College. However, the following denominations are represented: Methodist, Presbyterian, Episcopalian, Lutheran, A. R. P., Anglican, Brethren, Catholic, Christian, Christian and Missionary Alliance, Congregational Christian, Free Will Baptist, Jewish, Moravian, Nondenominational, Pilgrim Holiness, Quaker, United Church of Christ, and United Church of God.

Registration records revealed a total of 35 unchurched students. Plans are underway to lead these students to accept the Christian faith.

During the past year the college lost one of her dearest friends and benefactors in the death of Mr. J. R. Dover, Jr. of Shelby. However, his Christian influence will live on in the lives of the faculty, the staff, the administration and a host of others who knew of his dedication to his Lord, his church, and Gardner-Webb College.

Some of the outstanding accomplishments during the school year 1962-63 need to be listed. First, the enrollment passed the 1,000 mark, including the summer school. Second, an evening college was started with an enrollment of 64, most of these being adults. Third, a joint working relationship with the Rutherford Hospital School of Nursing and Appalachian State Teachers College was started. Gardner-Webb College is providing the academic work for the first year nurses. We enlisted the help of Appalachian State Teachers College in providing graduate courses for the school teachers of our area. These two programs are continuing during the 1963-64 school year. Fourth, a new dormitory to house 100 young men has been built and filled capacity. Fifth, a genuine emphasis on Christian living has been made throughout the college life.

During the past year the college endowment funds increased $27,077.53 through gifts, bequests and savings, and the plant fund assets increased $179,412.59. At the present time our endowment fund is valued at $483,-872.19. However, we need $3,000,000 in endowment to enable us to operate on a more secure basis. The value of the Gardner-Webb College physical plant is $3,256,683.45. All current bills were paid promptly and our total debt as of July 31, 1963, was $145,000, which is being amortized monthly.

There are several buildings that must be built in the immediate future if we are to meet the needs of our students. We must have a Chapel-Fine Arts Building. Our chapel is overflowing with approximately 70 people having to stand or sit in the lobby or on the stage. There is an acute need for a Cafeteria-Recreation Building. Our present cafe-

teria is inadequate. The long lines at mealtime are discouraging. Classroom space is at a premium. If we are to continue our high quality work, we must make plans to build a Classrooms Building. At the present time we are making plans to launch a capital needs campaign.

Gardner-Webb College covets your prayers as she continues to endeavor to meet the needs of the people affiliated with the Baptist State Convention of North Carolina. We are proud to be a part of the great Baptist family.

Prayerfully submitted,

E. Eugene Poston, President

VISUAL AID REPORT

The Visual Aid Program of the church is not an extra, but an aid in helping the minister and his staff reach more people in a more effective way, thereby producing more lasting results. I urge that you use more Visual Aids in all your activities. If your funds are limited, there are a number of films and film strips that you may obtain without charge from the Baptist State Convention, Department of Program Services, Raleigh, N. C. It is possible to use posters and other attractive displays appealing to the eye. The eye makes a better impression than the ear. This program should be kept in the hands of a consecrated, energetic person or committee in your church.

The Radio has its place by supplying worthwhile programs in order to reach those who are closed in from the outside world, as well as others who can spare the time. Each person should tune his ear to the uplifting things in life. The Radio programs vary, and many are impressive. Learn to lean daily upon our Baptist programs.

Television brings many interesting religious programs into our homes, but lack of adequate financing prevents many programs from appearing on Radio and Television.

May each of us live a richer, fuller life by fitting a worship period into our daily schedule.

Respectfully submitted,

D. W. Kiser

did cooperation shown me by the churches of this Association. I feel that we have had a good year.

During the past year we have had three meetings: An Association Carol Sing was held at New Hope Church; at Sandy Plains Church a Royal Ambassador Conclave; and First Baptist Church, Shelby, was the meeting place for the kick-off service for the Revival In Stewardship Enlistment Program (in cooperation of World Mission Year). Nineteen churches participated in this program with a total of 1,375 church members to be contacted.

Our Association has 42 Brotherhood's with an enrollment of 1,282. There are approximately 4,000 men in this Association who are not enlisted in Brotherhood. This is a tragic waste of manpower. This fact is an indictment against everything our churches have proposed as methods for calling men to a dedicated service for Christ.

There is hope for world evangelism as long as there are men in our churches who organize themselves for the purpose of Christ and who are informed about world needs. If we fail, the future struggle for world evangelism is already lost. "Rise Up O Men of God." Won't you give God a hand?

ROYAL AMBASSADOR REPORT

The Royal Ambassador work continues to adjust to the new program. It is our thought that a number of our churches have done well the past year as they have become better acquainted with the program. We are by no means into the program as we ought to be. Certainly, it is our hope that there will be a marked progress from here on.

Your director has had the opportunity of going into some thirty churches to present materials on the Royal Ambassador program during the past year. There were 89 campers and 14 helpers involved in the Camp at Gardner-Webb the past summer.

Under the direction of Ralph Mitchem, the Royal Ambassador Baseball League reports the best year they have ever had. Plans are moving toward a Western Carolina League.

Serving with your director has been: Rev. Raymond Needham, Crusader Leader; Leon Williams, Pioneer Leader; and Edwin Spangler, Ambassador Leader.

We have received much help and guidance from the Brotherhood President, J. C. Bissette. The Brotherhood Department sponsored the

Conclave held at Sandy Plains Church with approximately 120 boys and 90 men attending the Conclave.

REPORT OF SOUTH MOUNTAIN BAPTIST CAMP FOR 1963

The history of South Mountain Baptist Camp that has been made during the summer of 1963 is full of many thrills. It has been thrilling to see the great number of campers who have attended from week to week. Counting the staff of 17 each week, there were 1,360 who attended our camps this summer. Many visited the camps on Wednesday nights. Up to 150 visited some weeks.

The attendance of the camps by associations are as follows: Catawba River—298, Gaston—263, Green River—46, Kings Mountain—164, Sandy Run—202, South Fork—47, South Yadkin—97, South Mountain—66, Theron Rankin—53, and the conference for the Deaf—67.

It was thrilling and fascinating to see the conference for the deaf, which was conducted by Rev. Jerry Potter. It was thrilling to see 667 making their way to the altar to make a decision for Christ. It was thrilling to hear 102 of them say, "I want to accept Jesus as my Saviour." It was thrilling to hear the testimony of hundreds of boys, girls, and their counselors. They said, "We have surely felt the presence of God." It was thrilling to award hundreds of honor and star camper awards. Much work was done by the campers to earn these awards.

Attendance at our R. A. and G. A. camps nearly doubled this year. Two two-story cabins were completed enough to use this summer. Also, a cement block restroom was built. These additional buildings and added water supply enabled us to take care of the overflow crowds. The new parking lot and the improvement on the road was a great help.

Many groups that had never been to our camp were well pleased and will be coming back. There is increased interest in all of the associations. In view of this, we should have at least 1,800 attending next year. We are planning two additional camps next year. This will make a total of 5 R. A. and 5 G. A. camps. At least one Youth Retreat will be held next season.

The camp will be available for pastors' luncheon meetings, Brotherhood suppers, etc. We have the promise of a phone at the camp by mid-October. There is a possibility of a swimming pool by next season.

We did real well financially this year. We took care of construction

and improvement bills totaling $843.34 and it looks like we will be able to transfer $1,000.00 into the general fund. A complete financial statement will be prepared as soon as possible.

The money on hand is not nearly enough to make the necessary improvements to get us ready for a busy season next year. It is hoped that all of our Region 8 Associations and many more of our churches will put us in their budget so that our ministry to the Youth of our Land will be greatly increased.

Respectfully submitted,

T. A. Lineberger, Director

REPORT ON BAPTIST CHILDREN'S HOMES 1963

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance—the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.

2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.

3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offerings	30 Per Cent
Once-a-Month Offerings	16 Per Cent
All Other	21 Per Cent

Charity and Children, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of **Charity and Children** can be enjoyed each week during the year for only sixty cents. See that your church receives it.

REPORT ON BAPTIST HOSPITAL

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our hospital this year will be greater than the population of one of our medium-size North

Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

Respectfully submitted,

Rush Hamrick, Sr.

REPORT ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes—The Hayes Home and Resthaven in Winston-Salem; the Albemarle Home, at Albemarle, and the Hamilton Home at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with the laughter and the happiness of the residents there since. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in Eastern North Carolina. We are looking forward to the day in the future when the arm of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space continually. Today there are 160 people waiting for admission, from all areas of our great State,

and it is a heartbreaking experience to keep these dear people waiting who so urgently need to come.

The average age among our residents is 80. Our youngest resident is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace, and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as in health. Years are literally added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of the people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only 1 3/10% of the State Convention's share of the Cooperative Program, or $7.92 out of each $1,000.00 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

Respectfully submitted,

Walter Davis

BIBLICAL RECORDER REPORT

In 1830, when North Carolina Baptists were organized, Thomas Meredith was appointed by the convention to send out a letter stating its purpose. In this letter he said, "the convention was organized for the purpose primarily, of giving the Gospel to North Carolina, and then to all the world." The constitution of our convention states that its main purpose is "the promotion of missions, Christian education, social service and the distribution of sound Christian literature. To this end the **Biblical Recorder** was founded in 1833. For 130 years, it has worked toward the goal of serving the people of North Carolina.

At present there are 78,084 copies of the **Recorder** being sent to North Carolinians every week. Of this number 2,548 copies come to the churches of the Kings Mountain Baptist Association. 20 of our churches have the **Recorder** in their budget.

There are three ways that the **Recorder** can come to you. **One** is the single subscription which costs $3.00 a year. **Two** is the Club Plan which is for four (4) or more subscriptions to the same church. The cost of this plan is $2.50 a year. **Three** is the Every-Family Plan which is one subscription to every resident family in the church at $2.00 a year.

We Baptists believe that Sunday School work can be done better with the literature that is provided by the Sunday School Board. We believe the same whether it be Training Union, Brotherhood, Woman's Missionary Union or Church Music. And I am equally convinced that North Carolina Baptists are better informed when they receive the journal of Baptist work in North Carolina which is the **Biblical Recorder.** For through the **Recorder** information is gained, inspiration is transmitted and enlistment becomes a possibility.

I realize that literature of any kind is expensive and that our churches spend a few dollars too many each quarter for literature. I also know that there is never enough money for everything in a Baptist Church. So we must have a priority list. On the priority list in our church the **Recorder** stands high. I personally believe that sending the **Recorder** is an investment in the lives of my people. I recommend the same to you.

James A. Hutson

REPORT OF THE PASTOR'S CONFERENCE

The Pastor's Conference met at the First Baptist Church, Shelby, the first Monday of each month, except June, July, and August.

Rev. James Hutson, Vice-President and Program Chairman, had interesting and informative programs arranged for each meeting. Some of the speakers were Rev. John Lawrence; Dr. James Nichols of Wake Forest College; Rev. William Poole, Superintendent of Homes for the Aging; and Rev. Bill Jackson, State R. A. Secretary. We also saw a film "The Communist Threat," and one conference featured a panel discussion by four of our pastors concerning the different aspects of the School of Pastoral Care at the Baptist Hospital.

MINISTER'S WIVES AUXILIARY REPORT

"Take heed to the ministry which thou hast received in the Lord, that thou fulfill it." Colossians 4:17. This verse of scripture was the challenge for the 38 members of the Minister's Wives Auxiliary for 1962-63.

Our somewhat informal meetings were a highlight each month for all of us, and especially the group participation which characterized the most helpful and practical programs.

The lovely Christmas party and May luncheon will long be remembered by us all.

We extend a most cordial invitation to each of the ministers' wives of our association to come and be with us during the coming year. It will be your best opportunity of meeting and knowing the other wives in the auxiliary.

HISTORIAN'S REPORT

"Study to show thyself approved . . . ."

The Historian and the Historical Committee are beginning a detailed study of the Association and its Churches. This week we have just com-

pleted microfilming the most valuable records of nearly all the churches, and hope to complete the others soon.

This record on permanent film includes original records, minute books, church rolls, church histories, scrap books, photographs, and other memorabilia. They are now preserved for all time, even though the churches should be dissolved or the buildings and paper records destroyed by fire.

Copies of these records will be stored in fireproof vaults at Gardner-Webb College, Wake Forest College, and with the Southern Baptist Convention at Nashville, Tennessee.

Local church historians, clerks, and pastors have done a good job in getting this information together. The actual microfilming has been done by a team from the Historical Commission of the Southern Baptist Convention, of which Dr. Davis C. Woolley is Executive Secretary.

Earlier in the year the Association's History Committee and approximately 50 historians and clerks held the annual dinner and workshop at Gardner-Webb College and were addressed by Dr. Eugene Poston, president of the College and Rev. Carl Savage, head of the department of Public Relations.

The Committee this year will continue to gather material and information, and in 1965 will begin a definitive history of the Association, if funds can be provided.

Another project will be the purchase of a microfilmed copy of "Logan's History of the Broad River Association." No printed copies of this most valuable book are known to be available. This was the Association from which the Kings Mountain was formed about 113 years ago.

Your History Committee urges all members of the Churches to STUDY:

1. Study the Past!
2. Study the Present!
3. Study God's word and our work in order to PLAN FOR THE FUTURE.

Respectfully submitted,

W. Wyan Washburn, M.D.

REPORT FROM COMMITTEE ON EVANGELISM

The primary work of the Committee on Evangelism this past year

was to promote an associational wide evangelistic clinic. This was held January 3 at the Eastside Baptist Church, Shelby, under the direction of state workers, Julian Hopkins and Gary Harthcock. More than 100 ministers and laymen participated.

In February a state clinic was held in Greensboro to evaluate our present approach to evangelism. There were 55 associational leaders from over the state. Long range plans were begun that should be very helpful in years to come.

There will be no associational clinic next year. Rather, there will be an associational rally the week preceding our simultaneous revival effort. This meeting will be held March 26, at the Elizabeth Baptist Church, with Rev. James Potter as the guest speaker. The Committee on Evangelism is urging that every church participate in the Baptist Jubilee Revivals, March 29-April 12, 1964.

For information on baptisms and church membership, see the Associational clerk's report.

REPORT OF THE MUSIC EDUCATION COMMITTEE

The highlight of the 1962 Christmas season was the annual Carol Sing held at the New Hope Church in Earl. Featured were selections by a choir directed by Morris Jordan of Dover Church; choral readings by the young people of First Baptist, Grover; a group of carolers led by Roland Leath, First Baptist, Shelby; and the cantata "Lo! A Star," sung by the combined Junior choirs of several churches. This was directed by Mrs. Charles Summey, Elizabeth Church. The congregation joined to sing many of the traditional songs of Christmas. Mrs. Dennis Larkins, Ross Grove Church, was organist.

Several churches had choirs entering the Regional Festivals and later attending the state meetings.

Elizabeth Church, Mrs. Charles Summey, Minister of Music, achieved the Standard of Excellence for the Music Ministry for the third consecutive year.

More participation in the Graded Choir Festivals is needed, and more churches are urged to add music education and graded choir instruction to their total ministry.

WOMAN'S MISSIONARY UNION REPORT

This past year has held many thrills, and accomplishments for members of Woman's Missionary Union, as we have celebrated our 75th Diamond Anniversary. One might think that after 75 years we should have found the answers to all the problems of W. M. U. leaders. We have **not,** neither did our predecessors. No organization can survive without accepting the challenges and changes that growth naturally brings.

When Lt. Col. John H. Glenn, Jr., successfully orbited the earth three times, he captured the admiration of the world. His declaration of faith in God and in his fellow man commanded our respect. He always gave words of praise for members of "his team." In like manner, I cannot make this final report without giving credit to my team—the members of my executive board. Four members have served the entire 5 years with me; all others have been most cooperative and diligent workers. We have been rewarded with progress, and sincere response from local W. M. U. leaders.

This Anniversary year was declared a year of prayer for World Missions, in keeping with the Third Jubilee Advance Goals. We adopted goals, toward which every church worked. Only 5 churches reached all 12, but every church was aware of them and all attained some. We studied **World Awareness,** and the life of Annie Armstrong, first corresponding secretary of W. M. U.

The weeks of prayer for Home and Foreign Missions were observed and a 15% increase in offerings was noted. The highlight of the week of prayer for Foreign Missions came on Tuesday evening, December 4, when all W. M. S. members were invited to meet in Webb Chapel. The executive board, in costumes of 1888, presented the Anniversary goals. A chorus of Girls Auxiliary members sang, and Mrs. Gordon Maddry brought an inspiring message on world missions.

At the annual meeting, in April, the W. M. U. history of our Kings Mountain Association was featured. All past presidents were honored. The afternoon program was given over to Girl's Auxiliary in celebration and emphasis of their 50th Anniversary.

W. M. U. worked with other associational organizations in planning a joint program during World Missions Week, April 22-26. Dr. L. C. Smith, Nigeria, gave an interesting program.

The Girl's Auxiliary received further attention in June when a tea was held in their honor. This was in the parlor of First Church, Shelby, and all G. A.'s in the Association were invited. The annual G. A. camp was at South Mountain Region Eight Camp in July. It was well attended, and the girls and counselors reported an inspiring week.

It has been a good year financially. We were able to increase all

offerings locally and to give $100.00 to the Lottie Moon Offering, $100.00 to State Missions. We, also, gave $800.00 to Gardner-Webb College Library to be used for mission and other religious books. It is a joy to have this small part in the religious education of our youth.

The new organizations reported are: 4 Y. W. A.'s; 4 G. A.'s; 2 Sunbeam Bands. Honor organizations are: 3 W. M. S.; 7 G. A.'s; 3 Sunbeam Bands. There were several new circles, all evidence of growth. But we must remember there are still 7 churches in our Association with no missionary organizations. We must not turn a deaf ear to this fact.

Yes, it has been a joyous year of retrospect. It has brought information, understanding, appreciation, and dedication. But more than that, it has brought a sense of responsibility for the future. Our retrospect has turned to prospect—vision, challenge, determination, and anticipation for the years ahead.

Respectfully submitted,

Mrs. Charles Forney, Jr.

REPORT OF THE MISSIONS COUNCIL

The Missions Council held five meetings this year—four regular meetings and one called meeting.

In the organizational meeting held in October we elected the following officers:

Chairman—James E. Holder

Associational Chairman—T. S. Putnam

Secretary—Mrs. L. P. Williams

Finance and Administration Chairman—A. L. Calton

Missionary Planning Chairman—Forrest Teague

Institutional and Interracial Chairman—Hubert Dixon

Some of the activities of the Missions Council during the year included the following:

1. Provided services in the county jail.

2. Prepared and submitted a budget for next year to the General Board for their approval.

3. Conducted the Training Union Enlargement Campaign. This was the second step in the five year program of work for the Association.

4. Recommended to the General Board that our Superintendent of Missions be granted a leave of absence to make a trip to Europe in the

Fall.

5. Recommended a survey be taken in an area near Cherryville to determine if a new church is needed there. This work is not done yet but will be undertaken by the new Missions Council after the new Associational year has begun.

This has been a very busy and very good year for our Association and we are grateful to the Lord for progress shown and for the promises of the future for even greater things.

Respectfully submitted,

James E. Holder, Chairman

MISSIONARY'S REPORT

We would begin this report by offering to all of you our gratitude for allowing and helping Mrs. Greene and me to make a trip to Europe in late summer. It was the thrill of a lifetime and we believe that you will share in the enrichment which came to our lives because of it.

In many areas of our Associational work we find reason for encouragement, but there is the continuing problem of gaining an adequate concept of the church and its work which would bring to us a deepened spiritual life and at least a partial solution for dealing with our 5,000 non-resident church members.

We are in our fourth year of the Five Year Program of work. The emphasis this year is to be evangelism, featuring the Jubilee Revivals in March and April. We are ably led in this effort by Rev. James Stamey, Superintendent of Evangelism, for whom we bespeak hearty cooperation from every church.

Next year the special emphasis on Brotherhood and W. M. U. will complete our Five Year Program. We should be thinking of another Long Range Program of Advance.

Our thanks to you for opportunities of service which you have given in abundance! Continue to call on the Superintendent of Missions, the office secretary, Mrs. Fred Crisp, and all the resources of the Baptist Center, as well as the Associational officers, for any help we can render. Together, we would work for the Master in helping to bring in His Kingdom here and to the ends of the earth.

Respectfully submitted,

C. O. Greene

REPORT OF THE GENERAL BOARD

The General Board met for its first meeting of the church year at the First Baptist Church, Shelby, on October 8, 1962, with Rev. John Lawrence bringing a thought provoking message entitled "How Well Do You Know Christ?" New Board members and new pastors were recognized and welcomed to the Board. Subsequent meetings of the year were held on Monday following the third Sunday of each month.

In the October meeting B. L. Kincaid, Secretary of the Pastor's Conference, announced that plans had been made with Gardner-Webb College officials to have "Gardner-Webb Day" in the churches of our Association, as discussed in a previous meeting. The purpose of such emphasis would be to give ministerial students opportunity to preach and also to keep an awareness of our college among our churches.

In the November meeting Brother Lawrence Roberts, after having served faithfully for 17 years in the capacity of Associational Clerk-Treasurer, offered his resignation, effective February 1, 1963.

A committee of 3, B. L. Raines, Chairman, Oscar Funderburke, and C. A. Kirby, Jr., was appointed to secure a new Clerk-Treasurer. In the same meeting an application to the N. C. State Mission Board for pastoral aid in the amount of $1,000.00 for the Westview Baptist Church was approved. Also approved was an application for ministerial scholarship aid from Gardner-Webb College for student James E. Sams, of the Flint Hill Church.

In the following meeting the General Board approved a request for aid in purchasing a lot for the Westview Church in the amount of $2,500.00 to the General Board of the North Carolina State Convention. The retiring Clerk-Treasurer offered words of gratitude for the privilege of having served the Association for 17 years. In turn Vice-Moderator, B. L. Raines, expressed appreciation to Brother Roberts for his faithful service through the years, and the Board gave a standing vote of thanks to him. A motion was heard and approved that the Resolution Committee prepare an expression of appreciation to Brother Roberts, and that it also be printed in the 1963 minutes. Desiring to convey appreciation in yet another way, the Board approved a motion to make a financial contribution of $275.00 toward the purchase of a new car. B. L. Raines, Chairman of the special committee appointed to seek a new Clerk-Treasurer offered the nomination of Rev. Leroy Sisk, Pastor of the Churchill Drive Baptist Church. He was duly elected.

An application from Gardner-Webb College for ministerial scholarship aid for E. Leonard Thomas, Jr. was approved by the Board in its March meeting. Mr. Abrams from Gardner-Webb announced that the College welcomed the idea of a "Gardner-Webb College Day" in the churches of the Association, and after some discussion, May 5th was set aside for that emphasis.

A pleasant surprise came in the April meeting as James Holder, Chairman of the Missions Council presented a motion that our Superintendent of Missions, C. O. Greene, be granted a leave of absence from August 25, 1963, through October 5, 1963, for the purpose of making a trip to Europe. The motion was heartily approved.

The moderator presented a request in the June meeting from Mr. John Maltry, Representative of the Billy Graham Evangelistic Films, that the Billy Graham Film "Touch of Brass" be shown on October 17 in the Kings Mountain Baptist Association. A request had already been presented to the Kings Mountain group of churches for October 16. The Board passed a motion that the two dates be jointly sponsored by churches in both areas.

B. L. Raines, Chairman of the Committee on order of Business, presented copies of the proposed program of the coming annual session of the Association to be held at New Hope Church, October 24-25.

The Nominating committee presented and the Board elected certain Associational officers for 1963-64 in the August meeting. They are:

Rev. W. V. Tarlton, Sunday School

Rev. Don Goff, Training Union

Rev. James Stamey, Evangelism

Mr. Hubert Huneycutt, Music

Mrs. A. L. Calton, Library Representative

The Brotherhood sponsored and promoted the Revival in Stewardship Enlistment (RISE) Program in August, with Hubert Mumford, Secretary of Missions in the Yates Association as guest speaker. Approximately 19 churches participated in the program.

One of the highlights of the year came from the efforts of Dr. W. Wyan Washburn, Associational Historian, who worked diligently at the task of securing and microfilming the records, minutes, and other objects of historical importance.

Each church in the Association was urged to present its records and to take advantage of the opportunity of preserving its history on film. Roland Leath made a motion that the Associational Clerk send a letter of appreciation from the General Board to Dr. Washburn for his unselfish and devoted service as historian of the Association.

A request for the Associational scholarship provided for students attending Fruitland Bible Institute was approved in the amount of $220.00 for Ray Edwards of the Poplar Springs Church.

James Holder, Chairman of the Missions Council, in the September meeting, presented a request from Rev. Fred Cartee, who had organized a mission Southwest of Cherryville, that help and guidance be given by

the Association in leading the mission to become an organized church with prospective membership in the Kings Mountain Baptist Association. This request was accepted and passed by the Board.

Rev. Don Goff, Associational Training Union Director, led the churches in a Training Union Enlargement Campaign, September 30-October 3, which was held at the Calvary Church. James Morgan, State Training Union Director, with his co-workers, came and conducted the Campaign with twenty-one pastors participating. This was a most helpful study of the Training Union.

As the Associational year came to a close our Superintendent of Missions returned from Europe having visited eleven countries, including England, Holland, France, Germany, Italy, and Switzerland. This was, no doubt, a well needed leave of absence from the work of the Association and will be beneficial in that the horizon of his vision will be greatly broadened.

Respectfully submitted,

Leroy A. Sisk, Clerk

BEAUTIFICATION REPORT

I have had several requests in the past year for information about trees and their care on Church grounds. We have tried to thoroughly check and advise as to the wise solution to each problem.

Poplar Springs Baptist Church made a definite improvement with their trees. Gardner-Webb College and others are making plans to plant new trees, and I am confident this will be wise for future beautification improvements in many places. What finer movement would be possible to leave for future generations than a beautiful tree?

Respectfully submitted,

H. C. Wilson

HOUSE AND GROUNDS REPORT

No expense was incurred this year, but immediate consideration should be given to termite eradication, painting of outside woodwork, and repairs to guttering and roof of porch.

Your committee, to be named at this session, will immediately look after these matters.

Respectfully submitted,

Tom Cornwell, Chairman

MEMORIALS

We come at this time to pay tribute to those of our loved ones whom the Lord has called home during this past year. Since our last associational meeting 204 members from 58 churches were removed by death; 11 churches reported no deaths during this period.

I shall omit reading the entire list of names which you may refer to as they will be recorded in The Associational Minutes. However, I shall read the list of those who were serving as deacons and other offices of the church at the time of their death.

Shelby First Baptist—Mr. O. M. Mull, Mr. Robert Doggett, Mr. Allen Cox.

Shelby Dover Church—Mr. J. R. Dover.

New Bethel—Mr. L. T. Noggle, also S. S. Supt.

Patterson Grove—Mr. C. Hamrick.

New Hope—Mr. R. G. Turner.

Beaver Dam—Mr. Cletus McSwain, also Trustee.

Zoar—Mr. C. L. Hollifield.

Carpenter Grove—Mr. Emerson Propst.

David—Mr. L. U. Hoyle.

In addition to this list appears the names of 3 ministers of the Gospel—all were retired.

The Rev. B. F. Austin—Kings Mountain Eastside.

The Rev. J. A. Brock, who had a very fruitful ministry for many years.

The present Bethel Church building was built under his ministry. Those who labored with him testify that it was surely built because of his great faith and much prayer. Brother Brock, as many of you recall, was lovingly referred to as 'Daddy Brock' and rightly so, for truly he was the head of a great family of God's children to whom he had witnessed and brought into the Kingdom of God. The light of his life still shines brightly.

Also on this list is the Rev. John W. Suttle, Beaver Dam, who we all so fondly remember. He was moderator of this association for 40 years and was affectionately known as the 'Little Preacher,' but really he was a spiritual giant. Borrowing words from the many tributes paid to him and I quote, "The Rev. John Suttle did not want to become famous. He did not try to become great but he did; the life of one man may never again have the warm, intimate impact upon the lives of so many others,

as did the wonderfully beautiful life of this long-time minister of the Gospel. His influence has touched the lives of countless numbers of people and will live on forever."

To others of you who have lost loved ones, may you be comforted by these words written by another and I quote, "For we know that death is but life to the believer, to the Christian it is his resting day, when he shall rest from all sin and care and trouble; it is his reaping day when he shall reap the fruit he has sown in tears and faith. It is his conquering day, when he shall triumph over every enemy; it is his robing day to put off the old worn-out rags of flesh and put on the new and glorious robes of light. It is his coronation day, the day of his glory, the beginning of his eternal perfect bliss with Christ. Thanks be to the gospel which opens the vision of an endless life.

Yes, we glory in the greatness of God in Life. Let us also glory in His greatness in death.

May the words of the song writer be ours too, "Oh! God, How Great Thou Art."

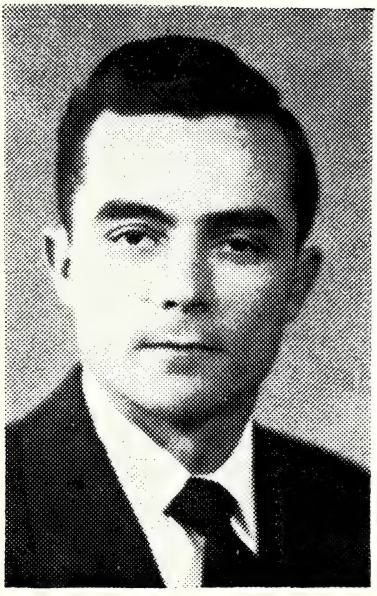
THE HOST CHURCH

On three other occasions the Waco Church was host church of the Associational meeting: 1891, 1916, and 1945. The messengers were received most cordially and members of the church along with members of the Waco group of Churches served the noon meal with much efficiency and geniune Christian hospitality.

The present building was completed about 1942. During the summer of 1963 the Church Auditorium was completely renovated and a steeple added.

Listed below are the present leaders of the Church:

Pastor - Rev. Wilson Harmon
Minister of Music - Mr. W. H. Dodd
Sunday School Superintendent - Mr. W. H. Lutz
Training Union Director - Mr. Lawrence Grigg
Woman's Missionary Union President - Mrs. Cecil Murray
Brotherhood President - Mr. Joe Barrett
Chairman of R. A. Committee - Mr. John Barrett
Church Treasurer - Mrs. James Champion
Church Clerk - Mrs. W. H. Lutz



THE HOST PASTOR

Rev. J. WILSON HARMON

A graduate of Furman University and Southwestern Baptist Theological Seminary, Rev. Wilson Harmon served churches in South Carolina and in Texas before becoming pastor of the Waco Church, October 1962.

The church auditorium, under his leadership, was completely renovated, air-conditioning was installed and a steeple added.

Not only has he served his church well but Rev. Harmon has also served responsible offices in the Association in both Sunday School and Training Union organizations. Southwide, he and his wife Dorothy Stone Harmon, have served as writers for Intermediate Training Union Quarterlies; both Rev. and Mrs. Harmon have served on the staff of state assemblies in Texas and in North Carolina and on the faculty at Ridgecrest.

The Harmons have three children: Jim 8; Craig 4; and Katrina 1.

Dr. ZENO WALL

Dr. Zeno Wall was born August 20, 1882, near Mooresboro, North Carolina. A son of Mr. & Mrs. S. F. Wall, he was educated in Rutherford County schools and also attended a private school operated by Mr. A. B. Flack. Furthering his education he went on to Mars Hill College and later was graduated from the Southern Baptist Theological Seminary, Louisville, Kentucky.

Upon completion of his education in Rutherford County he set out on a business career with a textile firm in Cliffside, North Carolina. While in Cliffside he received an invitation in 1906 to speak in the nearby Mount Pleasant Baptist Church which he accepted. It was this experience which confirmed in his heart his call to preach. His pastorates have been:

Marshall, North Carolina

Mount Olive, Mississippi

First Baptist Church, Columbia, Mississippi

Pastorate at the Mississippi Baptist College from which he entered the Military Chaplaincy in 1916, during World War I.

In 1922 he became pastor of the First Baptist Church, Goldsboro,

North Carolina. From Goldsboro he came to the pastorate of the First Baptist Church, Shelby, in 1925 where he remained pastor for 23 years.

While pastor of the Shelby Church his ministry was a fruitful one, greatly blessed by the Lord. The membership of the church grew from 736 to over 2,500. There were 14,484 received into the church by baptism and 2,095 uniting by transfer of letter. The church also increased in gifts to the Lord's work from an annual budget of $28,000.00 to $131,225.57.

While serving the Shelby Church as pastor and during the trying time of the depression he served without pay as president of Boiling Springs Junior College, (now Gardner-Webb College) for two years.

In 1948, already serving as president of the Board of Trustees at the North Carolina Baptist Children's Homes, he was invited to become General Superintendent which he accepted and in which capacity he served until 1950. After he reached retirement age, he came back to Shelby; but shortly thereafter received a plea from the Elizabeth church to become their pastor. He accepted the pastorate which he held for five years.

He has served many churches since his retirement as supply pastor and has held the following interim pastorates:

Eastside, Shelby

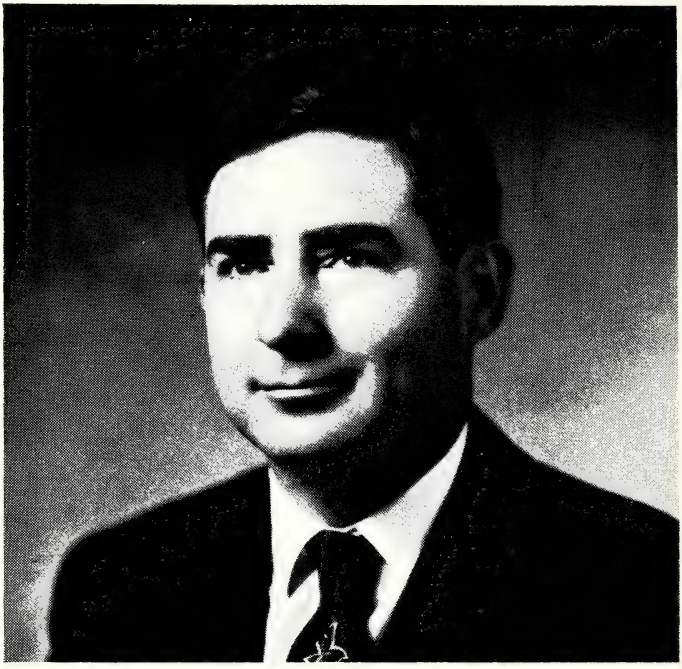
Pleasant Grove

Shady Grove (Gaston Association)

Kings Mountain Baptist Church.

Many honors have come to him during his fruitful ministry. Among them his name appeared in "Who's who in America" in the 1948-49 edition; he served as president of the North Carolina Baptist State Convention for four terms — 1933-36.

His faithful service in the churches which he served as well as in the Kings Mountain Baptist Association has been outstanding.



Dr. W. WYAN WASHBURN

Among many faithful laymen in the Kings Mountain Baptist Association is W. Wyan Washburn, M. D., a deacon and a Sunday School teacher at the Boiling Springs Baptist Church. A son of Mr. & Mrs. J. C. Washburn, he was born June 22, 1912, in the area of the Double Springs Baptist Church.

Doctor Washburn was an honor student at Wake Forest College and served a newspaperman with the Shelby Daily Star as city editor prior to entering medical school.

After finishing Bowman Gray School of Medicine and internship at the Baptist Hospital, he entered the U. S. Army Medical Corps, served during World War II, and was discharged as a Captain in 1946.

Since 1946 he has been engaged in the general practice of medicine and surgery in Boiling Springs, North Carolina, and is now administrator of the Royster Memorial Hospital. He is widely known for his work in medicine and is frequently called upon to serve in capacities of leadership in medical and civic organizations.

His interest in the Lord's work has been evident for many years. Besides his work in his local church he served on the Board of Trustees

and advisory committee for Gardner-Webb College, and also on the Board of Trustees of the North Carolina Baptist Homes for the Aging.

In 1958-59 he, with his wife Emily Davis Washburn, took a year's leave of absence from his medical practice and visited 20 countries in Africa, Asia, and Europe. During this time he and his wife worked for three months as a physician-nurse team in a hospital in Ogbomosho, Nigeria, under the auspices of the Southern Baptist Foreign Mission Board.

Another contribution of spiritual wealth is his book, **Canaan in Carolina,** a biography of the late Rev. J. W. Suttle.

In 1958 Dr. Washburn was elected historian of the Kings Mountain Baptist Association. It is particularly for his work as historian that this special tribute is offered. During the past year historical records of 47 churches in the Association, along with other historical documents have been microfilmed and are available for study in the library at Gardner-Webb College. At his recommendation this year the Historical Committee was enlarged to 10 members for the purpose of exploring the possibility of writing a history of the Kings Mountain Baptist Association.

Serving with him through the years on the historical committee were:

C. C. Padgett

Rev. T. W. Bray

Mrs. C. D. Forney, Jr.

Mrs. L. H. Ledford (1960)

Miss Lyda Poston

Rev. CHARLES EARL OXFORD

I have fought a good fight, I have finished my course, I have kept the faith.

II Timothy, 4:7

Charles Earl Oxford, born April 1, 1911 at Morganton, N. C., was a son of the late Isaac and Leola Grady Oxford. He became a Christian in 1938 and was ordained a Baptist Minister in 1945.

A graduate of Gardner-Webb College, his first pastorate was at Smyrna Baptist Church in the Catawba River Association. He helped organize Southside Baptist Church in Morganton in 1947 and served as its first pastor until 1949. Rev. Oxford came to the Kings Mountain Association in 1950 as pastor of Oak View where he served until his death February 19, 1964.

During his tenure at Oak View an addition was built to the Church building and the church purchased additional land to be used in future expansion.

Rev. Oxford suffered a stroke in June, 1962, but through faith and a strong determination he recovered to again carry on his duties as pastor.

He was married to the former Juanita Moore and they had three

children — two daughters, Bobbie Gaye (Mrs. Andrew Wray), Morganton; Nancy (Mrs. James Rhyne), Kings Mountain; and one son, Charles Earl Jr., Clover, S. C., a student at Gardner-Webb College.

He was known as husband, father, pastor, neighbor, friend, but above all, and the name that gave deeper meaning to the others, he was known as a dedicated Christian with a concern for the Lost.

He shared Christ through his visits with shut-ins and many were won to Christ through his Ministry in the homes. He was a man that loved people — sharing the joy and grief of each, and was loved by all that knew him.

Members Of The Executive Or General Board

The Association has a General Board or Executive Board that meets on Monday after the third Sunday of each month of the year, and or more often if called by the moderator. The Board is composed of two members from each church, the pastor, the assistant pastor and educational director. 4. We believe in the personality of the Holy Spirit, and in His abiding presence with the spirit of all the elect of God, in His quickening presence with the spirit of the unregenerate moving to repentance and faith, in His witnessing presence with the spirit of the regenerate, in His comforting and guidance throughout life, in His sustaining presence in the experience of death, and in His continuing presence in the life to come.

5. We believe salvation is attained through spiritual regeneration in the act of repentance and acceptance of Jesus as Savior.

6. Sincere spiritual redemption was made available by the death, burial and resurrection of Jesus, we believe that every regenerate person should symbolize his own salvation by being buried with Him in baptism.

He says the local church is the important body and his work is to try to help the churches find and do the work. There is a resource center at the Baptist Center to help all phases of church work.

Brief remarks were made by each member of the Executive Committee. They are: Vice President - Mrs. Yancey Ellis; Secretary - Mrs. G. W. Dowd; Y. W. A. Director - Mrs. Don Goff; G. A. Director - Mrs. Jack Shull; Sunbeam Director - Mrs. Eugene Roberts; Prayer Chairman - Mrs. John Gold; Margaret Fund Chairman - Mrs. George Julian; Stewardship Chairman - Mrs. B. H. Hopper; Community Mission Chairman - Mrs. Clyde Dover; Treasurer - Mrs. Carl L. Hamrick gave her report. It was adopted. Our publications Chairman - Mrs. David Beam showed a poster presenting our publications.

Mrs. Harold Causby explained the By-Laws. Under Article VII, the sentence "Date to be set by State W. M. U. office was struck out." She also explained the budget and made motion to accept the new budget. It was seconded and adopted.

The Junior and Intermediate Choirs of the Kings Mountain Baptist Church brought special music.

The Rev. Marion DuBose gave our theme interpretation - "Liberty and Light" which is symbolized by the bell and torch. The liberty bell pealed liberty for all and the torch is a symbol of light.

The Three Point Program of Progress was given by Mrs. John Lawrence and the following ladies of the First Baptist Church of Shelby: Readers - Mrs. Harold Causby, Mrs. Kenneth Street and Mrs. Horace Steadman; Trumpeters - Mrs. Kennon Blanton, Mrs. John Ed Davis, Mrs. G. W. Shytle, Mrs. L. T. Hamrick, Mrs. John Whisnant, Mrs. Bobby Eskridge, Mrs. C. C. McMurry, Jr.; Organist - Mrs. Clyde Putnam; Posters - Miss Lucille Nix, Miss Lois Buice, Mrs. Hershel Greene, Mrs. Oscar Padgett.

The congregation stood and sang, "Who Is On The Lord's Side", followed by a call to prayer by Mrs. John Gold, prayer chairman.

Mrs. John Wacaster very impressively and inspiringly brought a message on "Baptist Ideals."

Mrs. Eugene Roberts gave directions for finding the facilities of the Kings Mountain Church. Mrs. McSwain recognized all visitors. Rev. R. L. McGaha gave the prayer and asked the blessing on the food which was served by the hostess W. M. U. together with the Temple Baptist Church.

NIGHT SESSION

The night session was opened by singing "Lead On, O King Eternal" and "O Zion Haste". The opening prayer by Mrs. Marion DuBose was followed by special music by the Adult Choir of Kings Mountain Baptist Church.

The Y. W. A. girls of the Association, led by Mrs. Don Goff, presented an inspiring program. Dianne Cook from Calvary gave some personal words of what Y. W. A. means to her. The Y. W. A. girls of Elizabeth Baptist Church presented a Monogram Service. Those participating were: Dottie Dedmon, Gloria Wright, Gayla Allen, Charlene Moore, Elizabeth Grant, Jane Fraser, Recca Bingham, and Gail Roberts directed by Mrs. Buford Cline.

Certificates of Merit were awarded to all approved and honor youth organizations and societies from the Associational W. M. U.

There were 340 present for our meeting.

Reports from the following Committees were made: Mrs. Huntsinger from Westview, Mrs. Jenkins from Dover, and Mrs. Earl Bridges of Beaver Dam, the Place Committee, reported that the hostess church would be Beaver Dam with Poplar Springs as Co-hostess. Date to be announced later.

Mrs. B. A. Harry brought the report from the Resolution and Appreciation Committee. Other members of the committee were Mrs. Shirley Roberts and Mrs. Eddie Debeske.

Mrs. E. S. Elliott brought nominating committee report. This report was adopted. All officers went to the front for prayer of dedication, led by Mrs. Fred Crisp.

We sang "Christ For the World We Sing". Mrs. Yancey Ellis introduced Mrs. Zeb Moss, Missionary to Northern Rhodesia, who brought a very informative and inspirational Missionary Message. She stated that Northern Rhodesia will be free in November and will be called Zambia. The leader of the Country is a Christian. She closed by asking us to rise up and follow Him with humility and penitance.

The hymn "Blest Be The Tie That Binds" was sung as the benediction.

Respectfully submitted,
Mrs. W. E. McSwain, President
Mrs. G. W. Dowd, Secretary

SUNDAY SCHOOL REPORT

For years the Sunday School has been the great recruiting agency for Baptists. Through this organization we have surveyed, catalogued and gone after the prospects for Sunday School attendance and church membership. The path has been glorious. Perhaps 90-95% of those who have been baptized into the fellowship of our churches have come through the Sunday School. Our Association is no exception to that rule.

For years we have been one of the leading Associations throughout the south in the field of Christian Education. But recently our pace has slowed down. Our zeal has slackened. We are beginning to hear of retrenchment.

Why has this taken place? Why are we falling back? Why this loss of speed? May I suggest a few things:

1. Perhaps we cannot stand material prosperity—No nation ever has for long. Like Israel after every great advance came a falling away. Perhaps the world is too much with us.

2. The three shift and rotating shift economy. Many people are working while we are having our service at church. Many others are sleeping. In many homes the only time the family is together is on Sunday.

3. The Week-End Vacationists that is tending to become more and more a pattern of life for millions of people.

4. Our shifting population that sends our young people away and replaces them with people of other or no faiths.

5. Our neglect of adults.

Our dependence upon Government rather than God and the church. Things don't look too good. Yet God is in his heaven and would control our hearts. Our denominational leaders are becoming aroused. Our churches are becoming anxious. Our hearts are beginning to move. Our prayers are beginning to rise for help and strength.

The "Adult Thrust" is being planned and pursued with the fervent hope and prayer that we may be roused before it is too late.

We have chosen a fine leader for the coming year to lead us out and up.

Let us wake up to the seriousness of the problems that face us. Let us pray the Lord of the Harvest for workers dedicated to God and to others. Let us give ourselves to the finding and winning the multitudes who flee from home to the resorts, the feasts and recreation spots; that God's house may be filled with worshipping, witnessing willing servants of God. We dare not do less than our best.

Respectfully submitted.

TRAINING UNION REPORT

We are pleased with the increasing interest for Training Union in many of our churches. We urge you to continue in your enlargement campaign in order that more of our people can be trained for the tremendous task that confronts them as Christians and church members today.

We urge that all the churches of the Association will utilize a part of their training hours to study, train and pray over a more meaningful worship experience for each of its members.

M NIGHT

The first big event of the new associational year in Training Union was "M" Night.

Total attendance for our Association was 850, 50 off from the previous year, with 56 churches and 36 pastors represented. The Reverend Virgil Macmillan, Missionary on leave from Japan, was our speaker.

"M" Night for 1964 will be December 7 at the First Baptist Church, Shelby, with The Reverend James Potter, pastor of the Prichard Memorial Baptist Church, Charlotte, North Carolina, as speaker.

ASSOCIATIONAL TOURNAMENTS

We were very pleased with the number of Junior and Intermediates that participated respectively in the Memory Work and Sword Drill Association Tournaments. We urge each church to institute this meaningful part of our Training Union Program in their church activities for the coming year, for all age groups.

We are pleased to report that the following won the state at our North Carolina Baptist Assembly, in the Junior Memory Work.

Elizabeth—Larry Hall, Judy Hamrick, Judy Howard, Evelyn Poston, Allen Putnam, and Charles Wright.

First Church—Jane Hambright and Charles Swift.

YOUTH WEEK

Associational Youth Night was held at Gardner-Webb College with 240 youths present with 20 churches and 16 pastors represented. The Reverend Forrest Teague was our inspirational speaker.

CHURCH STUDY COURSE AWARDS

From October 1963 through March 1964 we had a total of 1764 study course awards with 376 in category 18. This number needs to be increased greatly and it is urged that each Pastor and Training Union Director implement this figure with more study courses and backyard studies.

I am sure that, if he were here, Reverend Don Goff would want to thank each of you for your assistance to him in the past year as Director.

REPORT OF FOREIGN MISSIONS

The call of our Lord almost two thousand years ago, "Go ye into all the world and make disciples—", is just as new, vibrant, important,

and authentic today as it was when first issued. Baptists of all areas of America, including our's have moved without excitement, but very gently and carefully in response to this supreme and urgent request of our Lord. As a result of our careful movement, when this call was one thousand, nine hundred and forty eight years old, and one hundred and seventy two years after the Declaration of Independence of Christian America, we had six hundred and twenty five Missionaries in nineteen countries of the world. Today, with our continued careful movement, we have at present, one thousand, eight hundred and eighty four Missionaries serving in fifty six countries of the world.

We rejoice in that we have over eighteen hundred valiant souls serving our Lord in foreign lands, however, it is definitely time for us to share in the excitement of Dr. Cauthen and all missionary personnel in the fact that in the world there lives three billion, two hundred and fifty million people, and all are in foreign lands except one hundred and ninety million. Per capita in the foreign land, in response to our Lord's call, we have one witness per every five hundred thousand souls. That means that since our Lord's appeal, billions have died never hearing of Jesus and billions living today will die never hearing the story of our precious Saviour.

What to do about a lost world? Face the facts and be guided by a spiritual conciousness:

Fact one; Read again and reappraise the authenticity of the command of Jesus.

Fact two; Analyze the sorrow that must be in heaven when our sixty-nine churches in the Kings Mountain Association gave the past year for all missions; Home, State, Foreign, Community, Associational, Schools, Hospitals, Homes for Children, Aged, etc.—a total of 28 cents per week per capita membership. Is the approximate price of one package of cigarettes per week per Kings Mountain Baptist, spent for the appeal of our Lord in behalf of three and a quarter billion people a correct barometric reading of our convictions in the atoning blood of Jesus, and the veracity of His statement—"Go tell?"

Fact three; place world missions in our worship; let the knowledge of foreign missions be secured by every pastor, Sunday School teacher and officer, Training Union leader, Brotherhood leaders and W. M. U. officers. Let leaders learn the tenets of World Missions and place them in every week's services. Thus, bringing knowledge to those we serve will increase gifts over 28 cents per capita for a lost world.

We cannot educate our people, nor inject into our worship and training, something that we do not know about. Few churches of our sixty-nine has a combined leadership staff that can name over 6 of the 56 countries served by foreign missions, or over 12 of the 1800 plus Missionaries, or over 3 types of services rendered. If the thousands of leaders in sixty-nine churches will learn and inject world missions in every program, Kings Mountain Association will double North Carolina

Baptists' reach by the power of Him who said—"All power is Mine—go tell—".

R. L. McGaha

VISUAL AID REPORT

During the past year the use of Audio Visual Aids was accelerated in the Kings Mountain Association. "The Education Division of Broadman Films Department" of the Sunday School Board launched a New Program Service to the churches called: "Church Audio Visual Education" plan or "CAVE" plan. In such plan, associations with 20 churches participating in the new plan could acquire films and equipment at greatly reduced cost.

Mr. Neil E. Jackson, Broadman Films representative, working in our association in the distribution of the Visual Aids equipment, reported that 22 of our churches entered the Visual Aids plan offered by the Sunday School Board. Eighteen of these churches purchased the 16MM projectors under the new discount plan. Several more of the churches are planning to enter the "CAVE" plan.

A recent letter from the Films department to your representative, states that 1,040 churches have taken advantage of this opportunity of Films service. The Kings Mountain Association was the second association in the state of North Carolina to enter the plan. Careful and prayerful use of Visual Aids will greatly bless our churches.

REPORT OF THE MUSIC EDUCATION COMMITTEE

The major projects of the Music Department of the Association for the year 1963-64 were the Carol Sing and the Music Festival. A very successful Carol Sing was held at the Lawndale Church. Featured were selections by the Primary Bell Choir from First Baptist Church, Shelby, and directed by Mrs. Oscar Stuart. Also coming from the First Baptist Church, Shelby was the Junior Choir under the direction of Mrs. Blake McWhirter and they presented the Cantata "What Gift Have I?" Mrs. James Stamey sang a very beautiful solo and the congregation joined in singing many of the traditional Christmas Carols. Mrs. Dennis Larkins served as Organist.

Many Choirs from several churches attended the Regional Festival held at the Elizabeth church and later attended the State Festival. Once again, the Elizabeth Church, with Mr. Bob Decker as Director, achieved the Standard of Excellence for the Music Ministry.

MINISTER'S WIVES AUXILIARY REPORT

Our eight meetings were an inspiration and joy to the 44 members of the Minister's Wives Auxiliary. With our theme being "Walking Worthily" we shared very practical and helpful programs relating to our different phases of work as Ministers Wives.

Along with our own members leading us in these thoughts, we also had several guest speakers. The meetings were always opened for informal discussion and participation after each planned program.

Our special features for the year were our annual Christmas party and May luncheon. Both were very well attended.

We were especially privileged to have Mrs. Zeb Moss, missionary to Northern Rhodesia attend some of our meetings, and Mrs. Bill Roberson, missionary to Vietnam, as guest speaker at our May luncheon.

All the Minister's Wives of this association are encouraged to become a part of this fellowship. It is a wonderful way to share common ideas, problems, and joys, as we serve in this capacity.

Respectfully submitted,

Mrs. James Stamey, acting pres.

REPORT OF THE PASTOR'S CONFERENCE

The Pastor's Conference met at the First Baptist Church, Shelby, the first Monday of each month, except June, July, and August.

Roland Leath, Vice-President and Program Chairman, had inspiring and informative programs arranged for each meeting. Some of the speakers were Fred Crisp, Cline Borders, C. O. Greene, Zeb Moss, and

Wilson Padgett. The January meeting was held with the Commissioners of Cleveland County in the Courthouse. It was held with them for the purpose of expressing our disapproval of the appeal which had been made to the Commissioners to request a county-wide ABC referendum.

The officers for 1964-1965 are:

President—James Stamey
Vice-President—Hugh Borders
Secretary—Coy Dellinger
Song Leader—C. A. Kirby
Pianist—Paul Johnson

BROTHERHOOD REPORT

Out of much research and prayerful study has come a wider and more adequate concept of the nature and work of Brotherhood. This new concept may be stated as follows: "A Brotherhood is a fellowship of Baptist men, members of the church, organized to advance the cause of Christ through a program of missionary education and the promotion of missionary activities, designed to inform, motivate and involve men in the mission task of their church."

A study of the developing programs of the other church organizations reveals that the only organization in the church with a program of missionary education and missions promotion involving men (and boys) is the Brotherhood. This means, of course, that if a church is to accept the recommendations of our denominational leaders to provide men and boys with missionary education opportunities and missionary service opportunities, such opportunities will be offered through the Brotherhood.

The new concept of Brotherhood points to the following great objectives for Brotherhood: To lead men to—

1. A deeper commitment to missions
2. A more meaningful prayer life for missions
3. A larger stewardship on behalf of missions
4. A personal involvement in missions

No change in the present Brotherhood organizational structure will be necessary. However, there will be a development and a new alignment of the four major Brotherhood emphases, and the setting of each on a solid missionary base. World Missions, for instance, will emphasize missionary education and commitment to missions. Developed in the area of Personal Stewardship will be an added emphasis on the support of missions. The area of Christian Witnessing will be tied on

directly to Christian service through missionary activities and involvement; and work in Royal Ambassadors will be pointed towards missions advance.

ROYAL AMBASSADOR REPORT

Your director has had the opportunity of going into several churches to present a part of the Royal Ambassador program.

Several good film strips have been added to the Associational library. These films are especially good on how to have a chapter meeting, outdoor life and the Brotherhood's part in R. A. work.

The Conclave was held at the Sandy Plains Baptist Church. All of us enjoyed their lovely house and grounds. Some 180 persons attended the Conclave. Rev. Richard Plyler brought an excellent message of inspiration.

Seventy-two attended the camp at Gardner-Webb College. Rev. George Cowsert of Brazil served as our missionary.

In thinking of particular churches, we wish to especially commend the Westview Church of Shelby. Westview Church has set a good example for the rest of us to follow.

The R. A. baseball leaders report one of the best seasons ever. The league of R. A. baseball has expanded to cover four associations.

We urge the Brotherhood to have more programs on the R. A. work.

REPORT OF AMERICAN BIBLE SOCIETY

The Bible is the most popular, most wonderful book in the world. The American Bible Society, alone, has distributed more than 500,000,000 volumes of the Scriptures.

The Scriptures have been translated into more than 1,150 languages. The American Bible Society was founded in 1816, and has a single purpose: to circulate the Christian Bible as widely as possible throughout the world, without note or comment. Through translation, publication and distribution. It seeks to carry the Word of God to every person everywhere in the language or form he can best read for himself.

The American Bible Society is supported by contributions from 55 church bodies in the United States, and church-related groups and individuals.

Your gift to the American Bible Society: large or small, can help someone have the Scriptures in his own language.

Gifts from your church to the American Bible Society, should be sent through our Secretary-Treasurer's office, Baptist Building, Raleigh, N. C.

HOME MISSION REPORT 1964

According to Webster worship means "reverence paid to worth." Reverence means "profound respect mingled with love and awe." Respect means "consider worthy of esteem." Esteem means "warmth of feeling or close attachment." The greatest worth known to man is God. And hence a practical definition of worship is an act or declaration of warm feeling of love and awe from one who has a close personal attachment to God.

This kind of worship is the supreme objective of the Home Mission Board in all its programs of service. I mention three of those programs by way of illustration.

1. Evangelism or spiritual enlightment. The natural man is in spiritual darkness, blind, dead in sins. Except he be born again he cannot see kingdom truths. To be born again one must approach Christ not from the understanding but from the heart - not by sight but by faith. Warmhearted preaching the gospel is essential to the generation of such faith.

The Home Mission Board's Department of Evangelism was started some 15 years ago. Since that time the number of baptisms in Southern Baptist churches has increased from around 250,000 to about 400,000 per year. This has been brought about largely through evangelistic conferences held in cooperation with state personnel and local pastors.

This work in evangelism is also carried on by chaplains who work with our armed forces in various parts of the world and under the general direction of the Home Mission Board. In more recent years the chaplain is finding his place in hospitals, penal institutions, and industrial plants. Thus worship is finding its way into the everyday affairs of men. And in many instances churches are being born as a result of the chaplain's work.

2. Establishing new churches. This effort has been emphasized in the West and North. The need for new churches has been brought about primarily by the phenomenal growth of our cities. The population of our cities since 1900 has increased from 30 million to 120 million—a 400% increase. From 1950 to 1960 85% of our population growth has been in the cities. By 1975 it is predicted that our city population will be 60 million more than in 1950. This kind of growth is not without its dangers.

Henlee Barnette has pointed out that Catholicism and secularism often accompany increased industrialism and organization. For example, New England has become highly industrialized. Its people were once 95% Protestant but are now 95% Roman Catholic. Evidences of this type of change are showing up in different parts of the nation.

These nation-wide changes demand nation-wide plans for providing worship. To let the cities grow without Baptist churches is to encourage secularization. With a sufficient number of churches among the people worship has a chance; without them worship has no chance. This is the philosophy prompting the Home Mission Board in its program of starting new churches throughout the nation. Its accomplishments in this realm are impressive.

Look at Chicago for example. Southern Baptist churches have increased in number in this city from 6 in 1950 to more than 150 now. The Chicago Southern Baptist Association was formed in 1957 with 11 churches. Their territory includes 2 counties with approximately 6 million people. They now (7 years later) have 56 churches with a total membership of 8,942 and gifts last year of nearly ¾ million dollars. In its annual meeting last week this 7-year old association reported 9 new churches, 8 missions, 2305 additions to the churches, 968 baptisms, S. S. enrollment 8567, T. U. 4136, total value of property $2,781,600.

The Big City Program of the Home Mission Board has been responsible for eleven of these churches, while the board has helped otherwise in most all of the others. One of the eleven is the First Baptist Church of Hoffman Estates, a community of 13,000 people with no Baptist church when Lewis Lowe of Atlanta began work there in a new mission, on May 25, 1958. There were 17 people present in his first service. By September 20 the next year they were ready to constitute the church with 46 charter members. The church now has 200 members - 57 of them added during the last year - 37 by baptism. The church has a budget this year of $315 per Sunday and the offerings to date are a little ahead of the budget requirements. Within this same time the church has sponsored 2 missions, both of which have now become churches with 81 and 43 members respectively.

In these few years the Home Mission Board has seen churches increase in Chicago as follows: 1957, 11 churches, the next year 18. Then 25, 31, 38, 43, 48, and this year 56. Of the 12,692 members added 5,105 of them were by baptism. And Chicago is only one of the cities where the Home Mission Board works.

3. In the third place the Home Mission Board has been aiding in worship through the rehabilitation of rural churches. If the preaching of the gospel is the greatest aid in worship then the frequency of gospel preaching would seem to be a fair measure of the progress of worship in the churches. In its Rural Church Program the Home Mission Board has considered that full-time preaching should be the norm for all churches - even rural churches. To that end it set its efforts. Steadily through the years we have seen the decreasing number of churches

with part-time preaching. For example, in 1951 there were 11,927 churches in the Southern Baptist Convention with part-time preaching. In 1963 this number had been reduced to 4,501. At the same time the number of full-time churches increased from 16,362 to 28,604.

In many of our rural communities church attendance had lost much of its deep significance. In others the church had never reached its highest potential in worship. An editorial in last month's Moody Monthly says that "one of the most dangerous things a Christian can do is to attend church casually." The argument is that "not only has God been robbed of what was rightly his; but the capacity of the Christian to commune with God and enjoy real fellowship with Him has been sadly impaired."

Too many churches retained the form of worship but were lacking in power. They recognized the importance of ritualism in worship but permitted their lack of ritual to become a ritual within itself, and thus their attention to form (whether ritualistic or free) robbed the meetings of the deepest benefits of real worship. The Home Mission Board's prayer and hope has been that the increased frequency of preaching in the churches will help the people to gain or regain some of the power of real worship in a society so greatly in need of the demonstration of the power of our spiritual God.

REPORT OF THE ORDINATION ADVISORY COMMITTEE FOR 1963-64

1. His conversion experience
2. His Divine call to the ministry
3. His soundness of doctrine
4. Pastoral ethics
5. Church polity and denominational loyalty

The committee, in each instance, recommended to the ordaining church that plans for ordination proceed. The following candidates were examined by the Committee:

Jerry Gamble called as pastor to Blairs Fork Church, Lenoir. Ordained by Calvary Church, Shelby, January 4, 1964.

Jim Brackett called as pastor by Bethel Church, Tenn. Valley Association, Tennessee. Ordained by Second Church, Shelby, January 11, 1964.

REPORT OF THE LIBRARIAN

"Life being very short, and the quiet hours of it few, we ought to waste none of them in reading valueless books." Ruskin

This is not a report as much as it is an urgency for more and better church libraries. More than fifty per cent of the churches in our Association are without this service.

The church library has the special privilege of bringing books to serve people who ordinarily do not seek them in other places. The churches as divinely constituted are the world's greatest institutions.

The church is so very important being the only eternal business in the world and should have the best trained and best qualified staff of workers that any institution could have. Church workers are volunteers, and of course, it is impossible to get together a force of workers already thoroughly trained for the task. It cannot be hoped that as they enter service they shall have all the mental and spiritual preparation that is needed, but it can be hoped that they will study to become well trained and informed. And that their spiritual lives may be deepened and strengthened as they study.

These workers cannot personally afford, nor be expected to afford, a private library of all the books and periodicals which they need to help them to grow spiritually and better fit them for this task.

Books can lift their readers to the heights or plunge them to the depths. Printing presses are daily pouring out thousands of books and magazines. At sometime in the past they have turned out pictures of crime and evil, of "isms" and false teachings, and today there is a harvest of the sowings. They have also turned out word-pictures of beauty and goodness, and there are, likewise, fruits from them. What a blessing it would be to have some part in saving readers from that which will harm them, and substitute that which will strengthen and beautify their lives.

Every church is sorely missing a real opportunity for spiritual service until it establishes and utilizes a good library of its very own.

GARDNER-WEBB COLLEGE

Mr. Toliver Davis, Chairman, Board of Trustees

Dr. E. Eugene Poston, President of the College

Gardner-Webb College began the 57th year with an enrollment of 838 students in the regular college, 81 students in the evening college, and 22 students in a graduate course offered by Appalachian State Teachers College on the Gardner-Webb campus. This is a total of 941 students being served by the college. There are 64 members of the faculty, the staff, and the administration.

The above enrollment figures represent 57 counties in North Carolina, 14 states and the District of Columbia, and four foreign countries. We have foreign students from Lebanon, Cuba, Peru, and Scotland. A student from Jordan has been accepted and will enroll for the second semester.

A review of the faculty reveals that 54 of the 64 are Southern Baptists. The other 10 represent the Presbyterian, the Methodist, and the Lutheran denominations. We have one foreign teacher, Dr. Mario A. Suarez, who taught for 33 years in a Presbyterian College in Cuba. Our faculty, administration, and staff represent 119 degrees and have studied at 51 colleges and universities.

Baptists make up approximately 71% of the student body at Gardner-Webb College. However, the following denominations are represented: Methodist, Presbyterian, Episcopalian, Lutheran, Catholic, Moravian, Church of Christ, United Church of Christ, A. R. P., Society of Friends (Quaker), Free Will Baptist, Congregationalist, Jewish, Brethren, Southern Methodist, First Church of God, Congregational Christian, Christian, Christian Missionary Alliance, Greek Orthodox, Wesleyan Methodist, and Non-Denominational.

Registration records revealed a total of 30 unchurched students. A program of personal and mass evangelism is underway to lead these students to experience the Christian birth.

During the past year the college lost one of her dearest friends and benefactors in the death of Mr. I. A. McLain of Marion. However, his Christian influence will live on in the lives of the faculty, the staff, and the administration and a host of others who knew of his dedication to his church, denomination, and Gardner-Webb College. He was serving as a member of the Board of Trustees of Gardner-Webb College at the time of his death. His widow, Mrs. I. A. McLain, is presently serving on the Board of Advisors of the College.

The trustees of the college made a forward move during the past year when they authorized the administration of the college to employ a professional fund raising organization to make a survey of the area to determine whether or not a capital needs campaign would be successful at this time. The survey revealed that such a campaign would be well received by the people of the area. Therefore, the firm of Marts and Lundy of New York City has been employed to conduct such a campaign beginning November 1, 1964. We hope to build the following buildings: Fine Arts - Chapel Building, Campus Center, Dormintory, and a Classrooms Building. Plans are underway to increase the college endowment to $3,000,000. We must do these things if we are to meet the demands and needs of our Baptist people. At the present time we are forced to conduct the same chapel program twice each day in order to serve our students and faculty. Our other facilities are crowded to the limit.

During the past year the college endowment funds increased $141,061.61 through gifts, bequests and savings, and the plant fund assets increased $126,736.45. At the present time our endowment fund is valued at $535,826.08. The physical plant at Gardner-Webb College is valued at $3,000,000. All current bills were paid promptly and our total debt as of July 31, 1964, was $185,000, which is being amortized monthly.

An analysis of Gardner-Webb College's outstanding loans as of October 1, 1963, shows the following picture:

Date—**November 1963 $100,000** Balance for New Dorm

Amount—**$230,000**

Interest—**5%**

Purpose—to complete payment of Science Building and balance of New Men's Dormitory (only).

Payable—**$5,000** per month plus interest

Security—**Endowment and Funds**

Balance—**$175,000**

SUPERINTENDENT OF MISSIONS REPORT

If I could sum up in two words the feeling which I sense in the work of our churches now, it would be "cautious optimism." As of this report there are few statistics available for comparison but there is a general feeling that our work is more encouraging.

To mention a few: For the first time 67 of our 69 churches have supported Associational Missions. The total given is the largest ever.

It is gratifying to notice that the balance, while not too large for a work such as ours, is better than it has been many times before. The Baptist Center has been put in nice shape with the outside painted, termites eradicated, and a new roof. Some much needed office equipment has been bought.

Beyond this, though, we are grateful for the greatly increased use of the Center. More and more Baptists are learning about it and are using the many resources found there.

There are encouraging notes in our church life. Most of the pastors and their people seem to sense the serious plight of our world and are making plans to increase the impact of the Christian faith in a world which so sorely needs it. Many of our churches have seen the need for increased support of their pastors and are accepting the challenge by financial increases. Pastors, in turn, are giving of themselves in wholehearted devotion. There is increasing awareness on the part of the church that it must not only **wait** in worship but **go** in witness. The "Adult Thrust" has captured the imagination and enthusiasm of our people and these are moving toward reaching the adults in our church fields.

A word of appreciation is in order for the nearly 200 Associational officers who have served so well in the past. We are grateful to them and look forward to working with the new ones in the future.

This year in our Associational work we are beginning a shift in emphasis from the central, mass-meeting, type approach to one which seeks to meet specific needs in a local church or small group of churches. These workers, as resource persons, stand ready to help. Together let's explore the area of our needs and then try to meet them.

I've had the privilege of participating in services in 45 of our 69 churches this past year. For this I'm grateful and would again offer my assistance in anyway you feel I can help. I still average a meeting per day and a speaking engagement every other day. There have been nearly 700 personal conferences, and literally scores of personal contacts outside the office. In the services conducted were seen 30 professions of faith, 15 additions by letter, and hundreds of commitments for a closer walk with the Lord. We enjoy our work!

Continue your support and your prayers in behalf of Mrs. Crisp, all the Associational officers, and me. We stand ready to serve. Call on us!

Respectfully submitted,

Rev. C. O. Greene

REPORT FROM COMMITTEE ON EVANGELISM

The primary work of the Committee on Evangelism this past year was to promote our Baptist Jubilee Revivals. Ninety percent of our

churches held revivals this year, with about 50% participating during the simultaneous dates.

In February a state clinic was held in Greensboro to evaluate our present approach to evangelism. Around 50 associational leaders from over the state attended.

Our associational clinic will be held next January, with the Eastside Baptist Church of Shelby. This clinic will be under the direction of our state leader, Dr. Julian Hopkins.

For information on baptisms and church memberships, see the associational clerk's report.

BEAUTIFICATION REPORT

Several requests for general information concerning trees and shrubbery have been received and answered this year. One request for information on the care and treatment of Maple trees came from the Churchill Drive Baptist Church. Inspection and recommendation was made. Your committee continues to extend the invitation to each of the churches who wish aid and counsel in beautifying their landscaping and grounds.

HOUSE AND GROUNDS REPORT

The House and Grounds Committee reports termite eradication by Goodwill Exterminators at a cost of $110.00.

Covering of the entire Baptist Center Office, repairing the porch on the west side, and repairing drainage plumbing was done by Spangler Roofing Company at a total cost of $299.97.

All outside woodwork was painted and screen doors were repaired by F. H. Taylor at a cost of $167.00.

REPORT OF THE MISSIONS COUNCIL

The Missions Council held four meetings during the year. In the organizational meeting held within 10 days of the last annual Associational meeting the following officers were elected:

Chairman—Fred C. Crisp

Associate Chairman—Hugh Dover

Secretary—Mrs. L. P. Williams

Finance and Administration Chairman—Aaron Phipps

Missions Planning Chairman—Forrest Teague

Institutional and Interracial Chairman—Norman Brown

Some of the activities of the Missions Council during the year include the following:

1. Services in the county jail

2. Prepared and submitted a budget for next year to the General Board for their approval.

3. Took a survey in Emmanuel Mission Community near Cherryville and recommended proceeding with organization of a church.

4. Helped with organization of Emmanuel Baptist Church on July 19, 1964.

5. Recommended that a letter be sent to all churches in the association asking for voluntary contributions to the Maple Springs Baptist Church (colored).

We are grateful for every blessing which has come our way during this year. There is still much to be done. Let us rededicate ourselves to the cause of Christ and experience great things together in this new year.

Respectfully submitted,

Fred C. Crisp, Chairman

BIBLICAL RECORDER REPORT

In the modern world nothing stays around very long that doesn't have some definite purpose and mission. The BIBLICAL RECORDER, now 131 years old, grows in strength and stature because its course is fixed upon the primary purpose of service to the Baptists of North Carolina.

Never has there been a day when the Christian witness was more needed in dealing with the problems of the world. The church at work in the world needs all the information and insight it can get. Our democratic form of church government is founded upon the belief that people

will do the right thing when properly informed. To help Baptists fill these needs, the RECORDER seeks to do the following:

1. TO INFORM. Baptists cannot properly do until they properly know. With special attention to the interests and needs of Baptists in this state, the RECORDER staff gathers, sifts and publishes significant news from as many sources as possible. It keeps abreast of the important activities of the State Convention and its agencies and institutions. As much as possible, news from the wider circles of the Southern Baptist Convention and the entire Christian world is presented.

2. TO INTERPRET. Increasingly it is becoming necessary for responsible publications to help readers understand the meaning of events. The reasons are many. Daily the world becomes more complex and events and personalities become more entangled. Most people face such a flood of information and propaganda from every direction that it is hard to sort out the important things, set them in proper context and understand them. With the resources of full information, close contact with denominational leaders, pastors and others, plus many years of experience, the RECORDER seeks to say something about the meaning of events as well as reporting them.

3. TO INFLUENCE. Like the individual Christian, a Baptist paper has a responsibility to let its light shine in the world. A long record of service, integrity and courage has earned respect for the voice of the RECORDER both within and without the denomination. Proper use of that voice, lighted by the New Testament and conscience, is both a service and a sacred trust. Take the lead in seeing that every family in your church receives the RECORDER.

At present there are 2,650 copies of the RECORDER received each week in the Kings Mountain Association. We have 21 churches that have the Every Family Plan and 25 churches that have the Club Plan. This leaves a total of 13 churches in the Association which do not receive the RECORDER by any plan.

With vital issues facing our denomination each day we need to be well informed. We hope that in the coming year each family in each church will receive the RECORDER.

Respectfully submitted,

Max Burgin

HOMES FOR THE AGING REPORT

Our Baptists Homes have just completed their 13th year of operation and are entering into the 14th year with eager anticipation and with much enthusiasm. God has blessed these brief years with an abundance of His love and with the good things of life. Growth has been rapid, the development of facilities amazing, and the need for additional space staggering. We have come from 1 resident and 1 building, since the

March of 1951, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquires during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home, to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project during this year, and thus, the burden of our hearts will have been relieved, in a measure, by being able to care for 30 additional residents. The Home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister Mrs. Sallie Willie Graves Bradsher, to build and equip the Home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home and for assistance in supplementing needy residents who will live there through the years.

Today North Carolina Baptists are contributing an average of $90.00 a month on the cost of care of 90% of the residents who live in our four Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albemarle Home and Hamilton Home. This support comes through the Special Day Offerings, received in the Churches on the third Sunday of February each Year, through designated gifts from church budgets, and through the Homes' share in the Cooperative Program. These needy residents could not possibly be with us, nor could they receive the loving care that they do, if it were not for the gifts from our 3400 Baptist churches. Earnest heed should be given by each church, therefore, towards increasing the amount of Special Day Offerings and designated gifts to the Homes. This should be emphasized especially in view of the fact that there was a 5% decline in gifts to the Homes during 1963. We will not have an accounting on gifts for 1964 until September, but we can only hope that there will be a considerable increase.

Life among the residents these days is most interesting and filled with a variety of experiences. The youngest resident celebrated her 66th birthday in January, and the oldest her 103rd birthday in July. Some are doing creative writing, others sewing, gardening, teaching, painting, and living a good life in general. All are praying for a world and its needs. All are expressing thanksgiving to God for the people called, "Baptists," and for the happiness and security of the Homes that our Baptist people are helping to make possible for them.

There is nothing to prevent our receiving any needy aging person, 65 years old and above, who is reasonably well, mentally, and physically, except lack of space. Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship

in this great area of human concern and give an answer to as many of these dear people as possible.

REPORT ON BAPTIST CHILDREN'S HOMES 1964

Following the war between the states (1860-63) the need of establishing a home for orphan children became apparent and the need was championed by John Haynes Mills. In 1884 the N. C. Baptist Orphanage Association was located in Raleigh, N. C. and John Haynes Mills was elected General Manager and the work was supported by interested friends, by once-a-month offerings from interested Sunday Schools and by a generous Thanksgiving offering.

In 1914 Mr. W. L. Kennedy gave his large and attractive home and 1200 acres of rich land to the Baptist Orphanage at Thomasville. Since 1958 we have operated Odum Home for Indian children at Pembroke. In 1963 a small home was established at Chapel Hill for children in need of specialized medical service.

During the past year 574 children have been cared for in these four homes, 171 cared for in good foster homes and 20 mothers have received aid in caring for their children at home and 90 have received case-work supervision. We, therefore, have cared directly or indirectly for over 1000 children.

And this expanding work is supported by your prayers, and by your gifts; supported by your gifts to the cooperative program, your once-a-month offerings, your individual gifts, your large Thanksgiving offerings, and by our farms. At Thomasville, we have an 800 acre farm with an "A" grade dairy of Holstein cattle; at Kennedy Home we have 1200 acres producing corn, beef cattle and hogs; and at Odum Home we produce strawberries and garden crops; and these farms help in the development of our children.

All of our children are properly housed, fed, clothed, educated, and they live in a spiritual atmosphere, and from 75 to 100 are baptized each year. And all of this wonderful work is featured in Charity and Children each week, by editor John Roberts and other reporters. Each week 55,000 copies go out to churches and Sunday Schools. The General Superintendent W. B. Wagoner is a man of education and dedication and is wisely caring for the work in all the homes. We are very proud of him.

Pray for this important work, and make a worthy offering at Thanksgiving, through the cooperative program, and your once-a-month offering, support the great work.

REPORT OF SOUTH MOUNTAIN BAPTIST CAMP FOR 1964

The South Mountain Baptist Camp is desolate, lonely, and quiet since the 1964 season is over. However, the echoes of the singing happy boys and girls still ring out through the hills. It seems as though we can hear the Lord still saying "It is Good" to the donors of the property, to those who have labored so hard, and to those who have contributed to make our camp a reality.

Thanks to a wonderful staff, dedicated counselors, missionaries, and the Spirit of God who enabled us to have another successful year of camping. Including the staff we had 1630 who attended the various activities this season from 90 different churches. Ninety attended from this association.

Our theme this year, "Going Deeper With God" aided the boys and girls to see that the Royal Ambassador and Girl's Auxiliary work was really a very significant part of their Christian experience. There were 610 Star campers and 307 Honor campers. This indicates the quality and the attitude of the campers and the amount of R. A. or G. A. work that they learned.

It is gratifying to see so many campers coming back from year to year to our camp. Some have not missed a camp in seven years. The parting words of our friends this year sounded like a broken record, "We don't want to go home; we will be back next year." Nothing but a deep experience with God could draw campers back from year to year to the same place.

As we participated in worship, Bible and mission study, listened to missionaries and discussed "Going Deeper With God" we had spiritual experiences that we will never forget. About 90% of the campers made advancement in their organizational work.

Due to increasing interest in longer camping periods we are planning to have some four day camps next year. Since I am employed by the camp the year round, I will be available to help any of our associations or churches to promote a good camping program or to speak to youth groups to encourage them to attend camp. It is hoped that the youth leaders in all of our associations will help plan and work with us in filling our camp again next year.

South Mountain Baptist Camp is conveniently located and has one of the best natural beautiful out-of-doors settings for camping that can be found anywhere. So, we wish to encourage every church and all of our associations to support prayerfully our camp and to help finance its growth and development.

Additional property has been donated by Mr. and Mrs. A. Z. Scronce on which we plan to build a swimming pool. Donations can be made for this project to our General Treasurer, Mr. Ladd Maxwell, Alexis, N. C.

WOMANS' MISSIONARY UNION REPORT

The Executive Committee has held its quarterly meetings. The members have all worked hard this year. Nine attended the Fruitland Conferences and several attended Ridgecrest. Our Mission study held two mission institutes this year: Foreign Missions with Calvary Church (fifty attended); Spring institute with Elizabeth Church, 90 attended this class. Both sessions were led by Mrs. W. E. Abernathy.

Our prayer chairman, Mrs. John Gold, planned and held an Associational wide prayer retreat with Grover First Church. It was well attended. We heard how God answers prayers in different ways.

Mrs. Don Goff, Y. W. A. director, planned a Y. W. A. banquet with Missionary speaker Miss Sarah Wilson, missionary to Argentina. Held with New Hope; it was well attended.

Our G. A.'s enjoyed an associational tea led by Mrs. Jack Shull with 250 girls attending. Mrs. Zeb Moss Missionary to Northern Rhodesia talked with the girls.

Our G. A. Camp was one of the highlights of the year. This camp was held at Gardner-Webb with 169 girls and 20 counselors. Miss Carolyn Wright was Camp Director; Rev. Forrest Teague was camp pastor, and music was under the direction of Mr. Morris Jordan with Miss Marsha McSwain at the piano. Rev. Bill Roberson of South Viet Nam was guest Missionary. Guest speakers included Mrs. Carl Debrew, Mrs. Fred Crisp, and Rev. C. O. Greene.

We have attended 4 coronation services this year: Kings Mountain, Zoar, Flint Hill, and Eastside, Shelby. We are proud of our G. A.'s.

The Executive Board held a leadership conference with Kings Mountain First Church. Fifty ladies from 18 churches received cards of accreditation. Mrs. Clyde Dover as Community Missions Chairman and two others attended Human Relations Conferences in Charlotte.

We have a young girl in our Association of whom we are very proud. Mary Elizabeth (Libby) Tarlton, daughter of Rev. & Mrs. W. V. Tarlton. She is now studying for her degree in Religious Education at Southern Seminary, Louisville, Kentucky. We are proud to have a small part in helping with her education. A gift of one hundred and fifty dollars was given her.

Our Leadership conference was held with Bethel Baptist, Shelby. Conferences were held for all offices in W. M. U., including our youth organizations. Two hundred and ninety ladies attended.

Let us end this report by saying a thank you to Mrs. Fred Crisp who has helped all of the Executive Board, especially me. Thanks to Rev. C. O. Greene, and all the ladies of the W. M. U. in our Association and the pastors who have helped promote and encourage our young people in missions.

REPORT OF BAPTIST HOSPITAL

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make this service possible.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on a meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and great numbers who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and wherever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the

hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

Respectfully submitted,

Dr. John C. Hamrick, M. D.

HISTORIAN'S REPORT

What Mean Ye These Stones? Joshua 4:6

The stones Joshua spoke of were from the bottom of the Jordan River, and formed a memorial for the successful crossing of the Ark of the Covenant over the Jordan River into Canaan, the Promised Land.

The Association this year has gathered some "stones" which may make us remember the times past, deeds done and seed sown by our forefathers, the founders of the churches in this association.

I speak of microfilmed records of some 47 churches of Kings Mountain Association which were obtained during the past year. These records include church minutes, bulletins, original records like deeds, photographs, sketches of the lives of prominent ministers and lay persons and hundred of other items of historical interest.

Oldest records are from the oldest church, Zion, beginning in 1816. Some are complete, and unfortunately, some of the churches reported missing sections of their records.

All are valuable, beyond any value in money, because they are the only picture we have of the past.

As your Historian I can proudly report we now have enough data, enough facts and figures and enough documentation to begin a definitive history of the Association. One copy of these microfilmed records is being stored in the Gardner-Webb College Library. Some of the items are on view here today for your interest and pleasure, by favor of Mr. Robert Trexler, college Librarian.

As a part of this report the Historian recommends that the Association will enlarge the present committee of five members to a Commission of at least ten or more members and that this Commission during the coming Associational year be instructed to do the following.

1. Recommend to the Association whether or not a History should be written and published.

2. If so, when it could best be done.

3. Recommend a person or persons to write it.

4. Make some study of other Associational histories and make a general recommendation about the scope, depth, and extent of such a history.

5. Give the Association some estimate of the possible cost of such a project and suggest some method of financing it.

6. Set a tentative publication date, if the project is approved.

REPORT OF THE GENERAL BOARD

Many important phases of work were handled by the General Board this year. Norman Brown, Chairman of the Interracial and Institutional Committee, in the November meeting told the Board members of the Maple Springs Negro Baptist Church near Flint Hill, which was in need of financial aid. A suggestion from the moderator was that the Committee look into the matter and make specific recommendations to a future Board meeting. This was done and in the light of the Committee's recommendation the Board voted to send out letters to the churches inviting them to make voluntary contributions to the Maple Springs Church. A total of $765.50 was received during the church year.

An item of business from the previous year concerning Emmanuel Baptist Mission, organized by Rev. Fred Cartee, Pastor, culminated in the recommendation and subsequent organization of the mission into a church in July of this year with a charter membership of 35.

Mr. Neil Jackson, a representative of the conventions Audio-Visual Aids Department, attending the January Board meeting and introduced the new Audio-Visual Aids plan and by mid spring more than the 20 required churches had joined the plan, thus putting it into effect in this association.

Another important emphasis during the Spring months was the Simultaneous Revival meetings in the Association. Rev. James Stamey, Chairman of the Committee on Evangelism reported that more than 50% of the churches participated in the meetings.

The Board voted in its February meeting to make extensive repairs on the Baptist Center. This includes termite treatment, a new roof, repairs on the porch, painting, and beautifying of the grounds.

Among the many pastors leaving our Association this year was John Lawrence, Shelby, First Church, who was also Moderator of the Association. He turned the gavel over to Vice Moderator James Holder in the June meeting.

The Board approved a number of requests for ministerial tuition aid at Gardner-Webb College throughout the year. They were:

Harry Hawk—Pleasant Grove
Dale Bivin—Lawndale
Douglas Ledford—Macedonia
Ronald Leigh—Eastside, Shelby
Donald Digh—Bethel, Shelby

MEMORIAL

The passing of the 197 members in our Association during the past year which ended September 30, 1964, is a grim reminder that we should live each day as if that were the last allotted to us on this earth. We shall not grieve for them, however, because we realize their lives were dedicated to the service of their Lord.

The families and all of us who seek comfort for the loss we have sustained may turn for comfort to the Bible in these passages:

"He that is our God is the God of salvation and unto God, the Lord, belong the issues of death." Isaiah 33:19

"Verily, verily, I say unto you he that heareth my word, and believe on him that sent me, hath everlasting life, and should not come into condemation but is passed from death unto life." John 5:24

"So that when this corruptible shall have put on incorruption, and this mortal shall have put on immortality then shall be brought to pass the saying; Death is swallowed up in victory." I Cor. 15:54.

"And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow nor crying, neither shall there be any more pain; for the former things are passed away." Rev. 21:4

To this long list of our Christian friends and loved ones we pay our lasting respects and shall ever remember the inspiration their lives and their work in the various churches have brought to us. We pray that their passing may not leave a void but that many more than have passed away will be raised up through our prayers and the work of the Holy Spirit to take the places of the deceased in carrying on the Lord's work in our churches.

The fact that the clerk will record the names of the deceased in the minutes of our Association makes it unnecessary for me to read all of the names, I shall confine the names in this report to the ministers and deacons in the churches. The following is a list of each of these together with the office they held.

Respectfully submitted,

O. P. Hamrick

NEXT SESSION

WITH

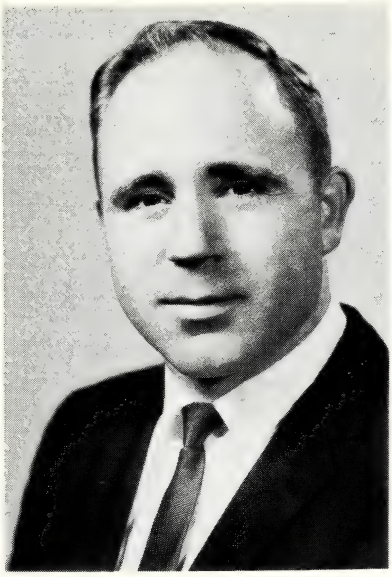
DOUBLE SPRINGS BAPTIST CHURCH
THURSDAY, FRIDAY, OCTOBER 20-21, 1966

The Woman's Missionary Union Annual Session Will Meet With The First Baptist Church, Shelby, April 12, 1966

LAWNDALE BAPTIST CHURCH

Host Church, Thursday

The Lawndale Baptist Church was organized in 1899 with forty charter members. For a number of years the Baptist and Methodist churches met jointly in the mill chapel. By May, 1953 the new Lawndale Baptist Church was completed and the congregation met for worship in its new building. All indebtedness on the church building and pastor's home had been liquidated by 1961. In the following year the church began support of Rev. William H. Cain, Missionary to the French West Indies. The people of the Lawndale Baptist Church have experienced great joy as they have endeavored to advance the cause of Christ throughout the world and are to be commended for their accomplishments both at home and abroad.



REV. RAYMOND C. NEEDHAM

Host Pastor, Thursday

Rev. Raymond C. Needham became pastor of Lawndale Baptist Church in 1961, coming from Deep Springs Baptist Church in the Dan Valley Association. He is a graduate of Gardner-Webb and Wake Forest Colleges and Southeastern Seminary and has completed the course in Pastoral Care at the Baptist Hospital in Winston-Salem.

Rev. Needham is married to the former Miss Linda Hudspeth, a graduate of Meredith College. They have two children, Aaron (8) and Mirian (3). Both Rev. and Mrs. Needham are native North Carolinians.

Since coming to the association, Rev. Needham has been active in all phases of the work of the association. During the past year Rev. Needham has served as chairman of a committee which has successfully organized a class for pastors in the Seminary Extension Program. He continues to head this committee and is also involved in other associational duties.

ZION BAPTIST CHURCH

Host Church, Friday

Having been organized in August, 1816, the Zion Baptist Church is the oldest church in Kings Mountain Baptist Association. During the history of the church there have been five buildings, the present one having been built in 1953. Zion Church has been host to the association six times (1855, 1873, 1890, 1913, 1931, and 1955) prior to this year. It has been instrumental in the organization of a number of other churches in the association and its members rejoice in the progress of these churches.

REV. W. V. TARLTON

Host Pastor, Friday

Rev. Tarlton is a graduate of Wake Forest College and Southern Baptist Theological Seminary. Before coming to Zion in 1950, he had served the following churches: Rich Square (1931-38), Cliffside (1938-44), and McGill Street, Concord (1944-50). During his ministry at Zion the present building has been erected, a caretaker's home built, and the church grounds graded and sodded.

Rev. Tarlton is married to Mrs. Letha Carter Tarlton. They have three children: Janet, Durham, N. C., Carroll, Chicago Ill., and Libby, Southern Seminary.

Rev. Tarlton has served in various capacities in our state: moderator of the Sandy Run and Cabarrus Associations, Trustee of Gardner-Webb and Wingate Colleges, and member of the N. C. General Board and Education Council.

CONFESSIONS OF FAITH

1. We believe the Scripture of the Old and New Testament to be a devinely inspired revelation from God.

2. We accept the New Testament alone as revealing the only plan of salvation and as the final authority in all matters of church policy and practice.

3. We believe Jesus Christ as revealed in the New Testment to be the Son of God and the divine Saviour of all who truly accept Him as such.

4. We believe in the personality of the Holy Spirit, and in His abiding presence with the spirit of all the elect of God, in His quickening presence with the spirit of the unregenerate moving to repentance and faith, in His witnessing presence with the spirit of the regenerate, in His comforting and guidance throughout life, in His sustaining presence in the experience of death, and in His continuing presence in the life to come.

5. We believe salvation is attained through spiritual regeneration in the act of repentance and acceptance of Jesus as Saviour.

6. Sincere spiritual redemption was made available by the death, burial and resurrection of Jesus, we believe that every regenerate person should symbolize his own salvation by being buried with Him in baptism.

7. We believe that a local church modeled after the New Testament order is a company of regenerate persons voluntarily joined together for the purpose of extending God's Kingdom on earth.

8. We believe that each church should from time to time, as a congregation, celebrate the Lord's Supper as a memorial to Him.

9. We believe in the ultimate triumph of God's Kingdom over all opposing powers, and that every regenerate soul shall have a share in that triumph.

6. In presenting the program, Rev. Billy G. Washburn, speaking for the program committee, recommended certain changes. The changes were acceptable to the messengers and the program was adopted as printed in this volume.

7. Chairman of the Missions Council, Rev. Fred Crisp was recognized. He recommended that Emmanuel Baptist Church, which had been under watch-care of the association for one year, be accepted into the full fellowship of the association. A standing vote was taken with Pastor, Rev. Fred Cartee, standing at the front facing the messengers. Emmanuel was accepted without opposition after which members of the church were asked to stand for recognition.

9. Rev. Raymond Needham was recognized as host pastor to welcome messengers to the Lawndale Baptist Church. He also gave information concerning facilities and instructions concerning the noon meal.

10. Moderator, James Holder, requested that in the absence of a clerk (Rev. 11. Mr. Yates Pearson introduced Mr. Robert Decker who sang the solo: "God Is Our Refuge." The accompanist was Mrs. Fred Mauney.

12. The moderator introduced Rev. Coy Dellinger, pastor of North Brook Baptist Church, to bring the inspirational message. Using Hebrews 2:1-3 as a text he developed his sermon on the following points:

Salvation is great because (1) of its origin—God the Father, (2) of what it cost God—His Son, (3) of what it does for man—redeems him, and (4) of what it provides—eternal life.

13. Mr. Yates Pearson led the messengers in singing the hymn, "Stand Up, Stand Up for Jesus."

14. The moderator called attention to the General Board Report, pointing out important aspects as reported. He then called attention to the proposed budget and entertained a motion for its adoption. It was moved, seconded, and duly passed that the budget be adopted as proposed.

The report on the Printed Word was adopted.

(5) It was moved and seconded that the Brotherhood report be adopted as printed in the book of reports. The moderator called attention to two recommendations (see report) and then Rev. Coy Prevette, Pastor of North Kannapolis Baptist Church spoke to the report. His major emphasis was on the involvement of men in the missionary activities of the church, especially missionary education for the boys. He pointed out also that men should become more involved in the visitation and witnessing programs of the church. The printed report was adopted.

58. All business having been completed, Dr. Ford, by previous request of the moderator led in the prayer of adjournment and the 115th annual session of the Kings Mountain Baptist Association came to a close.

WOMAN'S MISSIONARY UNION

MINUTES OF THE SEVENTY-FIRST ANNUAL SESSION

The Seventy-First Annual Session of the Kings Mountain Associational Woman's Missionary Union was held at the Beaver Dam Baptist Church on Thursday, April 22, 1965, at 3:00 P.M. Co-hostesses were Poplar Springs Baptist Church, Flint Hill Baptist Church, Sandy Plains Baptist Church and Mt. Sinai Baptist Church. Theme for the program was "W.M.U. Fulfilling Its Mission Through WORSHIP." Organist was Mrs. Woodrow Funderburke, Jr., with Mrs. R. P. Withrow as song director.

The meeting was opened with an organ prelude, after which Mrs. W. E. McSwain called the meeting to order. After a congregational hymn, "O Worship the King," Mrs. Carson Hamrick, President of Beaver Dam Baptist Church, extended a welcome to all. Rev. Edgar Bishop, Pastor of Poplar Springs Baptist Church, led in prayer.

Mrs. W. E. McSwain, President, presided over the business session. Mrs. John Ed Davis presented a resolution concerning unwholesome and vulgar movies and reading matter. She moved that the resolution be adoped by our Associational W.M.U. to advance campaigns to focus attention on the problem and to encourage others to show concern and to cooperate to make it unprofitable for persons to benefit from these practices. The motion was duly seconded and passed.

Mrs. Paris Yelton presented the following amendment to the By-Laws: Article XI. Finances: Section 2. These funds will be on 25 cents per member basis, and are to be sent to the Associational Treasurer within two months following the annual Associational meeting. Mrs. Yelton's proposal was to change the above section to read: These funds will be on 50 cents per W.M.S. member basis, and are to be sent to the Associational Treasurer by December 1. Mrs. Yelton moved the adoption of this change, and the same was seconded and duly passed.

Mrs. W. Yancey Ellis presented the budget and moved its adoption. This motion was seconded and passed.

Mrs. B. H. Hopper and Mrs. David Beam were recognized as having served as executive officers for five years, and as each retires after this year, both made comments of appreciation for the cooperation of the ladies of the W.M.U.

Mrs. Grady Walker presented special music, after which "Ways of Worship" were presented.

Rev. W. V. Tarlton, Pastor of Zion Baptist Church, introduced his daughter, Elizabeth Tarlton, social work student of Louisville, Kentucky, who spoke on her Christian experience as a child and her desire to be a full fledged Christian worker.

Rev. Fred Crisp of First Baptist, Grover introduced Rev. Leroy Sisk, Pastor of Churchill Drive Baptist Church, Shelby, who spoke of the duties and privildeges of an army chaplain. Rev. Sisk was in uniform. He cleared up many misunderstandings and explained the liberties that our government gives the chaplain.

Mrs. W. E. McSwain, President, introduced Rev. Jack Cook, industrial chaplain of Carolina Freight, Cherryville, N.C., who spoke on the duties and joys of his office. Rev. Cook stated that in a few years most of the industries in our county will employ a chaplain. He explained that the industrial chaplain does not take the place of the church or pastor, but works with them.

A congregational hymn, "Praise to God Immortal Praise." was sung and Mrs. John Gold led the call to prayer.

Rev. C. O. Green, Superintendent of Missions of the association, introduced the Rev. Neal L. Peyton, Home Missionary to the deaf in North Carolina. Mr. Peyton gave a vivid description of his work with the deaf and how we, as Christian people, can minister to these persons in our state.

The closing prayer for the afternoon session and the blessing for the meal which immediately followed was given by the Rev. Oscar Funderburke, Pastor of Beaver Dam Baptist Church.

NIGHT SESSION

The night session was opened by an organ prelude, followed by congregational singing, after which Mrs. Floyd Queen, President of Poplar Springs W.M.U., led in prayer.

Featured at this session were the Sunbeams. Mrs. Eugene Roberts presented this portion of the porgram by highlighting activities of the Sunbeams.

Special music by the Beaver Dam Melody Choir was followed by the theme interpretation — "W.M.U. Fulfilling Its Mission Through Worship" — by Mrs. Wilson Harmon of the Waco Baptist Church. Interest center for the theme was a realistic stained glass church window. Mrs. Harmon developed the theme along the line that our mission is to "tell the world about Jesus". To worship we must concentrate, communicate and be ready to commit ourselves. We must worship, lead others to worship, provide organization and leadership, provide and interpret information.

Reports from the following committees were given: Mrs. Alfred Collins, Chairman of the Place Committee, reported that the host church for the next session would be First Baptist Church, Shelby, date to be announced later. Mrs. Dan Camp, Chairman of the Appreciation committee expressed the thanks of the group for the flowers, delicious meal, music and messages. Mrs. Richard Plyler, Chairman of the Nominating Committee, presented the officers for the succeeding year and moved that they be elected. This motion was duly seconded and passed. All officers went to the front for prayer of dedication, led by Mrs. Joel Jenkins.

Mr. Tom McGraw, Vice-President of Gardner-Webb College, introduced Mr. Ramzy Halaby, student from Lebanon, who told of his experiences in becoming a Christian and gave a testimony of his life since his conversion.

Rev. Oscar Funderburke presented Mrs. Aubrey Roberson, Missionary to Vietnam.

Mrs. Roberson appeared in the costume of the Vietnamese woman. She told of the four major groups of Vietnamese: those who practice paganism, the communist Vietnamese, those who are freedom-loving and seeking, and those who practice Christianity. She told something of the country and especially of the surroundings she and her family live in while in Vietnam. Mrs. Roberson gave us some of her personal experiences in leading these lost people to know and serve Christ. She closed by leaving with us the challenge to be more mission minded.

To close the Seventy-First Session of this W.M.U. Organization, Mr. Woodrow Funderburke, Jr. sang the "Lord's Prayer", and as he sang a portrait of the **Praying Hands** was flashed upon the auditorium wall in the darkened sanctuary.

And so another session of the Associational W.M.U. closed with insight into Missions and inspiration to do a better work for the Lord.

Respectfully submitted,
Mrs. W. E. McSwain, President
Mrs. J. B. Price, Secretary
Mrs. Recca Bingham,
Acting Secretary

Report of

American Bible Society

GOOD NEWS FOR A NEW AGE

". . . the word of the Lord abides forever. That is the good news which was preached to you."

This year, 1966, the American Bible Society is one hundred and fifty years old—but the Book that is our purpose for existence is ageless. Its message is as relevant today as it was in 1816. The Society is convinced that the Bible will continue to speak with power and truth in the unfolding space age.

Since its founding, the American Bible Society has carried on a dynamic program of translation, production, distribution and encouragement of use of the Holy Scriptures.

1. **Translation.** Continuous counsel, supervision and financial assistance for translators in translating and revising the Scriptures into many of the world's languages and dialects.

2. **Publication.** Manufacture, in the USA and Overseas, of volumes in many styles and sizes for varied needs and uses.

3. **Distribution.** By sale and by donation (with particular consideration for the blind and those in need of a special ministry), through the Society's agencies and distributors, churches, Christian workers, missionaries, pastors, evangelists and other volunteer helpers.

4. **Encouragement of Reading and Use.** Sponsorship of many programs in depth, such as the "Study of the Place and Use of the Bible," in the churches; Worldwide Bible Reading; Universal Bible Sunday; Reading of the Easter and Christmas stories; Bible Book Clubs and others; through the press, radio, television and printed literature.

The Society's work is made possible solely by voluntary gifts from churches and individuals. The single purpose of the American Bible Society is to help in the sowing and sharing of God's Word throughout the world.

Pastors, church workers and laymen can render an important service by giving copies of the catalog to others.

Respectfully submitted,

T. W. Bray

ANNUITY BOARD

THE LIFE BENEFIT PLAN

The Life Benefit Plan was inaugurated on October 1, 1964 to meet the need for supplemental life protection for our pastors and denominational employees, and has already achieved phenominal success with more than ten thousand active participants. It affords protection ranging from ten to thirty thousand dollars for death under age 46 with graduated benefits thereafter for dues of $3.34 to $10.00 per month. It is still open for membership.

THE HEALTH BENEFIT PLAN

The health benefit plan is an all-inclusive program of hospital, surgical and major-medical protection program which is now being offered. The target date for the beginning of this plan is October 1, 1965. Five thousand applications are required by September 1 in order to put this program into effect.

BENEFITS PAID—"MANNA FROM HEAVEN"

It has been said by many annuitants that the checks which come from the Annuity Board each month are like "Manna from Heaven". These checks vary in size, depending upon the length of time one was a member and the amount of the dues paid.

Since the beginning of the Annuity Board in 1918, almost 47 million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptist. In 1964 alone, 3½ million was paid to ministers and denominational workers or their families.

MEMBERS IN ANNUITY BOARD PLANS

Today more than 16,352 churches in the Protection Program for their pastors. Approximately 10,000 of these churches are paying the total 10% dues.

There are now 127 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies protected by one of the Annuity Board programs. This means more than 25,000 members are in the Annuity Board retirement plans.

There are seven with 70% or more of the churches in the plan. At the present time North Carolina has 46% of the churches in the Protection Program for ministers.

ANNUITY BOARD SECRETARY

Rev. Guy Cain is jointly employed by the North Carolina Baptist Convention and the Annuity Board. He promotes the Board's total program of protection by trying to enlist all pastors, churches and denominational employees who are not enrolled in the program in North Carolina. He works to help those who are in the program to better understand the protection they haye. For further information, write the Annuity Board, 511 North Akard, Dallas, Texas 75201, or Rev. Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27600.

Baptist Homes For The Aging

1965 Associational Report

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time four Homes for the aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Resthaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home at Yanceyville is completed, there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together, and we could not operate without the concern, the prayers, and the financial support of our Baptist people. This financial aid from the churches comes to us through two very vital avenues—the Special Day Offerings, received on the third Sunday of February each year, and the Cooperative Program. Special Day Offering receipts for 1964 were at an all-time high and exceeded $96,000.00. Through these gifts we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list now is 175 and grows almost daily.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Baptist Ministers' Wives Auxiliary Report

I bring you greetings from the forty-four members of the Minister's Wives Auxiliary. I feel sure that each of our members can truthfully say that every meeting was a real inspiration for their lives. Our theme this this year was, "Blueprint for Christian Living." We were very fortunate to have Audrey Robinson home on furlough from Vietnam. It was an inspiration to have Audrey in our meetings and to have her give our program for one month. It was also a joy to have Mrs. Forrest Feezor give a program for us and have her attend our meetings while she was in Shelby. Each meeting was well planned and well attended.

Our hearts were saddened this year in the death of one of our own charter members, Mrs. J. R. Cantrell. Our prayer is that we all might be as dedicated as she in upholding God's servant, therefore making it easier for him to proclaim the gospel.

May we as minister's wives be more dedicated to our task. It is a service of joy in the greatest work in the world.

We invite every minister's wife to join us this year in our fellowship together as we strive to serve Christ better.

Respectfully submitted,

Mrs. Wilson Padgett, President

Beautification

I have had a few requests for information about specific trees on certain church properties which answers were gladly given.

Elizabeth Baptist Church has a program for planting some new trees each year, with an idea that in a few years they may well have a beautiful garden. What nicer and more appropriate memorials can we leave to future generations?

Gardner-Webb College has a program underway for planting trees to ultimately make their campus a thing of beauty and a joy forever.

This may well be the year for many churches to instigate a Beautification Program.

Very truly yours,

H. C. Wilson, Chairman
Grounds and Beautification

Biblical Recorder

With serious moral issues facing us on every hand, Baptists need an accurate and comprehensive source of information. Secular papers cannot meet this need. These papers cover so many things—sports, society, business, obituaries, entertainment, national and foreign affairs, to mention a few. All too often religion is found only on a Saturday church page—if at all.

In the past year those who look to the secular press for coverage of Baptist events were disappointed on more than one occasion. The Southern Baptist Convention in Dallas and the Baptist World Congress in Miami Beach provide two examples. Even the best of the daily papers had no more than one article a day on these meetings. Some had none.

Where can Baptists get coverage of these and other significant meetings? The BIBLICAL RECORDER, their dependable medium of information for 132 years. Typical of its service, the RECORDER devoted special editions to these important meetings at Dallas and Miami Beach. Many people who

read these issues said they felt like they were there. This is the RECORDER'S job—to be our eyes and ears when we cannot be there.

In many other ways the RECORDER serves its readers. For example, a bill was introduced in the 1965 General Assembly that would have legalized distilleries in our state. Editorials in the RECORDER aroused our people and they, in turn, contacted their legislators. The bill was soundly defeated. A liquor-by-the-drink bill can be expected in the 1967 Assembly. Again, the RECORDER will keep you informed. With so many papers now accepting beer and liquor advertising, the question arises as to how they can give unbiased coverage to liquor proposals.

Let's talk money for a moment: The average Baptist family spends at least 50c to $1.00 a week on newspapers with little complaint. And yet, for only 4c or 5c a week—the cost of a stamp—the RECORDER can come into a home. If your church does not have a RECORDER club, please see that one is organized. Only four people are needed to form a club. Better still, send the RECORDER to every family under the Church Budget Plan. Our Baptist people must be enlisted in the fight against evil. The best way this can be done is through the pages of the BIBLICAL RECORDER.

Respectfully submitted,

Max E. Burgin

Brotherhood Report

Most of the activity within the Association Brotherhood, last year, was reflected in the Royal Ambassador program. Brother Bill Philbeck, as association RA leader, did an outstanding job. His report appears elsewhere in these minutes.

A number of churches were kind enough to invite me to speak at Brotherhood functions, for which I am deeply grateful. However, interest in general in the brotherhood program has not been overly encouraging. This is due largely, I think, to lack of publicity and promotion in the individual churches, and perhaps to the lack of specific projects.

It is my recommendation that the quarterly meetings formerly held by the Association Brotherhood be resumed and that, in addition, such workshops and training sessions as are deemed necessary be scheduled on interim dates throughout the year. Each program meeting should feature the most inspiring speaker available, preferably a layman, and should be well publicized throughout the association. To assure this, it is my suggestion that the office of "publicity-promotion leader" be added to the Association Brotherhood.

With the help of the State Brotherhood Director, a training session should be set up early in the year for the purpose of teaching brotherhood members fundamental techniques to be used in visiting and personal witnessing. These activities are, in my opinion, the two most important functions of the Brotherhood.

Every pastor shoud have a group of deeply dedicated men in his church upon whom he could call to pray in times of crisis. Every pastor should, I think, have prayer fellowship with these laymen, so often as is possible, before entering the pulpit. The Brotherhood is the logical source of such a prayer cell, just as it is, or should be, the organization responsible for the church visitation program.

The Brotherhood can be the "spiritual coal bin," stoking the pastoral furnace and radiating warmth and faith throughout the church. It is my prayer that the day may come when each of the 70 Baptist Churches in the Association, rather than the slightly more than half that number at present, may have such a "coal bin" in the form of its Brotherhood.

Children's Homes

Along with a part of the report to the associations sent out from Baptist Children's Homes, we include a report of what the churches in our association did for the homes during the past associational year.

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with our Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

According to the records the churches of our association gave last year **$13,737.00.** This represents a per member gift of about 54 cents. Sixty churches made some contributions, ten did not. We are hoping that every church will participate this year.

Our Homes are serving as many people who need our help as possible. They are dependent upon North Carolina Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars ($310,000.00) and is the largest ever given. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care—a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

Cooperative Program Report

For forty years the Cooperative Program has been the life line for Southern Baptists' Mission Work at home and overseas.

We are presently supporting 2,000 foreign missionaries; 2,500 home missionaries and more than 100 missionaries in North Carolina. This is not enough however. Dr. Cauthen, Secretary of the Foreign Mission Board, has challenged Southern Baptists to send out 5,000 foreign missionaries in the immediate future. As the boundries of our Southern Baptist Convention territory expand, there is need to greatly increase the home mission force. This calls for increased giving.

Our concern for a lost world is reflected in what we are willing to give to the support of work encompassed by the Cooperative Program.

According to the 1964 associational records, we increased our gifts through the Cooperative Program $14,377.00 over the previous year for a total of $187,556.00.

The digest of church letters for this year reveals an increase of $20,312 and a total of $207,868.

We note, with regret, that the 1964 minutes show that seven of our churches made no gifts through the Cooperative Program, and that two churches made no gifts to any kind of missions.

Recommendations

1. That our churches participate in the TITHE . . . NOW! Emphasis.
2. That our churches continue to give through the Cooperative Program.
3. That as individuals and churches, we pray for the continued success of the Cooperative Program.
4. That all churches observe October, or some other month if preferable, as Cooperative Program Emphasis Month. (A leaflet with appropriate suggestoins can be secured from: Department of Stewarship Development, P. O. Box 9523, Raleigh, N. C.)

Roland Leath

Evangelism Report

The primary work of the Committee on Evangelism for this year was to promote a follow up program to our Baptist Jubilee Revivals of last year.

In January, an associational wide clinic on evangelism was held at the Eastside Baptist Church of Shelby. Dr. Julian Hopkins, state Supt. of Evangelism, and Dr. James Potter, pastor of the Prichard Memorial Baptist Church, Charlotte, joined with our associational leaders in directing the conference.

A regional clinic on evangelism was held at the First Baptist Church in Hickory in September. This was to evaluate our approach to evangelism.

For information on baptisms and church membership, see the clerk's report.

Respectfully submitted,
James Stamey, Chairman

Foreign Mission Report

Surely in the light of news of our world so recently becoming first in our thoughts and concerns, we agree that it is "time to wake up" to the needs of the world as we have attempted to take the Gospel to them in places not so blessed as we. Perhaps too long we have preferred to remain asleep to the needs we have known existed. But with the conquest of space and the unleashing of new powers that can be used to deliver man or destroy, we are alerted to these needs and to the fact that we have our Lord's Commission to "go" and with the news of salvation, meet man's most pressing need.

We do not have to look far to see the needs, nor how little we do to meet them. While we as a rule are proud of what Southern Baptists are doing to support Foreign Missions we question whether or not we are meeting the challenge of reaching those without Christ as God would have us do or do we deceive ourselves when we proudly claim the title of "Missionary Baptists."

At the close of 1964 there were 1,901 missionaries (159 appointed during the year) under appointment by the Foreign Mission Board and assigned to 57 countries. 685 missionaries to 19 Latin American countries and the Baptist Spanish Publishing House; 625 to 14 countries of the Orient and Hawaii; 447 to 11 nations of Africa; and 144 to 13 countries of Europe and the Middle

East. During the year missionaries were named to four new countries: Togo, Ivory Coast, Luxembourg, and Yemen.

Dr. Baker J. Cauthen has said concerning our mission needs, "Even with growing financial resources, it is impossible to meet all the urgent needs which are annually recommended by the Missions. The recommendations each year exceed the resources available by more than $3,000,000. While rejoicing in all the advance being made, it is realistic to remember that only the most urgent needs can be supplied and many necessary steps must be required to wait. Missions advance is projected with confidence that God will call workers into his harvest, and Southern Baptists will respond with resources to undergird their ministry."

Let us "awaken" to the fact that resources of a physical nature alone will not accomplish the task. There must be dedication of ourselves, resources, and sons and daughters for the greatest need of foreign missions remains that of personnel.

Rev. Kenneth Gibson

The General Board Report

Many items of important business were transacted by the General Board this associational year. Discussion on the establishment of a Seminary Extension Center in the association began in the December meeting. Rev. Marion DuBose, Associational Training Union Director, brought the motion and Cline Borders, Director of the Seminary Extension Program, spoke on the motion explaining courses available and the cost to the student. After much planning the Seminary Extension courses for pastors was announced to begin September 28th of this year. Other courses for laymen are being considered. Courses are available in both Old and New Testament and in other church related subjects.

In the December meeting the board unamimously voted to enter the "Tithe Now" program.

Announcement was received in the April meeting of the invitation to our Associational R. A. Leader, Bill Philbeck, to participate in the Layman's Crusade in Hawaii this year. Churches were invited to help pay his expense and many responded with gifts totaling over $100. Mr. Philbeck reported a very successful crusade upon his return, in August, and offered to visit churches of the association to show slides and speak on his trip.

One of the major business transactions of the year occurred when Mr. Tom Cornwell, Chairman of the House and Ground Committee told of the desire of Hoyle Memorial Methodist Church to purchase the property now being used as the Baptist Center. A motion was made by Mr. Cornwell to sell the building at a price of $13,000.00 and rent office space in the downtown area, using the interest from the principal to pay rent. The motion carried after much investigation the Missions Council and our Superintendent of Missions settled on the location on West Graham Street a building owned by Mr. Phil Rucker, next door to the Chamber of Commerce. The move of the associational office and the transfer of property to the Hoyle Memorial Church was accomplished the third week in September.

One request for Ministerial Scholarship at Gardner-Webb was approved for Charles R. Feld, member at First Baptist Church, Shelby.

Gardner-Webb College

Lloyd C. Bost, Chairman, Board of Trustees

E. Eugene Poston, President of the College

The 59th year of Gardner-Webb College began with a new calendar and a new system of registration. The calendar provides for completion of the first semester before Christmas holidays. Registration was done with a unit record system of data processing on IBM machines.

A total of 1190 students have enrolled for the fall semester. This total is broken down as follows: 1098 regular students, 32 special students, and 60 evening college students.

The total enrollment figures represent 58 counties of North Carolina, 14 states and the District of Columbia, and 2 foreign countries. We have foreign students from Lebanon and Japan.

Last year Gardner-Webb graduated her first Negro student, Miss Joyce Watkins. Joyce is now a student at the University of North Carolina in Chapel Hill.

The Gardner-Webb faculty, staff and administration number 78. There are 102 on the payroll, including maintenance force and cafeteria force. The Royster Memorial Hospital, which is a part of Gardner-Webb, has a staff of 54, including four doctors.

A brief review of the history of Gardner-Webb reveals that the Kings Mountain Association appointed a committee of five in the year 1905 to start a high school. With the help of the Sandy Run and the Gaston Association, the school opened in 1907. The pressure of state supported high schools led the Trustees to convert the high school to a junior college in 1928. The present Decade of Advance—1961-1971, has many goals, including a student body of 1000, a faculty of 75 members, and a fully accredited four-year college. The trustees and the administration feel that they must get ready for the four-year program in order to meet the demands and the needs of the area. They feel that the state supported community junior college program will press the school into a four-year program.

Many significant developments have occurred at Gardner-Webb during the past school year. A total of 1994 applications were received. The admissions committee members had to turn away more students than they accepted. The college entered the 60th Anniversary Phase of the Decade of Advance. The trustees set a financial goal of $1,125,000. The total amount paid and subscribed to date is over $1,000,000. There are still several counties to be solicited. The goal will be exceeded. A new Men's Dormitory has been built and occupied. The Charles I. Dover Campus Center is under construction. This $525,000 building will house a new cafeteria, a bookstore, a snack shop, a post office, a recreation area, a day student lounge, a private dining room, student publications rooms. and faculty offices. The swimming pool adjacent to the Bost Physical Education Building is being enclosed for year-round use. Plans are being drawn for a Chapel-Religious Activities Center, a Classroom Building, a Sports Stadium, a new Entrance to the College, and a Bell Tower. A new campus layout for the next 20-25 years is being drawn up. A dedication service is being planned for the A. T. Withrow Science Building, the Bost Physical Education Building, and the Lutz-Yelton Dormitory. These buildings have been named in honor of leading families of the area. The O. Max Gardner Building will soon be converted into a Fine Arts Center. Credit for the above accomplishments must go to the Board of Trustees, the Board of Advisers, the Faculty, the Administration, the Staff and to Mr. R. Patrick Spangler, National General Chairman of the 60th Anniversary Phase of the Decade of Advance. Governor Dan K. Moore, speaking at a Gardner-Webb Convocation this year, said about Mr. Spangler, "He is a young man in a hurry to get a job done." Mr. Spangler is a faithful member of the First Baptist Church of Shelby, North Carolina. He will be the key to Gardner-Webb's four-year college dream.

The highlight of the past year was a general Convocation held in March of 1965. Speakers included the Governor of North Carolina, the Honorable Dan K. Moore; the Honorable Julia Butler Hansen, Member of the U. S. House of Representatives from the state of Washington; Mr. D. W. Brosnan, President of the Southern Railway System; the Honorable Basil L. Whitener, member of the U. S. House of Representatives from North Carolina. The concluding services of the Convocation was an evangelistic service with Dr. Billy Graham scheduled as the central speaker. Sickness prevented Dr. Graham's being present and one of his associates, Dr. T. W. Wilson, brought the evangelistic message. Scores of people responded. Some accepted Christ for the first time. Other rededicated their lives or surrendered to full-time Christian service. Thousands attended the weekend Convocation and evangelistic service.

Even though Gardner-Webb is basically a liberal arts college, the school offers three additional programs—an evening college for adults, an IBM Data Processing School for regular college and evening college students, and an Associate in Arts Degree Nursing Program. The Nursing Program has already received accreditation. There is one male student in the nursing program. All of this is being done to meet the stated purpose of the college, which is "to develop quality Christian students who will think for themselves and who will dedicate their lives to God in the vocation of their own choice."

During the past year college Endowment Funds increased $128,508.64 through gifts, bequests and savings, and the plant fund assets increased $489,716. At the present time the Gardner-Webb College Endowment Fund is valued at $664,334.72. The Physical plant is valued at $3,070,368.46. All bills were paid promptly and our total debt as of July 31, 1965, was none.

Historian's Report

"Write the vision and make it plain upon tables, that he may run that readeth it." Habakkuk 2:2.

We are now ready to write a History of the Kings Mountan Baptist Association.

The history has been made, 115 years of it, glorious, meaningful, inspiring history of ancient and recent days. We have the records on microfilm and in the annuals of the Churches and the Association. This body has appointed a Commission quite able to do the task.

We have only to authorize a beginning, assign the tasks to be done and count the cost. During this session the Commission will report on a six-fold request from the Association at Waco last year.

As historian I feel the Association, its churches and their members should expect such a History to be comprehensive; to cover the entire life of the body and all pertinent information about it. This history should cover first the origins of Baptists in the area, in relation to early settlements. It must tell the story of the Association, its problems, accomplishments and something of the leaders. It must recount the growth of the Churches themselves, their buildings, programs, their organizations such as the Sunday School, Training Union, Womans Missionary Union, the Brotherhood, the music, and of course, the personalities in the churches.

It must reflect the Mission of the churches and of the Association itself, and how this mission is being carried out.

We must resolve to tell the truth about ourselves, and, like the Bible, leave out nothing of importance; not garnish or embellish or gild the past; let the book and the records mirror the past as it was, including attitudes toward theology, faith and practice, towards temperance, towards other denominations, towards missions, towards race, and toward ourselves and our work.

Let us write the record plain upon the tables, "that he may run that readeth it."

In this rapidly changing world we need to run just to keep up. A really good History of this Association will help us to get ahead.

Dr. Wyan Washburn, Chairman

Report on Home Missions

In an Associational report on Home Missions of Southern Baptists three things defy the mind of man to print, portray, picture or estimate in relation to the work of the Home Missions.

Number one: the detailed universality of the area and type of work that is done for our Lord; two: the dimension of the need of the Christian service it performs; three: the value to the Kingdom of God resulting from these services in the United States of America.

Our Home Mission enterprise with its 3,011 workers (including Summer workers) serve in all fifty states of our Nation plus Cuba, Panama, and Puerto Rico. The 144 added recruits this year and a great number of former workers with the use of 66% of the budget pressed into new areas with the Gospel of our Lord.

In many languages as a result of 47,512 classes taught, 172,733 sermons preached, 1,574,265 pieces of religious print given, professions of faith and additions to churches amounted to 90,671 plus 12,000 through our Chaplaincy. Also 446 new missions were started and 201 new churches organized this year thus reaching a total of 18,285 missions organized and 6,682 churches constituted during the past nine years.

Many churches that have existed for years, having a dire need of extending their physical facilities to do a great work for the peoples of their community, have been aided by the Church Loan Division. Six million dollars was loaned this year to over 421 churches enabling a greater work to be done for our Lord. The division reports a corpus of more than $15 million in all its funds for this service. Plans are now being made to establish loan funds through the State Conventions to broaden this service.

Jesus said, "The harvest truly is plenteous, but the laborers as few." As it is with our local churches, as it is with the Foreign Mission Board, so it is with the Home Mission Board; if, (and the potential more than exists) every detail in function was doubled, we still would be a long way from sight of the horizon regarding present existing needs.

Heaven only knows and eternity only can reveal the value of the work done by our local churches, the Foreign Mission Board, and likewise our Home Mission service for our Lord here in this great American nation. Southern Baptist Home Missions need our prayers, our money, our men and women. Our prayer, our money, our men and women in dedication are deserved by Him who said, "In as much as ye did it unto the least of these, ye did it unto me."

Baptist Hospital

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were

sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as pyhsicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose: when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great Physician, through our hospital, to these multitudes who are sick. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

Report of House and Grounds Committee

Your committee has not had to spend any money on the building and grounds at 1003 Buffalo Street, Shelby this year. However, we can report to you that we spent many hours in meeting and consultations connected with selling the property to Hoyle Memorial Methodist Church.

In considering with them the joint needs committed with the house and lot they again indicated an interest in buying the building. Appraisals were made, an offer of $13,000 was made and reported to the Genral Board. The Board accepted the offer and transferred ownership to Hoyle Memorial in September.

We also assisted in finding new quarters for the Baptist Center. It is located at 107 West Graham Street Shelby.

Librarian's Report

The thirty one Librarians in the Association feel that God has richly blessed the Churches and Communities through the book ministry during the past year. It is our hope that more Churches will establish and promote this great work.

In these thirty one Churches many people have chosen to give books as Memorials instead of sending flowers to the funeral of a friend. Though this method countless valuable books have been added to our Church

Libraries.

If the Apostle Paul, perhaps the greatest of preachers, needed the inspiration of good books and the Holy Scriptures, surely twentieth century Church members need to "Study to show themselves appoved unto God, rightly dividing the Word of Truth."

Through good books you can start today where the great thinkers of yesterday left off. Thinkers, dead a thousand years, are as alive in their books today as when they were present walking the earth. There is nothing that will strengthen the mind, broaden the vision and enrich the soul more than the reading of good books. One can find or make no better friend than a good book.

Read something good each day; discipline yourself to a regular schedule of reading. In only fifteen minutes each day you can read about twenty books each year.

READ to increase your knowledge and your insight. READ to lead. READ to grow.

Respectfully submitted,

Mrs. Aubrey L. Calton, Ass'n. Librarian.

Missions Council Report

The Missions Council held four meetings during the year. In the organizational meeting held within ten days of the last Annual Associational Meeting the following Officers were elected:

Chairman—Fred C. Crisp
Associate Chairman—Carl Spangler
Secretary—Mrs. Charles D. Forney, Jr.
Finance and Administration Chairman—Aaron Phipps
Missions Planning Chairman—Forrest Teague
Institutional and Interracial Chairman—Norman Brown
Other members of the Council were: A. L. Calton, George Julian, Hugh Dover, Hoyle Wright, Jennings Brooks, Hubert Dixon, George Byrd, Mrs. L. P. Williams, Floyd Willis, and Wayne Ashe, who were assigned to the three committees. Also rendering great service to the Council were C. O. Greene, Leroy Sisk, and James Holder.

This was a busy year for the Missions Council. Insurance was increased on the Baptist Center including liability; a policy was set concerning travel expense for outside speakers who come to our Association; made it possible for Mr. and Mrs. C. O. Greene to go to both the Southern Baptist Convention and the Baptist World Alliance; made arrangements for moving the Baptist Center from Buffalo Street to its present location at 107 West Graham Street; prepared and submitted a budget for next year to the General Board for their approval; made arrangements to hire temporary secretarial help since our Clerk-Treasurer, Leroy Sisk, was called into the Army as a Chaplain; a committee was suggested to study, revise and re-write the Associational Constitution and report to the 1966 Annual session. This was some of the main business cared for by your Missions Council.

It has been a pleasure to have served you this year and may we look forward to great things during the year 1965-66.

Respectfully submitted,

Fred C. Crisp, Chairman

Report of Associational Music Ministry

1964-1965

The goal of the Associational Music Ministry during this past year was to provide inspiration and training for the music leaders of the local churches. To implement this goal, the music committee adopted a program of "One Night Clinics" for music leaders.

The first of these clinics, held at the Dover Baptist Church, was designed as a methods and materials clinic for church choir directors and accompanists. Mr. Robert Decker, Minister of Music at the Elizabeth Baptist Church, led this clinic and presented materials that could be used effectively in the local churches. A fellowship supper for directors and accompanists was enjoyed before the clinic began, and both, the supper and the clinic, were well attended.

The second one night clinic was one on Music in Worship and was attended by pastor and music leaders. In this meeting, held at the Elizabeth Baptist Church, a panel discussed the use of music in worship, and then, those present divided into smaller groups to discuss and plan worship services. For those who attended, it was a very stimulating meeting.

The third and last of these clinics was held at the Bethel Baptist Church and was designed to help those who lead children in music experience. Mr. Allen Jolley led the group in studying methods and materials for Juniors. Because of poor attendance, the group studying the Beginner and Primary materials did not meet. This clinic was worth while but would have meant much more to the churches in the association if it had been better attended.

Other areas of work for the Associational Music Ministry during this past year included giving assistance to individual churches when called upon and planning the Associational Christmas Carol Sing.

We were very pleased with the attendance and spirit of the Carol Sing held this year at the Double Springs Baptist Church. The program consisted of congregational singing, a speech choir from First Baptist Church, Shelby, bringing the Christmas scripture, and a combined choir consisting of Junior Choirs from several local churches singing the cantata, "Lo! A Star."

The Associational Music Committee this year was Mr. Joe Banton, Mr. Robert Decker, Mr. Allen Jolley, Mr. Roland Leath, and Mr. Yates Pearson. Their willingness to accept responsibilities this year has been greatly appreciated.

Respectfully submitted,
Morris L. Jordan,
Associational Music Director

North Carolina Baptist Foundation Report

During the past four year the Foundation has been actively presented to the Baptists of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptists are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from $60.11 to approximately $450,000. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the

Foundation lies in its fifteen member Board of Directors. These men are businessmen who give their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that The North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help.

C. Gordon Maddrey, Executive Secretary

South Mountain Baptist Camp Report

1965 Season

South Mountain Baptist Camp continues to bless the lives of the great numbers who attend her various activities. Hundreds of campers had a rich and deeper experience with God and learned a lot about our church work.

We had five G.A. Camps with 831 attending. We had four R.A. Camps with 417 attending. We had 243 campers who received honor camper awards. 630 earned the Star camper award. To receive these honors the campers must study on forward steps or Manual study. Also, it is necessary to read a Mission Book. We had eight Missionaries on our camp programs this summer.

We had a total of 2030 who attended the various activities during this season. We had an increased number of youth retreats, over night camps and supper meetings. Campers came from 111 churches. Catawba River Association led with 352 coming from 17 churches. Gaston was next with 292 coming from 23 churches. 201 attended from your association from 19 churches.

Our theme for the summer was "Christ, The Hope Of The World" (Col 1:27). 739 were inspired to make some kind of decision for Christ. 95 professions of faith, 605 rededications and 39 for special service.

For years we have been hauling in crushed ice at the camp. We were authorizd by members of the camp committee to buy an ice-maker. We have the faith that enough individuals and churches will make donations to pay for it. It is a 220 lbs. capacity. The cost was $714.00 installed. Donations have taken care of over $400.00 and we have saved on the price of ice.

We are happy to report that we received an "A" rating from the North Carolina Health Department.

Even though the Camp fees are unusually low for the campers we have been operating on the money received from them. We recive approximately $3,000.00 over and above our seasonal expenses that is applied to the salary of our camp Director who is employed the year round. We look to the churches for about $1,000.00 of his salary. He is available to help promote camping anywhere in Region Eight. Most of the money received from the churches is used for development and improvemnts, and to pay off our indebtedness. We only owe $2,500.00 to Mr. B. H. Poteet of Morganton.

Christian Friends here is a wonderful opportunity to make an investment that will pay great dividends until Jesus comes. Make checks payable to South Mountain Baptist Camp and mail to Mrs. Leroy Stamey, 103 N. Matthews St., Morganton, N. C.

Royal Ambassador Report

This report submitted by Bill Philbeck R. A. Leader of the Kings Mountain Association for 1964-65.

The first major work of the R. A.'s for 1965 was to organize the baseball program. I served as president, Mr. Olin Williams was secretary, and David Monroe was treasurer. I represented Westview (for trophies), Mr. Richard Justice (Highland) was in charge of the Baseball Cookout. Winners of the trophies were:

First Place, Juniors—Sandy Plains
Second Place, Juniors—Zion
First Place, Intermediate—Flint Hill
Second Place, Intermediates—Dover

PLAYOFFS:

First Place, Juniors—Zion
Second Place, Juniors—Sandy Plains
First Place, Intermediates—Dover
Second Place Intermediates—Flint Hill

SPORTSMANSHIP:

Juniors—Westview
Intermediates—Beaver Dam

May 7 we had our annual Conclave at Sandy Plains Church. Two hundred and fifty boys were present. The Rev. James DeLoach of Rock Hill, South Carolina brought the message.

I was able to visit about twenty churches of the association, with talks on R. A.'s and on missions, illustrated with slides and filmstrips.

We welcomed new chapters from Zion, Beaver Dam, and Pleasant Grove.

Both Westview and Eastside had two baseball teams. With Eastside having both in the top four playoffs. Each league had nine teams, and we played each other twice this year on Tuesday and Saturday. There was not a single protest.

Sincerely,
Bill Philbeck

Sunday School Report

The decade of the sixties may prove to be a crucial period for Christian education and evangelism in our churches. In every planning session from the state level to the local association responsible leaders voice the opinion that danger signals are flashing in every area of the church's ministry. While offerings increase personal involvement decreases. The population explosion continues in the face of a static church membrship.

In our own association the spurt in industrial growth begun in the late fifties has almost stripped us of the label "Bible Belt." On a given Sunday, during the Morning or Evening Worship Hour, a large percent of the church's members are on the job in a seven-days-a-week industry. Even with the decline in morals our present day society is drawing heavily on the spiritual bank account deposited for it by the preceding generation. Once the churches allow this account to become "overdrawn" the foundation will crumble. To paraphrase the words of Jesus, "Great will be the fall of it."

In the face of such circumstances the task of the Sunday School should be clear to us all. (1) Sunday School may have to become "Monday" School. The Extension Department and Mission Bible Study Classes left the church house to go where people are. Why not provide such Bible teaching when people have the time off from a rotating shift schedule?

(2) Th Sunday School ministry must take the offensive outside of the four walls of the church. While the church is that "light set on a hill" lost and indifferent men must be sought and brougth to that light. A new generation brought up outside the church, and the "transplanted" person from a pagan or Catholic background, will not be drawn to Bible study and public worship. If our Sunday Schools fail to reach these people the church of today will be smothered tomorrow: smothered, mind you, by people!

(3) The Sunday School must minister to all of the people in its community. A program limited to "our kind of people," (however you may define "our kind of people"), will be to commit suicide by degrees.

Your Associational Sunday School workers pledge to each and every church a genuine interest and concern for any problem that may be encountered during the coming year. The total resource of our department are available to YOUR church upon invitation.

Hugh L. Borders

Superintendent of Missions Report

Instead of boring you with statistics let me share with you some observations concerning developments in Baptist life.

In the five-year plan of Southern Baptists the emphasis for this year is "Proclamation and Witnessing." This is a two-pronged approach which emphasizes public proclamation of the Gospel and also daily personal witnessing as we work and play. These emphases would not lessen the importance of the "preaching of the world" but would add to it the neglected area of "being the church" in all of life. How we need it!

In North Carolina we are asked to participate in a five year program of work which will begin in October 1966. Yearly emphases will be: reaching more people, Christian maturity, stewardship and equipment, community involvement, and World Missions. We are asked to use this year in preparation and promotion of these plans. Each church would do well to study its program of work, pinpoint areas of need, set goals, and make plans for reaching these goals. Our Associational workers stand ready to help you in every way possible.

As we think of our work in the Kings Mountain Association we are observing what seems to be a rather strange phenomenon. From talking with pastors and church leaders and studying church bulletins, newsletters, and reports, two things are apparent: most churches are not having much trouble with finances. The money is coming in better than ever before. But to keep up attendance at church services and enlist workers in church activities is becoming more and and more difficult. Does this mean that the "faithful few" are making more money and are giving more generously as well as being faithful in attendance and service? Or does it mean that many are sending their money, thereby tipping their hats to God and saying, "That's it, don't bother us with anything else?" Could our increasingly industrialized society be a factor? We don't know but we think it needs some study. How can we motivate people to whole hearted Christian living?

An item of major importance in our Associational life is the moving of the office. The building on Buffalo Street was sold to Hoyle Memorial Methodist Church. The capital will be held intact and interest from it will be used to help pay the rent on the new office at 107 West Graham Street, Shelby next door to the Chamber of Commerce. We are delighted with the new place and are thrilled that so many more of you are using our facilities since we are conveniently down town. We want all of you to come to see us. Call on us for any help we can render.

Respectfully,
C. O. Greene

Training Union Report

Training Union organization and materials have been and continue to be undergoing a great deal of change to meet the needs of our people. These changes are being taken to the people through the tireless efforts of our State Training Union Workers who are working very closely with our associational workers. Every effort is being made on every level of leadership to enlist, train, and use every Christian for more effective Christian living, personally and socially.

Even though the place of Training Union in the development of the Christian life and in the instructional program of the church has not been as fully accepted as other organizations, continuing efforts are being made to show its relevance and to continually strive for higher standards in materials and structure. The prayers of those who know the importance and rich rewards of training for more effective Christian living and serving will continue to undergird and promote this work for our Lord Jesus Christ.

This past year has been encouraging as the Reverend Marion Dubose, Jr., now serving in another state, led our associational work in an excellent way. His spirit of leadership encouraged and brougth forth good efforts from his co-workers. There was a fair response from the churches which made all the efforts worthwhile.

Some of the experiences of the year need to be noted:

1. "M" Night was an experience to worship and challenge as the Reverend James Potter, pastor of Prichard Memorial Baptist Church, Charlotte, led us as the speaker for the event. With an attendance of 870 our association was FIFTH in the state in attendance. Fifty-five churches were represented and forty-five pastors were present. Let us strive for an even larger group this year as we unite for service.

The Southern Baptist Convention has finally planned our schedule so that the Week of Prayer for Foreign Missions will not conflict with "M" Night.

2. The response to the associational Junior Memory Week, Intermediate Sword Drill, and Young Peoples Better Speakers tournaments was gratifying. Several of our churches are providing this valuable stimuli for Christian growth to their youth. The value of these worthy activities cannot be overestimated.

3. Associational Youth Night was held at the First Baptist Church, Shelby, with leaders in the areas of Government, Medicine and Related Sciences, Education, and Vocational Christian Service discussing these areas of vocations with the young people. The young people were divided into four groups with the conference leaders rotating so that each group benefited from the discussion of all the four areas of vocations presented.

Prior to the conference periods a delicious meal was served and a devotional period was conducted highlighted by a choral group of young people from the First Baptist Church, Kings Mountain, led by Mr. Allen Jolley.

4. Church Membership Study Week was promoted on a group basis with all the groups providing their respective churches with a study in the area of worship. This approach proved to be effective and many people benefited from this study of an unparalleled need.

This approach was effective in that associational leaders believed that a larger number of people could be reached than would be reached at a central associational wide study. Each church should check itself and see that more of its people are informed of this annual study and **vigorously encouraged** to attend.

The Associational Training Union leaders hope to provide a year of training opportunities and fellowship that will be worthy of the attention and the attendance of all of our Training Union members. Your advice on ways of improvement will be appreciated, as will your constant support. Please call on us if we can be of help to you in any way.

Respectfully submitted,

Annual Report of Trustees of Kings Mountain Baptist Association

The Trustees of the Kings Mountain Baptist Association transacted only one item of business during the past year. In September, 1965, the home which houses the offices for the Association was sold to Hoyle Memorial Methodist Church for $13,000.00. A substantial down payment was made, and the balance will draw interest until the property is completely paid for.

Visual Aid Report

Our Visual Aid programs have grown this year in our churches. More of our churches are becoming interested in Visual Aids.

This year we have bought $64.00 worth of film strips to add to our Associational library of films. We will purchase the films most frequently called for by our people as we add to our Visual program in the Associational work.

The films from our Visual Aids department, if properly selected, and properly used, can add greatly to the spiritual, moral and educational status of our churches.

Respectfully submitted,

Woman's Missionary Union Report

It has been a pleasure to be of service to you this year. The Executive Board has held its quarterly meetings. We feel that the work has grown and thank God for it.

I met with the different groups of church presidents and we discussed the W. M. U. work of the church.

Mrs. Bingham, Mrs. Baker, Mrs. Howell, Mrs. Ward, and I attended the state mission study conference in Lexington. Our mission study classes on foreign missions were held with Highland Baptist in Shelby and home missions with Buffalo Baptist. Mrs. Clyde Dover, Mrs. John Baker, Mrs.

Daniel Beam, and I attended the State W. M. U. meeting in Greensboro, where our association was recognized as an honor association. I, or one of the executive board members, have attended all the General board meetings for the year.

We have contacted the churches without W. M. U. work this year. We have eight in our association, will you pray with us for these?

Mrs. Howell held a Y. W. A. round up for all Y. W. A. girls. One hundred and fifty girls and leaders attended; also in April a Y. W. A. party with Missionary Mrs. Bill Roberson speaking and showing slides of Viet Nam. The officers of Y. W. A. Association were chosen and they are publishing a small bulletin "Telstar."

Mrs. Baker organized an associational G. A. with a banquet held at Gardner-Webb. Mrs. Charles Forney was guest speaker. G. A's also in June held a picnic at City Park in Shelby 250 girls attended. G. A. Camp was held at South Mountain 250 girls attended.

In May Mrs. Clyde Daves and I attended W. M. U. Convention in Dallas, Texas. This was a rewarding experience.

Also in June I attended the Baptist World Alliance in Miami, Florida.

Mrs. John Gold, our prayer chairman held an associational prayer retreat with Sandy Plains. It was held outside in the afternoon. You could feel God's presence there.

The Executive Board held a leadership course with Pleasant Grove Baptist Church. Fifty ladies received cards of accreditation. Twelve ladies attended the Fruitland conference for associational workers. Our associational leadership conference was held with West View Baptist Church in Shelby with 275 attending.

Mrs. W. E. McSwain

"And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, said the Spirit, that they may rest from their labuors; and their works do follow them." Rev. 14:13.
